RALLY IN NINTH WINS FOR OMAHA

Otto Merz Cracks Out Single Which Scores Winning Tally of Game Full of Hard Slugging.

A four-run rally in the final stanza won a swiftest for Omaha, 11 to 10, yesterday from Joplin. Otto Merz won his own game with a pinch ball with two men on base and two men down.

Fans, who prefer hard-hitting games, had their appetite appeased yesterday. Both clubs cracked the pill, but the Rourkes had the heaviest artillery, marking up twenty hits to Joplin's eleven.

Morrie Schick was the leading hitter of the matinee. Morrie seems to have found his batting eye at last. He made four hits, including a triple, two doubles, both of which bounced off the fence, and a single. He counted three runs himself and his solid knocks sent three others home.

Big Bill Bradley also cut considerable ice in the run getting. Big Bill hit for a 1,000 percentage, making three hits in as many trips to the plate. Big Bill also scored three runs and sent three home.

Everybody Makes One. Joe Burg and Ben Shaw annexed three hits each, while Marty Krug and Earl Smith gathered two apiece. Everybody on the team made at least one hit.

Smith's single and Schick's double counted one for Omaha in the second. A walk, Schick's triple and Shaw's single counted two in the fourth and doubles by Bradley and Schick, followed by Shaw's single, netted two in the sixth. Doubles by Burg and Krug and Bradley's single scored two in the seventh.

Ninth Is Some Inning. The ninth was the glorious frame. Thompson walked and Smith doubled to center. Bradley's single scored both men. Schick's hit sent Bradley to third and he scored the tying run on Shaw's sacrifice fly. Schick stole second and when Merz delivered a clean hit to center scored the winning tally.

Merz had two big rounds, the fourth and fifth. In these stanzas Joplin scored eight. His support was nothing to brag about, including that he gave himself.

Today Lincoln comes to Omaha for a series of four games. As both Omaha and Lincoln are playing great ball, some fancy games are anticipated. Games will be called at 3:15.

Notes of the Fray

Shaw let 'em know he had the ball out of his hands in the fifth and he drew an error for it. Twice Merz caught Joplin runners napping at first, while Ben Shaw was nailed asleep on time. The Rourkes made a total of eight two-base hits. Total bases made by Rourke hits was thirty. Some chouting. Ben Shaw was leaved by Collins' throw when he swung second in the fourth. His mate had to render first aid treatment to revive him. Some of the fans howled for a pinch hitter when Merz went to the plate in the ninth, but they changed their minds when he snaked out the hit. Shannon and Gaston succeeded Jacobs and Fillman as umpires. Some improvement was noticed. Shannon has one virtue, at least, he tries to finish the game alone. Boomer Hatt was slipping today but the skids under his best pitching hit in the sixth, but Burwell, who succeeded him, was hit even harder. All hurriers look alike to the Rourkes. Young Woodruff of the Brandeis played second in place of Brian and accredited himself very well. He made a hit and accepted five chances. He was the pivot of a double play, too. With Thompson on second Earl Smith in the fifth hit a drive toward center that traveled a mile a minute, but it went right into Dalton's hands. Black Jack almost had to catch the ball as it was hit so hard. Dalton swept a crowded runway with a double in the fourth and Lindamore followed with a home run over the right field fence. Thus the five runs in that frame. Some bum fielding and Dalton's triple counted the three in the fifth. Some real base ball should be exhibited the remainder of the week. Lincoln is playing great ball, according to reports, and we know the Rourkes are putting up a league article. The series should be hotly fought and the games well played. Take this

CATARRH IS NOT INCURABLE

of her experience in the following words: "I suffered for a long time with a bad case of Catarrh, which kept my nose stopped up and made me cough incessantly. Spray and douches did me no good—in fact, doctors told me I was incurable. I read one of your advertisements, and wrote to your medical department. Under the direction of your physician I took S. S. S. and was completely cured, and unhesitatingly recommend this great remedy to everyone afflicted with Catarrh."

The experience of Mrs. Wesserman was like that of thousands of others who have tried local remedies in vain. She claims that she was finally cured by S. S. S. because she realized that Catarrh is a blood disease, and the only sensible treatment is through the blood. The blood is laden with the Catarrh germs, which direct their attack against the tender and delicate membranes of the nose and throat. These germs cannot be reached by sprays or douches, which, of course, have no effect whatever upon the blood.

S. S. S. is a purely vegetable blood remedy, made from roots and herbs, direct from the forest, which combat promptly any disease germs or impurities in the blood. This great remedy has been used for more than fifty years, with most satisfactory results. It has been successfully used by those afflicted with even the severest cases of Catarrh, because it drives out from the blood the Catarrh germs, and eliminates every foreign substance from the blood. S. S. S. is sold by druggists everywhere.

For the benefit of those afflicted with Catarrh or other blood diseases, we maintain a medical department in charge of a specialist skilled in these diseases. If you will write us fully, he will give your case careful study, and write you just what your own individual case requires. No charge is made for this service.
