AMBASSADOR ASKS US TO TRUST SLAVS

Prof. Borris Bakhmetieff Declares New Regime Soon Will Launch Offensive Against Teutons.

Tokio, May 30.—"I am immensely satisfied with conditions in Russia, including Siberia," said Prof. Borris Bakhmetieff, the new Russian ambassador to the United States, on arriving here today. "I think the new regime soon will be able to launch an offensive against the enemy."

Prof. Bakhmetieff is at the head of a special commission of forty on its way to the United States.

He repudiated the idea that his country would make a separate peace and expressed appreciation of aid given the new republic by the United States.

Difficulties have occurred, but they had been exaggerated, and it was unreasonable to assume that the ancient autocracy could be overthrown without encountering resultant obstacles. Everywhere the work of reconstruction was going forward rapidly, he said.

"Russia's war aims are similar to America's," he continued. "As sister democracies they are fighting hand-in-hand. I am going to America with complete diplomatic powers. I shall take up questions of munitions, supplies and finance."

Among the members of the commission are General Ropp, who will be attached to the American army; M. Lomonpoff, a railroad expert; M. Nordzky, representing the finance ministry; M. Borodkin, representing the ministry of agriculture, and M. Oranovsky, an artillery expert.

Seattle, Wash., May 29.—Thomas Nelson Perkins, chairman of the executive committee of a Boston financial house, arrived in Seattle today from Petrograd, where he witnessed the revolution and establishment of the new government.

He believes Russia is determined upon opposing German militarism to the end.

"So long as Germany clings to military rule," he said, "Russia's whole-hearted support of the war cannot be doubted."

To Ask Colonial Dames to Recall Red Cross Tickets

A slight tempest is brewing in Red Cross circles in regard to the emblem used on tickets issued for the American ambulance film which is to be shown here June 9 at the Boyd theater under the auspices of the Colonial Dames for the benefit of the American ambulance field service.

"We will have to ask that the tickets bearing the Red Cross emblem be recalled, since the affair is not under the auspices of the Red Cross and no permission granted for the emblem's use," W. G. Ure, secretary of the local chapter, said.

CLEVELAND DROPS TWO TO TIGERS

Superior Fielding and Pitching by Jennings' Men Prove Disastrous Combination for Home Team.

Cleveland, May 30.—Detroit took both games from Cleveland today, 4 to 1 and 5 to 1. Superior pitching by Boland and Ehmke and the brilliant fielding by Veach and Young were largely responsible for the victories which forced Cleveland back into fourth place. Heilman made four hits in as many times at bat in the second game. Score, first game:

Yanks Nab Both.

Philadelphia, May 30.—New York shut out Philadelphia twice today, in the morning 6 to 0, and this afternoon, in a fifteen-inning pitching duel, 2 to 0. With two men out in the fifteenth inning, the bases were filled on bases on balls to Peckinpaugh and Caldwell. The latter had batted for Love and Walters got a single. A base on balls to McGee forced in Peckinpaugh and Miller's single scored Walters. In the eighth inning of the afternoon game, Baker was so badly hurt that he was forced to leave the game. Thinking that Johnson intended to bunt, Baker ran in, but the batsman swung hard and knocked a fast grounder, which took a bad bound and struck Baker in the face. Score, first game:
