

SUNDAY SCHOOLS CONVENE IN OMAHA

Meeting to Mark Fiftieth Anniversary of Their Establishment in State of Nebraska.

The probabilities are that the annual convention of the Nebraska Sunday School association to be held in Omaha June 19 to 20, inclusive, will bring the largest gathering of religious workers ever congregated in the city. It is said that 4,000 is a fair estimate of the number of delegates. The principal meetings of the convention will as a rule be held in the downtown churches.

While it is expected that the delegates to the Sunday school convention will as a rule be housed in the homes of the citizens of Omaha, they will all pay their way.

Fiftieth Anniversary.

The meeting of the Sunday school workers at this time marks the fiftieth anniversary of the establishment of Sunday schools in Nebraska and consequently, church and religious workers are bending their energies to make this meeting a record breaker. Another thing that adds to the importance of the meeting is the fact that on the same dates the Iowa Sunday School association will hold its annual convention in Council Bluffs. At this meeting an attendance of 3,000 to 5,000 delegates are expected. At a number of the Omaha meetings, large numbers of the Iowa delegates are expected.

The Nebraska Sunday school convention will not be made up of delegates from any particular church. All of the Protestant churches of the state have affiliated in the movement and delegates from all churches will be in attendance. While, of course, the majority of delegates are expected to be young men and women interested in Sunday school work, unless this convention is different from others, there will be a large number of the older men and women, people who for years have been active in this branch of religious work.

Interest in Convention.

Out in the state a great interest is being taken in the coming convention and the people are beginning to organize what they designate as "caravans." These caravans are made up of automobile parties and already some gigantic ones are being planned.

Sunday school workers of Falls City and vicinity have written to George G. Wallace of the Omaha committee that they will be on hand with 150 automobiles, all loaded to capacity. Cass county promises to send 200 automobile loads of delegates and friends and citizens of Nemaha county have assured Mr. Wallace that when it comes to attendance they propose to carry off the banner.

The program for the Omaha convention is being made up and will be ready to give out some time during the last of this month. It will provide for a great deal of special music, both vocal and instrumental. In fact, it is expected that a number of the best musicians in the state will be on the program.

Leaders in Work.

Among the prominent Sunday school workers from outside the state will be Mrs. Maude J. Baldwin of Chicago. She is the superintendent of the elementary division of the International Sunday School association and for years has devoted a large portion of her time and energy to this work.

Miss Nannie L. Frayer of Louisville, Ky., is another of the leaders who will be in attendance and who will deliver several addresses. She is elementary superintendent of the Kentucky State Sunday school association, principal of one of the Louisville schools and a member of the advisory board of the National Story Teller's league.

W. E. Fafferty of Philadelphia, ed-

tor-in-chief of all the Sunday school periodicals published by the American Baptist Publication society, has accepted an invitation to attend the Omaha convention and will be put down for one or more addresses.

Y. M. C. A. Worker.

Rev. E. G. Sutton, pastor of the Western Highlands Presbyterian

MARION LAWRENCE

church of Kansas City, Kan., is to be one of the speakers. For a number of years he was one of the general secretaries of the Young Men's Christian association, summers having charge of the training camp at Lake Geneva, Wis.

Among other leading speakers will be Marion Lawrence of Topeka, Kan. Mr. Lawrence is a member of the executive committee of the Kansas State Sunday School association.

Elope to Iowa and Surprise

Friends by Secret Marriage

Miss Ruth E. Neely and Lester L. Thornton eloped last Saturday to Denison, Ia., where they were married by the Rev. Robert Carr, formerly pastor of the Third Presbyterian church of Omaha. Mr. Thornton is in the employ of the Northwestern railway and his bride is a bookkeeper at Paxton & Gallagher. They will make their home in Council Bluffs.

Doctors Stand Amazed at Power of Bon-Opto to Make Weak Eyes Strong---According to Dr. Lewis

Guaranteed to Strengthen Eyesight 50% in One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home.

Philadelphia, Pa.—Victims of eye strain and other eye weaknesses, and those who wear glasses, will be glad to know that, according to Dr. Lewis, there is real hope and help for them. Many whose eyes were failing, they have had their eyes restored by this remarkable prescription and many who once wore glasses say they have thrown them away. One man says, after using it: "It was almost blind. Could not see a word at all. Now I can read everything without my glasses and my eyes do not hurt any more. At night they would sag dreadfully. Now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The almost-blindness which I had with or without glasses, but after using this prescription for fifteen days everything seems clear. I can read even fine print without glasses." Another who used it says: "I was bothered with eye strain caused by overwork, tired eyes which induced fierce headaches. I have worn glasses for several years both for distance and work, and without them I could not read my own name on an envelope or the printing on the machine before me. I can do both now and have discarded my long distance glasses altogether. I can count the printing leaves on the trees across the street now, which for several years have looked like a dim green blur to me. I cannot express my joy at what it has done for me."

It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared

Woman Suffrage is Endorsed at Convention

Woman suffrage was endorsed by the Nebraska Association of Commercial Clubs in Omaha yesterday, all because of the eloquent talk Mrs. W. F. Adamek made in favor of the Red Cross work. Her talk so moved W. F. Adamek of Clarkson that he got the floor and declared women who have such lofty ideals and who are capable of doing so great a work as has been done here for the Red Cross should have the ballot. He said he had always been opposed to woman's talk had changed his mind. He moved that the organization endorse woman suffrage, and it did.

Omaha Man Sells Big Tract of Colorado Land

The World Realty company reports the sale of 390 acres of Colorado land near Greeley. W. H. Jones, who closed the sale, is finding a very good demand for land both in eastern and western Nebraska and will spend this coming week in Minnesota. Good investments in Omaha are also being looked into very carefully by investors.

It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared

the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by the use of this prescription. Do to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and let it dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation and redness will quickly disappear. If your eyes bother you even a little it is your duty to take steps to save them now before it is too late. Many hopelessly blind might have saved their sight if they had cared for their eyes in time.

Note: Another prominent physician to whom the above article was submitted, said: "Yes, the Bon-Opto prescription is truly a wonderful eye remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. I have used it very successfully in my own practice on patients whose eyes were strained through overwork or malarial glasses. I can highly recommend it in case of weak, watery, aching, smarting, itching, burning eyes, red lids, blurred vision or for eyes inflamed from exposure to smoke, sun, dust or wind. It is one of the very few preparations I feel should be kept on hand for regular use in almost every family." Bon-Opto, referred to above, is not a patent medicine or a secret remedy. It is an ethical preparation, the formula being printed on the package. The manufacturer guarantees it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good druggist and is sold in this city by "The Bon-Opto Medicine and other druggists."—Advertisement.
