

### CREIGHTON GIVES DIPLOMAS SATURDAY

All Departments to Have Graduation Exercises on the Campus at the Big University.

Hon. James M. Graham, prominent attorney of Springfield, Ill., will be the commencement day speaker at the graduating exercises of the combined senior classes of Creighton university, to be held this morning at 10 o'clock.

Mr. Graham was a member of the Illinois house of representatives in 1885 and state attorney in 1890. He

JAMES M. GRAHAM.

was twice elected congressman from Illinois. The last few years he has traveled extensively as a member of the lecture staff of the Knights of Columbus.

This year, for the first time, the graduating exercises will be held on the lawn at the campus and a temporary stage has been constructed just north of the main building. A large tent has been erected for the protection of the audience, and 4,000 tickets have been issued.

There will be an academic procession from the library to the lawn and the professors will appear in cap and gown followed by the seniors similarly garbed.

The candidates for degrees will be presented by the deans of the respective departments and the law graduates will be admitted to the Nebraska bar by Chief Justice Morrissey.

### Gangestad Domestic Life Aired in District Court

Another chapter in the turbulent domestic life of the Gangestads, whose troubles have been aired in district and police courts the last few months, was opened Friday morning when Mrs. Nina Mae Gangestad went on trial before a jury in criminal court. Judge Sears presiding, on a charge of adultery.

Edward G. Gangestad, real estate man, filed a complaint with County Attorney Magney, charging adultery. A Walter Jewell is named.

The husband still walks with a cane as a result of an alleged attack made upon him by his wife with a pair of scissors. He swore out a warrant for her arrest several weeks ago, charging assault with intent to wound. He was in a hospital a month.

A divorce suit brought by Mr. Gangestad is pending.

The husband, Mrs. Gangestad and Jewell occupied seats within a few feet of each other when the trial was begun.

Deputy County Attorney Ramsay is prosecuting the case.

### Telephone Employees To Buy Liberty Bonds

Arrangements have been made whereby employees of the Nebraska Telephone company may subscribe for government bonds of the Liberty loan and pay for them on monthly installments, according to an announcement made by President C. E. Yost.

In addition to the \$5,000,000 of the bonds which the Bell telephone system has taken, it is expected that the employees of the various companies of the system will subscribe for an equally large amount under the plan of paying for the bonds on monthly installments.

The installment plan provides for the payment of \$4 each month for ten months and \$5 per month for two months on each \$50 bond for which the employee subscribes.

### ECZEMA FOR YEARS CUTICURA HEALS

On Head and Neck. Itched Terribly. Scratched and Became Sore Eruptions. Lost Rest at Night. Had to Have Hair Clipped.

"I suffered from eczema for a number of years and I tried many different remedies but with no effect. The trouble started with itching, then a rash broke out mostly on my head and on my neck. It itched terribly and caused so much scratching that it became sore eruptions and I lost a good deal of rest at night. I had to have my hair clipped tight to my head and the rest became very lifelike and dry."

"Then I read of Cuticura Soap and Ointment and was advised to try them so I sent for a free sample. I found the sample such a help that I got several cakes of Cuticura Soap and a box of the Ointment which I used until I was healed." (Signed) Miss Florence Clarke, Dodge Center, Minn., Oct. 7, 1916.

Cuticura Soap to cleanse and purify and Ointment to soothe and heal are not only wonderful healers but wonderful preventives of skin troubles.

For Free Sample—Each by Return Mail address post-card: "Cuticura, Dept. B, Boston." Sold everywhere.

Dr. Wu, who formerly was Chinese minister to the United States and was mentioned prominently for premier under the new administration. He is one of the most picturesque characters in China. He was born in Singapore in 1842.

### Leavitt Urges Sermons On the Conscriptive Draft

A united effort is to be made by the ministers of Omaha next Sunday toward impressing upon the young men of the city the patriotic character of the selective draft. Cards have been sent out by the Ministerial union to the ministers, urging them to make this the subject of their discourses Sunday.

"I am certain," said Rev. F. W. Leavitt, president of the union, "that the immediate duty of the pulpit next Sunday is to sound forth with such clearness and vigor the patriotic character of the selective conscription act that not one of those whom the utmost influence of the preacher can reach will be absent from the lists on the night of June 5." This duty will be still further urged at a meeting of the Omaha

Church federation at the First Baptist church this evening, where two main questions will be considered. First, What can the churches do of greatest value to the nation in its great trial? Second, What is the best thing our churches can do for the kingdom of God in the whole world?

"In answer to the second question," said Dr. Leavitt, "I think the greatest thing we could do would be to organize our forces to help the martyred Armenian people who are starving by the hundred thousand. Ten cents a day will save a life."

### Five Stitches to Mend Head Cut by a Kick

Ralph Walker, 17, 3322 Lake street, came to the aid of Harvey, his twin brother, who had become involved in a fight with Mack Cosgrove, 19, 2873 Binney street, Thursday night about 9 o'clock and received a kick in the head from Cosgrove.

Ralph states that he with some other boys was playing a game of "run, sheep, run," in the rear of the Kennedy school yard when Cosgrove and his crowd came over and began to make disparaging remarks. When Harvey took exception to them, Cosgrove started a fight. Ralph joined in and Cosgrove turned on him and after knocking him down kicked him. Cosgrove then ran and the fight ended. Walker is employed as an apprentice in the Omaha Printing company.

### STATE SCHOOLS TO FACE A HARD TASK

Male Teachers Enlisting So Fast the Schools Will All Be Feminized; Women Join Red Cross.

Feminization of the schools of Nebraska as a direct result of the war not only is probable, but now is certain, in the opinion of W. H. Clemmons, state superintendent of public instruction.

"Male teachers are enlisting for the war at such a rate that we now are faced with a shortage of male principals in every county in the state," said Superintendent Clemmons. "Add to this the fact that our women teachers are joining the Red Cross—and you will understand we're going to have trouble opening our schools in September."

Twelve male principals of high schools resigned in one day to enlist in the army and there were no applications for the positions they vacated. Application of the draft under the selective conscription law will practically wipe out the remaining male educators in the public schools, the superintendent believes.

**Ten Women to One Man.**

"It means our schools will be feminized," the superintendent said. "Even now there are ten women to one man teacher in Nebraska—in some county sections the women outnumber the men fifty to one. Next year there will be few, if any, men teaching. We always have tried to have male principals and superintendents, but it will not be possible next year. We will have trouble getting enough teachers, women or men, and we are beginning to realize how serious the situation will be."

"The men are needed to fight and the front is the place for them. We would not call them back if we could, but the schools of the state are facing a serious situation."

The superintendent said in a number of high schools and state normals certain courses had been curtailed or abandoned for lack of teachers. The high schools of the state have given 50 per cent of their

male students to the farm or the army; a number of schools have been depopulated of men.

### Northwestern Employees Urged to Invest in Bonds

The executive officers of the Northwestern have issued a circular urging the company employees to invest their surplus funds in Liberty

bonds. Employees who have not laid by money for investment are informed that if they desire to buy the bonds of any denomination the company will advance the cash and payment may be made in monthly installments.

A number of the Northwestern employees living in Omaha had invested in Liberty bonds prior to the issuance of the circular from the general offices.
