

ROURKES CAPTURE FIRST HOME GAME

Marty O'Toole Returns Victorious in Pitchers' Duel With Tony Faeth.

COLD CUTS DOWN CROWD

Omaha pried off the lid of the home base ball season yesterday under circumstances which only could be called auspicious because Omaha captured the event. 2 to 1. There was nothing

auspicious about anything else.

The weather man Monday promised neat and nifty weather for Tuesday. Then he double-crossed Rourke by passing out a brand that might be the occasion for much joy in the vicinity of the north pole, but fitted in per-fectly to augment the wounded feel-ings of Omaha on this very sad May

day.

The cold easily won the decision over the fans and the Capper cup will go elsewhere this year. The total paid attendance could not have exceeded 2,000, and those who did brave the elements to prove their loyalty and devotion to the team that brought a pennant to Rourkeville almost froze death waiting for the ninth inning

The ground was in poor shape and at first sight one would have deemed it necessary to equip the athletes with canoes, but despite the mud and heavy going both teams put up good article of ball.

The fray was a pitchers' duel between Marty O'Toole and Tony Faeth, and Marty breasted the tape first. He allowed the Miners but six scattered hits and when they did assemble three in a bunch in the fourth frame retired the side without a score.

Krup Hits Double. Krug Hits Double.

For three rounds the Rourkes failed to get even a nibble at the assortment of slants dished up by Mr. Faeth. In the fourth, however, Manager Krugripped off a screaming double to right and Shag Thompson followed with a single to left. Earl Smith lofted a long scrince fly to Dalton, scoring Krug. The fly was so long no attempt was made to double Marty as the rub. was made to double Marty at the rub

Joplin evened the count in the sixth Joplin evened the count in the sixth when Lindamore completed the circuit on one play. He reefed a double to center for a starter and tried to stretch it into a triple. Shag Thompson started the throw, but Krug in relaying it along beaned Lindamore with the ball. The pill rolled into the coop and Lindamore trotted home.

Choke-'em Monroe was the only athlete collect more than one hit. Earl Smith and Shag Thompson pulled off a couple of nifty catches.

Marty O'Toole got away to a quick star-by forming Josh Devore, the first man to face him. Before the game Colonel Bashr, Majo Todd and a weers of the Fourth Nebrask conducted the flag raising exercises.

Buy Scouls and National Guardamen were admitted to the game as guests of the Ro-tary club as well as several hundred chil-dren.

Patton sent a couple of suppers in to worry O'Toole, but both fell down. Mc-Granor, batting for Faeth, watched three yo by. Omaha saw Faeth once before this year. He was one of the huriers the Rourkes bombarded when Milwaukes stopped here on April 2.

of hits.

A perfect peg by Brottem nailed Horan napping off second in the sixth. As Lindamore's double followed Tony's throw came at the "phythological moment."

Big Bill Bradley, Rourke's new first-sarker, made a good impression in his initial appearance. He walked twice, made the plate.

Mayor Dahlman hurled the first ball, Prank Judson acted as eatcher and George Brandels batter. The mayor chucked two wide ones and Brandels cracked the third one and made the sprint to first base. Before making his sixth hining single, which ultimately resulted in the winning tails, Earl Smith smashed one a mile over the right held fence, but if fell foul several feet, It sailed so far over the wall, even Fasth had to grin.

Facth pulled a bone in the second in-ning. He hit the ball a few inches in front of the place and never moved out of his tracks when Brottem scooped up the pill and touched him out. When the umps brought him out of his trance he roared that the ball was foul, but Miller couldn't see it.

Why?

When you do not relish your food it is well to inquire the reason why. Your stomach may be debilitated, your liver torpid, your bowels constipated, or you may be eating too much. Many people eat more than they should, particularly those of middle age or older, and those of sedentary habits. If your lack of appetite or relish for your food ariser from either of these causes, correct your habits and take a few doses of Chamberlain's Tablets. They will do you good, give you a better appetite and make you seel better.
