 Mr. Tagg says the convention was dominated by a spirit of patriotism. The services of the exchange were tendered the government to aid in national defense and especially in the conservation of food. Representatives from different markets were enthusiastic over the idea established by the Omaha exchange in organizing help girls and working for the increase of live stock production.

### No Liquor for Sailors Or Soldiers in Uniform

Chicago, May 24.—Liquor will not be served to soldiers or sailors in uniform in any of the large hotels, according to announcement posted in each of the downtown hotelries today. The hotel managers acted on a section of the selective conscription law, which reads: "It shall be unlawful to sell any intoxicating liquors, beer, ale or wine to any officer or member of the military force while in uniform, violation of which is punishable by fine of not more than \$1,000 or imprisonment or both."

### BOOKS AND BOLOGNA EXTREMES OF THEFT

### Sneakthieves Hold Carnival in Omaha and Variety of Articles Are Reported Missing.

The sneak thieves have made several light hauls around the city in the last twenty-four hours. Most any old thing that can be carried away seems to be worth their while in these hard days.  
 The most serious loss yesterday were 150 Congressional Records and 300 law books, which were taken from the old home of Senator Hitchcock at Twentieth and Dodge streets.  
 Dr. A. Webb of the Immanuel hospital was a victim to the extent of \$35. The Hospital Nurses' home at Thirtieth and Lincoln boulevard, is minus two wrist watches belonging to two of the nurses.  
 A room thief took advantage of three sleepers in the Delmar hotel. George Holloway lost \$30, Jean Barbear got off with a dollar, and H. W. Bubb is minus a watch.  
 Tony Anzalone will have to make good to his customers for three pairs of shoes left in his shop at 4124 Hamilton street to be repaired. The thief also relieved him of his revolver.  
 Walnut Hill public school, Forty-fourth and Hamilton, lost some chisels, knives and caused a joyful lookout for the pupils by stealing the keys to all the rooms.  
 Some minced ham, wieners and bologna may have satiated the hunger of some thief, but John Peterson, 3921 Cuming street, from whose shop they were stolen, hopes it has an entirely different effect.

### "Come on Over, See My Corn Fall Off!"

"I Put 2 Drops of 'Geta-It' on Last Night—Now Watch!"

"See—all you have to do is to use your two fingers and lift the corn right off. That's the way 'Geta-It' always works. You just put on about 2 drops. Then the corn not only shrivels, but loosens from the toe, without affecting the surrounding flesh in the least. Why, it's almost a pleasure to have corns snap off now 'Geta-It' gets them off in a hurry and without the least pain. I can wear tight shoes, dance and walk as though I never had corns."

"Geta-It" makes the use of toe-irritating salves, banding bandages, tape, plasters and other things not only foolish, but unnecessary. Use this wonderful discovery, "Geta-It," for any soft or hard corn or callus. It is the new, simple, easy, quick way, and it never fails. You'll never have to cut a corn again with knives or scissors, and run chances of blood poisoning. Try "Geta-It" tonight.  
 "Geta-It" is sold everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.  
 Sold in Omaha and recommended as the world's best corn remedy by Sherman & McConnell Drug Co.'s stores.—Advertisement.

### Senator Lane Dies at San Francisco Hospital

San Francisco, May 23.—United States Senator Harry Lane of Oregon died at a hospital here last tonight from a nervous disorganization produced by a blood clot on the brain.  
 Senator Lane was the last man elected to the United States senate from Oregon by the legislature, although the legislature carried out the wishes of voters who gave him a majority in the election of November, 1912. He ran on the democratic ticket.
