Shoes Every Child Likes

In Styles That Every Parent Will Like

"BILLIKEN" SHOES are the best we know of, therefore we have accepted the exclusive agency for Omaha. Here are some reasons why we consider them best:

A—They are made roomy and comfortable.

B—They are made without a nail—nothing to hurt the feet.

C—They are soft and pliable, easy for the feet.

D—"Five-Room Apartments, a room for every toe."

E—Shoes that will outwear and outlive any others we know of.

These are but five reasons—we could quote dozens of them. Suffice to say that we have sold hundreds and hundreds of pairs of "Billiken" Shoes already, and they have only been established in this store a few weeks. For style, comfort, durability and satisfaction, "Billiken" Shoes are without an equal. COME TO THIS HEADQUARTERS FOR THEM. Priced according to size and kind.
