FRICITION CAUSE OF BARRETT'S ACTION

Deputy Attorney General Resigns and His Chief Immediately Names Successor.

(From a Staff Correspondent.) Lincoln, Neb., May 31.—(Special Telegram.)—Deputy Attorney General Dexter E. Barrett this morning tendered his resignation to Attorney General Reed. He will retire from office July 1. Mr. Barrett was appointed deputy attorney general in 1915 when Mr. Reed took office. He was reappointed last January. Mr. Barrett came here from Nelson. His wife is a daughter of the late R. D. Sutherland, who formerly represented the Fourth district in congress.

While the resignation of the deputy was set for July 1, or at the convenience of Attorney General Reed, the latter decided it "convenient" to accept the resignation immediately and at once named Assistant C. P. Roe as the deputy.

Mr. Barrett will continue the practice of law probably in Lincoln. He gives as one reason for his resignation that the act of the legislature prohibiting state officials and their deputies from accepting outside cases deprived him of more revenue several times over than his salary amounted to.

It is, however, understood that there was some friction between Mr. Reed and his deputy which was really the cause of the resignation.
