FIFTY-CENT LOAN SOURS FRIENDSHIP

Hazel Dodd and Henrietta Hase Haled Into Police Court After Hair-Pulling Match.

Fifty cents worth of friendship that soured brought two women into police court Saturday.

Mrs. Hazel Dodd was fined \$10 and costs for assault and battery upon Miss Henrietta Hase. Both women live at 2302 Douglas street.

Mrs. Dodd, a pretty woman of the brunette type, unbuttoned her shirt-waist in court to show to the judge two scratches on her back, which, she said, were due to Miss Hase's finger nails.

Miss Hase brushed back the hair which drooped over her forehead and exposed to the court a bruise which, she testified, was caused by an electric flatiron which Mrs. Dodd wielded with hostile intent.

She Saw It, Too. "I saw Mrs. Dodd spit on Miss Hase," said Esther Balles, 2204 Douglas street. "Mrs. Dodd was standing at the top of a flight of stairs and Miss Hase was at the bottom."

Miss Mildred Lang of 2202 Douglas street, testified that while the expectation marksmanship of Mrs. Dodd was unerring in so far as most of it landed on Miss Hase, nevertheless some of it sprayed upon Miss Lang.

Mrs. Lanna Cook, landlady at 2202 Douglas street, said that she loaned a flatiron to Mrs. Dodd a few minutes before the assault upon Miss Hase occurred.

"I was going along the corridor," said Mrs. Dodd, "and I saw Miss Hase sitting in a room with a young man. She made a face at me and that started things."

Hated Her Long Time. "She might have killed me with that flatiron," said Miss Hase. "That woman has hated me ever since last winter. I noticed her hatred for me. I asked Mrs. Cook why Mrs. Dodd was unfriendly to me and she said, 'Well, you borrowed 50 cents from her last winter when you were sick and you never paid it back to her.'"

Mrs. Cook agreed with Miss Hase's version of the affair and added that it was she who separated the two fighting women.

Mrs. Dodd, who formerly worked at the Burgess-Nash store, and Miss Hase, who worked in the Brandeis store, were bosom friends until the 50-cent loan was negotiated.

Sutino Fined, Although Girl Does Not Appear. Sam Sutino, who assaulted Anna Nelson in an alley near Eighth and Pacific streets Thursday night, was fined \$20 and costs.

Wonderful Skin and Wrinkle Removers

The method of removing bad complexion by absorption seems to have come into general use in this country. Ordinary mercurized wax, applied nightly like cold cream and erased mornings with warm water, gradually absorbs the coarse, faded or discolored outer film skin in almost invisible particles. Soon there's a brand new complexion, formed by the younger, healthier under-skin. No cosmetic or artificial treatment can possibly produce a complexion of such radiant youthful loveliness. Druggists all have mercurized wax; it is seldom that more than one ounce is necessary.

Thousands have also reported great success with the famous saxolite wrinkle-removing formula. One ounce of pure powdered saxolite is dissolved in a half pint of witch hazel and the solution used as a face wash. The effect is almost magical. The deepest wrinkles and crow's feet, as well as the finest lines—whether due to age, illness, weather or worry—are immediately removed. No one need hesitate to try this simple lotion, as it won't harm any skin. —Advertisement—

please tell me how much thirty tons of coal would make at 8 cents a ton. "That would be \$240," I said. The colored man laughed.

Shovels Thirty Tons. "Dat's jus' what Ah made it when Ah figgered up," he said. "Ah gets 8 cents a ton an' Ah unloaded thirty tons today. Much 'bliged, boss."

I met another man pushing a lawn mower in front of him along the sidewalk. He carried a big basket and a sickle in the other hand.

"It's a fine day for making hay," he said, cheerily.

"Yes, it is. Pretty hot, though," I replied.

"Well, I don't mind the heat," he said. "It's good for a fellow to sweat. It keeps me busy cutting lawns for my customers. I have quite a list. It's an independent occupation. I'm my own boss and I come and go just as I please."

Another man, "not overly bright," is a sort of delivery boy for a certain concern. He pushes a two-wheeled cart.

"I've been with them now two years the 29th of May," he told me one day, as he mopped his brow.

"When a firm gets a good man they try to keep him," I said. Which pleased him very much.

"Contentment maketh a man happy whether he hath little or much," as Aesop would say.

ZEPPELIN IS SHOT DOWN OFF DENMARK

L-22 is Destroyed by Third Volley from British Warships; Lightning Hits Second Airship.

Copenhagen, May 19.—(Via London.)—Destruction of the Zeppelin L-22, reported in a British announcement Monday, May 12 occurred off Esbjerg, within sight of the Danish coast, according to eye witnesses.

These accounts indicate that not one, but two, Zeppelins were destroyed on that day, inasmuch as the explosion of an airship off Jerschelling was reported from Holland at a point too distant to cover the same case. The loss of the second airship is attributed to lightning.

The L-22 was seen off Esbjerg on one of its daily observation tours up and down the coast of Jutland. It was engaged by a British force which presumably was looking for German destroyers that of late have been fishing up British mine fields in this region.

The Zeppelin was not far from shore and was plainly visible. Its opponents could not be seen, but their presence was made known by the sound of guns. Eye witnesses saw the airship dart upward after the first round of shots. Then they heard a second salvo. The Zeppelin endeavored to maneuver itself out of range, but with the third broadside it went down, mortally hit. At first it sank slowly and then plunged down at great speed into the sea below the horizon.

Rohlf Theater Soon to Be Reopened With Good Features

The beautiful Rohlf theater will open its doors again to the public in the very near future, the tentative date being set for Decoration day, May 30. It will be under the personal management of Oscar Rohlf, who is now contracting for the best and biggest features the market affords, and quite a number of superfeatures will be shown.

"I am taking this theater over under my personal management," says Mr. Rohlf, "and all I care to say at this time is that nothing will be too good for patrons of this theater and they can expect the best and not be disappointed. I believe that the opening picture will be Norma Talmage in 'Panthea,' which is a superfeature, and the Clara Kimball Young superfeatures will also be shown."
