DES MOINES WALKS ALL OVER ROURKES

Coon Creekers Chase Currie From Mound and Easily Capture Fray by Lopsided Score.

Lefty Odoul yesterday wrecked a horrible vengeance on the Rourkees for their harsh treatment of Monday and with the able assistance of his fiendish mates walloped our Woodchoppers, 13 to 1. It is a sad tale, the story of the Des Moines conquest. For three innings Murphy Currie hurled a nice game for Omaha. In the fourth he blew and when the fifth got well under way Murphy was sailing around in the clouds many miles from the Rourke park diamond. The Boosters got over three runs in the fourth and five in the subsequent stanza. These two frames ended the career of Mr. Currie. He was yanked mercilessly from the pastime and Arnold Leuschen, former Creighton and Te Be Ce youngster, was sent to the firing line. Arnold weathered the storm until the ninth, when the big guns of the Coon Creekers bested him and five runs were pushed over the rubber. While Coffey's men were making all this noise the Rourkees were powerless before Mr. Odoul, the gent they chased from the mound in one brief stanza yesterday. They made five hits off Lefty during the entire contest, four of them in the first three innings.

Rourkees Make One.

The Rourkees marked up one tally in the third on a triple by Currie and Shag Thompson's single. Walks to Spencer and Coffey, followed by singles by Sweeney and Spahr, mixed up with a couple of steals, gave Des Moines three in the fourth. Cass opened the fifth with a double to right. Ewoldt sacrificed. Then Spencer, Hunter, Coffey and Sweeney made successive singles, which scored four runs and Coffey brought home a fifth tally on a passed ball. Hunter started the ninth with a hit. Hartford sacrificed, after which Coffey and Sweeney singled. Spahr was walked and Odoul hit by a pitched ball. Cass came through with another hit and after Ewoldt went down Spencer walked. This mess counted five for the visitors, three of the runs being forced in by the walks and the hit batsman. Omaha and Des Moines play again today, starting at 3:15.

University of Chicago Awards Fifty-One Letters

Chicago, June 5.—Fifty-one athletes were rewarded today for their prowess by the "C" of the University of Chicago. Ten of the men won the letter in two sports—Cahn, Curtis, Fisher, Gorgas, Brelco C. Clark, Graham, Higgins, Bent and Parker. Evidence that the so-called minor sports are occupying an increasingly prominent part in collegiate activities was shown in the award of thirteen letters for achievements in tennis, swimming, wrestling and gymnastics. The national championship gymnastic team won six "Cs." Pershing, a prominent member of the Maroon foot ball team, was one of those awarded the letter in that sport. He is a nephew of Major General John J. Pershing, who will command the first American expeditionary force in Europe.

Notes of the Fray

The game was slow, running over two hours. Mers or O'Toole will hurl for Omaha today, and the Rourkees expect to cop. Coffey made a one-handed catch of Smith's short fly in back of first in the sixth. In the fourth, fifth, sixth, seventh and eighth innings Odoul mowed down the Rourkees three in a row. Currie hit a triple in the third stanza and started the natives out of their seats. It is not expected he will ever duplicate the feat. Brother Dave has a lot of new and in back of home plate and around the pitcher's box and the diamond looks pretty good. Krug sent Brokaw into center late in the game to give Thompson a rest. Shag has a sore throat, which has bothered him all season. The Boosters stole seven bases on Brocken. Jack Coffey nabbed three. The fault wasn't all Tony's, however, slow work by the pitchers counting considerably. Phil Coffey played another nifty game at second yesterday. If he keeps up the gait, the little veteran will hold his own with any second sacker in the loop. Leuschen not only stopped the Des Moines swiftest in the fifth, but hurled nice balls until the ninth, when wildness roved his undignity. The kid may prove a good Class A hurler with a little more experience.

Why?

When you do not relish your food it is well to inquire the reason why. Your stomach may be debilitated, your liver torpid, your bowels constipated, or you may be eating too much. Many people eat more than they should, particularly those of middle age or older, and those of sedentary habits. If your lack of appetite or relish for your food arises from either of these causes, correct your habits and take a few doses of Chamberlain's Tablets. They will do you good, give you a better appetite and make you feel better.—Adv.

Western Loop to Meet Thursday; League Exchequer Said to Be Dry

The fate of the Western league will be decided Thursday. President Zehrung is to issue a call for a meeting of the club owners of the league on that day, for St. Joseph. Many problems confront the magnates and it is believed the session will prove one of the most important ever held in the history of the league. Some of the magnates, it is said, are willing to quit. Not a club in the circuit has made money or even broke even as a result of the bad weather this spring and summer. Pa Rourke of Omaha, it is said, has lost several thousand dollars already this year and some of the other moguls are in worse shape than he is. Rourke stands ready, even eager to continue the season. With a break in the bad weather, he believes attendance will be good, even better than in the past, and that
