WHY SOCIETY WOMEN WASH THEIR OWN HAIR. They do, not because it is a fad, but because they wish to obtain the greatest possible hair beauty, and be sure they are not using anything harmful. They have found that in washing the hair it is never wise to use a makeshift, but is always advisable to use a preparation made for shampooing only. Many of our friends say they get the best results from a simple home-made canthrox mixture. You can use this at a cost of about three cents a shampoo by getting some canthrox from your druggist and dissolving a teaspoonful in a cup of hot water. This makes enough shampoo liquid to apply to all the hair instead of just the top of the head, as with most preparations. Dandruff, excess oil and dirt are dissolved and entirely disappear in the rinsing water. Your hair will be so fluffy that it will look much heavier than it is. Its lustre and softness will also delight you.—Advertisement.

OMAHA TO THE FORE IN EAST-WATTLES

Banker Says City Much in the Public Eye Over Doubling Purchase of Liberty Bonds.

"I heard a lot of good things about Omaha while in Washington," said G. W. Wattles on his return yesterday. "When the Omaha banks doubled their subscription to the Liberty Loan bonds, Washington was full of favorable comment. I was in Washington while Secretary McAdoo was in Omaha, and the doubling of the Omaha subscription took place immediately after McAdoo's visit here."

Mr. Wattles was in Washington attending the National Red Cross convention. June 18 to 25 has been set aside as National Red Cross week, and some lively activity will take place in Omaha in all probability, but Mr. Wattles, who is chairman of the finance committee of the Omaha chapter, says he is not ready to make any announcement as to just what will be done during that week to further the campaign.

Mr. Wattles says he heard no talk of cantonment camps while in Washington, as he was busy with Red Cross activities. He was not even informed that Colonel Morgan's commission of army officers had visited Omaha in search of a location for one of these camps.

Y. W. Girls to Have Big Cleanup Day at New Camp

"Cleanup day" will be observed by 150 gym girls of the Young Women's Christian association Saturday at the old South Omaha Country club they have purchased for a summer camp. Miss Clara Brewster, athletic director, has invited the girls to come out in midday blouses and bloomers and clean up the yard. Supper will be served.

The opening date for the summer camp has not been set. June 16, the first day set, was given up in deference to the Red Cross benefit, Mrs. Myron Learned's nature masque, "Walden Wood," at Hanscom park. An informal opening for Monday is being considered.

Red Cross Activities

Omaha women working in the war relief rooms at the Baird building will soon be wearing red, white and blue buttons with their own number on them, according to Mrs. O. C. Redick, who returned this morning from Chicago.

One thousand buttons will be given to each person who has paid a fee in the hospital to help the department of the Red Cross. The top of the button is red and has the words, Omaha chapter. The bottom of it is blue and has Hospital Supply department on it, while the white strip bears the number.

"In this way the women will feel that they are giving their services to the Red Cross and are doing their bit. Having a number registered against their name will also make them feel responsible for their share of the work," said Mrs. Redick.

Glee Club to Help.—The Armour Glee club has volunteered to furnish the money for materials for concert kits which will be made by the Armour Red Cross auxiliary recently organized for making hospital supplies. As a number of the employees from the packing plant will be in active service, the women were anxious to give them some memento of their friendship and offered to make the kits. Mrs. J. C. Wrath is the instructor of the group of women and Miss Lily Ring the chairman.

Knitting Machines Arrive.—The long lost knitting machines have at last arrived and will be put in use at once at the National League for Women Service headquarters.

Bemis Park Women Help.—Mrs. Palmer Findley was chosen chairman of the Bemis Park Red Cross circle, which met Tuesday at the home of Mrs. F. J. Birns. Mrs. W. H. Ward, son assistant chairman; Mrs. J. H. Skidmore, inspector; Mrs. M. B. Huff, secretary, and Mrs. F. J. Birns, treasurer. Mrs. Ezra Millard explained the war relief work and the women decided to make box No. 8, which included convalescent supplies.

The circle, which is composed of the following women, will meet all day Tuesday at the home of Mrs. Birns: Mesdames J. W. Holmquist, Jennie Califfas, G. W. Noble, W. R. Watson, J. W. Hazlett, L. B. The Heavens in June

CHART OF THE PARTIAL SOLAR ECLIPSE OF 1917 JUNE 19 AS VISIBLE IN THE UNITED STATES.

By WILLIAM F. RIGGE. The chief astronomical event of the month, which we unfortunately will not get to see in Omaha, is a partial eclipse of the sun, visible June 19 over nearly the whole western half of British America, the larger part of Russia and Siberia, and over the entire north polar region. The greatest magnitude will be only .47, that is, 47 per cent of the sun's diameter will be covered by the moon.

The extreme northwest corner of the United States will get a glimpse at the eclipse at the time of sunrise. The greatest magnitude will be only 7 per cent. The accompanying eclipse map gives the details. The lines marked 5 and 10, parallel to the southern limit, indicate the per cent of obscuration.

On the 21st at 6:16 p. m. the sun is at the summer solstice and astronomical summer begins. This day is then the longest of the year, 15 hours, 4 minutes, and the night the shortest, 8 hours, 56 minutes, from which about

three hours must be subtracted on account of the morning and evening twilight. The days vary scarcely a quarter of an hour in length the whole month.

Saturn is still the only planet visible. It sets at 10:14 p. m. on the 15th. The moon is in conjunction with it on the 21st.

MOON'S PHASES. Full moon on the 6th, 7:07 a. m. Last quarter on the 13th, 12:38 a. m. New moon on the 19th, 7:02 a. m. First quarter on the 27th, 10:39 a. m.

Theta Phi Delta Gives Banquet at the Henshaw. The Theta Phi Delta fraternity of the University of Omaha held its second annual banquet at the Henshaw in the rathskellar Tuesday evening at 8 o'clock. The banquet room was decorated in purple, white and yellow, the colors of the secret organization. Beautiful Ophelia roses adorned the tables.

William Thompson acted as toastmaster. The program after the dinner consisted of informal talks by Mark Lowe, Frank Broadwell, William Campen, John Talliafero and Miss Quito Eddy. Musical numbers were given by Howard and Kenneth Widenor on the piano and violin. E. E. Zimmerman concluded the program with a few serious but interesting thoughts. After the young men had sung the "Theta Rose," an informal dance followed. Those present were: Chaperons Mr. and Mrs. E. E. Zimmerman, Misses Margaret Woodward, Quito Eddy, Marguerite Powell, Louise Brown, Lillian Henderson, Marie Cejnar, Clara Lindley, Mae Grady, Dora Sumavitch, Mildred Fee, Fern Gilbert.

Public Library Now Has More Than 28,000 Patrons

More than one-sixth of the people in Greater Omaha have library cards, according to Miss Edith Tobitt, librarian. More than 28,000 cards are now out. However, this does not serve as a good index of the reading population of the city, Miss Tobitt says, as the children in outlying schools draw books from school libraries without cards. Six books may be drawn on one card, and this gives an opportunity for a whole family to be served by one card. Because of this it would be hard to indicate the number of readers in the city, the librarian said.
