

HOLLWEG PUTS OFF PEACE TALK; DIVERS SINK 59 SHIPS IN A WEEK

GERMANY WILL NOT SUBMIT ITS PROPOSALS NOW

Address by Imperial Chancellor Von Bethmann-Hollweg Slated for Thursday is Postponed.

REGARDED AS A FEELER

British Mission Says Number of Attempts to Sound Sentiment of Entente Expected.

MANY UNDER CURRENTS

Copenhagen, May 2 (Via London).—The speech which was to have been made in the Reichstag by Dr. von Bethmann-Hollweg, the German international relations has been postponed to a more fitting occasion, according to word received here.

The situation, as reported in a dispatch from Berlin, appears to be as follows:

At a caucus of the majority socialists in the Reichstag, the group that supports the policy of not embarrassing the chancellery and the government, it was decided to defer an interpellation that had been proposed regarding Germany's peace plans until a more suitable occasion.

Series of Feelers Expected.

Washington, May 2.—Reports of fresh peace offers from Berlin brought forth the statement from the British mission today that a series of feelers were expected during the next few months as an immense amount of quiet peace efforts has been under way by Teutonic emissaries, but no credence is being placed in their acceptability.

Germany was stated to have made advances proposing surrendering its conquests in the east and west on condition of retaining its Balkan way to Bagdad and Mesopotamia, but the allies have been more united against that plan than against any other proposal.

German System a Failure.

Amsterdam (Via London), May 2.—The Hamburger Fremdenblatt has come to the conclusion that the German political system is a failure and must be changed. The paper says:

"There is no use theorizing. There is something wrong with our governmental system, as is clearly proved by Germany's political failures and in fact by the whole war.

Fresh blood must be infused in the government."

The Fremdenblatt advocates the removal of the bureaucratic barriers in order to allow the parliament and government to work in harmony.

Reports to Denmark Tell of A Quiet May Day in Berlin

Copenhagen (Via London), May 2.—All accounts of May day in Berlin, which have reached here, say that although the day was marked by a demonstrative strike of certain employees, it passed in an orderly manner.

According to these accounts, work was stopped in only one factory, but in view of the character of previous censured reports on the labor situation it is impossible to tell how near this is to the truth.

The military authorities in Berlin in order to stamp the movement as unpatriotic posted offers of rewards for the capture of agents in the service of the enemy who were seeking to awaken dissension among the people.
