NEW AMERICANS AT COMMERCIAL CLUB

Judge Sears Presides at Unique Ceremony—Three Hundred Business Men of Omaha Attend.

In the presence of 300 Commercial club men, foreigners, newly-naturalized citizens, and other spectators, forty-five men received their final naturalization certificates at the Commercial club rooms Monday.

It was Americanization night, the second such celebration put on recently by the club in honor of the acquisition of citizenship by a group of men in Omaha.

Judge Willis Sears, presiding judge of the district court, officiated at the ceremony. Asael Steere, Jr., deputy clerk of the district court, passed out the naturalization papers to the new citizens. Judges A. C. Troup and George A. Day were present.

Meaning of Americanism.
Robert Cowell and Richard L. Metcalfe spoke on the dignity, the advantages, and the privileges of American citizenship.

Tom Lynch spoke of the Red Cross membership campaign, citing the history of the Red Cross movement, and urging all men who have not joined, to do so.

Speaking of the privilege of American citizenship, Robert Cowell said: "It is a great thing to be a citizen of a nation that gave freedom to Cuba; and it is a great thing to be a citizen of the nation that gave back \$20,000,000 of the indemnity collected by the nations of the world from China after the Boxer uprising. And when the president of the United States says we are not going into this war for territory, nor for indemnity, I believe he means what he says, and that the American people will stand back of him."

Character Counts.
Mr. Cowell praised the dignity and value of labor, and said that in this country the time is coming soon when there will not be an aristocracy of wealth or of birth, but an aristocracy of intelligence and character.

Richard L. Metcalfe used the figure of the melting pot in speaking of America, and admonished Americans to see that there are no clinkers in the pot.

"If the product is not pure," he said, "it will not be the fault of the melting pot, but of the material that goes into it."

Ak-Sar-Ben Crew Holds Rehearsal on Wednesday

Rehearsal for the singers of Ak-Sar-Ben's show crew is to be held Wednesday evening of this week. By some mistake the impression had become general that the rehearsal was to have been last night. Next Monday night, however, May 21, a general rehearsal for the entire crew is to be held.

Ak-Sar-Ben's hustling committee will meet Thursday noon at the Henshaw hotel for luncheon and a report on the progress of the membership campaign. Some of the hustlers are coming in with a fine flock of memberships under their arm. President Buckingham, Randall K. Brown and Frank Judson have promised to attend the meeting and address the boys.

Omaha Police Out of Alcohol And Are Unable to Get Any

Omaha police surgeons yesterday found themselves without alcohol to use for medicinal purposes and no way to secure it.

"We use several gallons a week," Police Surgeon Nigro said, "but we are all out of it and can't get any more. We used a great deal of it as an antidote for carbolic acid."

In the last two weeks officers have seized more than twenty-five gallons of alcohol, which has been emptied in the sewer.

Sour Stomach.
This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have a sour stomach take one of Chamberlain's Tablets to aid digestion.—Adv.

JOSEPH H. CHOATE, LAWYER, IS DEAD

Noted for His Prosecution of Tweed and as Figure in Other Cases and as Ambassador to England.

New York, May 15.—Joseph H. Choate, former United States ambassador to Great Britain, died at 11:30 o'clock last night at his home in this city.

Mr. Choate had been ill only since this morning. He had taken a very active part in the entertainment in this city of the British and French war

JOSEPH H. CHOATE

missions and attended services at the cathedral of St. Joan the Divine with Foreign Minister Balfour yesterday morning.

Mr. Choate was referred to by Mayor Mitchell, at one of the entertainments in honor of the war missions as the "foremost citizen of New York."

Prosecuted Boss Tweed.
Mr. Choate was 85 years old. He came from an old New England family. His father was a cousin of the famous Rufus Choate. He was graduated from Harvard in 1852, a college mate of Phillips Brooks. He established himself in New York in 1856, soon after finishing his law studies, and as a member of the firm of Everts, Southmayd and Choate he rose to leadership of the New York bar.

He appeared in all the celebrated cases—it was said a case was not a case unless Choate appeared in it—

Suffragists Urge 'White Zones' About The Military Camps

Columbus, O., May 15.—The Mississippi Valley Victory conference of suffragists here at today's closing session adopted resolutions urging war measures for the establishment of "white zones" about military camps, from which liquor shall be barred, and forbidding soldiers visiting gambling and other resorts; favoring the prohibition of manufacture and sale of liquors during the war in order that grain entering into its manufacture be saved for food; urging the early passage of a federal suffrage amendment and recommending immediate steps for the regulation guaranteeing women, who replace men in industrial and other work, the same salaries as were paid to the men. Sioux Falls, S. D., was selected for the 1918 session.

where fluency and wit and searching cross-examination brought him considerable success.

He figured in the prosecution of "Boss" Tweed and his followers who looted the New York City treasury; he so successfully defended General Fitz-John Porter, that by reversal of a court-martial that officer was reinstated.

He appeared in the Tilden will case, the contest over Commodore Vanderbilt's millions, and the Chinese exclusion case, arguing against the validity of the act. These are but a few of the famous litigations in which he figured.

Dares to Rebuke Court.

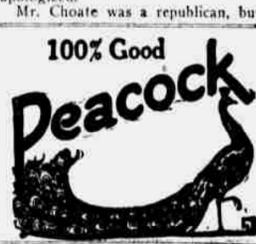

His professional income during the height of his career was believed to be the largest of any practitioner in the American courts.

It is on record that, during his younger days, he had the daring to rebuke a judge, who had turned to converse with someone behind him, while Choate was addressing the court. Choate stopped short in his address. The judge remarked the silence, and as His Honor turned to face the room the lawyer began anew.

"Your Honor, I shall need all the time allotted me for summing up; and I shall need your Honor's undivided attention."

"And you shall have it," the court apologized.

Mr. Choate was a republican, but

had never held public office, beyond a brief term as a member of a state constitutional convention, when he was invited by President McKinley in 1899 to go to London as the American ambassador.

What He Would Be.

The stories told about him, too, were countless as those he told, for he was one of those picturesque figures about which stories cluster—some of which undoubtedly belonged to others. One typical flash of his wit is that with which he answered a dinner partner, who asked who he would chose to be if he were not Joseph H. Choate.

"Mrs. Choate's second husband," was the instantaneous reply.

Mrs. Choate was Caroline D. Sterling of Cleveland, O., whom he married in 1861, and by whom he had five children.

More Stolen Automobiles Found by County Sheriffs

Fremont, Neb., May 15.—(Special Telegram.)—Sheriff Condit returned from Long Pine and Bassett, where he took part in another roundup of stolen automobiles. Six machines were located, making a total of ninety-six the sheriffs of the counties in this section of the state have found since the first raid at Silver Creek six weeks ago. The officers have evidence they will use against the "gang," which includes some well-to-do dealers of the state.

Cars belonging to Ivan Timmons of Valley, Dr. W. H. Taylor, Christensen Brothers and J. F. Trainor of Omaha have been returned to the owners. Five sheriffs took part in the roundup at Long Pine and Bassett.
