

TEMPLE NEW HEAD NEBRASKA MASONS

Grand Lodge Adopts Two French Orphans and Votes to Purchase \$5,000 Worth of Liberty Bonds.

Two French orphans will be adopted by the grand lodge of Ancient Free and Accepted Masons of Nebraska. This was decided upon at the sixtieth annual convocation of the grand lodge held at the Masonic temple in Omaha.

FREDERICK L. TEMPLE.

An appropriation of \$5,000 was made for the purchase of Liberty bonds. By voluntary contributions a fund of \$270 was raised for the Omaha War Relief association. An appropriation of \$10,000 was made for the completion of the Children's home at Fremont and the improvement of the grounds. Officers elected were: Frederick L. Temple, Lexington, grand master; Ambrose C. Epperson, Clay Center, deputy grand master; John J. Cooley, Anselmo, grand senior warden; Joseph Fradenberg, Omaha, grand junior warden; Francis E. White, Omaha, grand secretary; George G. Ware, Kearney, grand chaplain; John R. Webster, Omaha, grand orator; Robert E. French, Kearney, grand custodian; Louis E. Smith, Long Pine, grand marshal; Edward M. Wellman, Omaha, grand senior deacon; Charles A. Chappel, Minden, grand junior deacon; Alexander E. Porter, Lincoln, grand tyler.

Jeffers Says U. P. Employees Enthusiastic Over the Bonds

W. M. Jeffers, general manager of the Union Pacific, has completed a tour over the line for the purpose of interesting employees to purchase Liberty bonds. At each division terminal a committee was appointed to boost the sale of the bonds. Mr. Jeffers and members of his party addressed meetings at North Platte, Cheyenne, Laramie, Denver and Junction City. "The employees everywhere greeted the proposition which the company has made for the purchase of Liberty loan bonds on the partial payment plan with enthusiasm," said Mr. Jeffers. "I confidently believe that we will make a splendid showing. The plan makes it possible for our employees to help in the great patriotic work which is now before all of us and also makes it possible to start a scheme of saving which is essential at this time."

Habeas Corpus Hearing Awaits Governor's Action

Hearing on a writ of habeas corpus made by attorneys for Margaret Holton, 23 years old, wanted as a witness at the trial of Paul O. Sommer, prominent St. Louis manufacturer, bank director and clubman, charged with embezzlement, will not be held until Governor Neville acts on the request of the governor of Missouri for requisition papers. Robert L. Agee, a Mound City detective, arrived in Omaha with a copy of the indictment against Miss Holton, charging "forgery in the third degree," and a request from Governor Gardner of Missouri to Governor Neville for requisition papers. Arthur Mullen, one of Miss Holton's attorneys, went to Lincoln Thursday morning. Governor Neville will be asked to set a date for the hearing before the request for requisition papers is granted or refused.

To Fly Flag at Court House Flag Day With Exercises

A huge flag, donated to the county by an Omaha business man, whose name will not be given out until the day of the exercises, will be raised in front of the court house flag day, June 14. Patriotic speeches are to be made and a salute of twenty-one guns fired as a part of the program. Judge Estelle will preside. Captain C. E. Adams will present the flag to the county on behalf of the donor. Spanish War Veterans' drum corps and Armour's Glee club will furnish music. The flag is 25x35 feet in size and is too large to fly on any of the flag-staffs atop the court house. A big pole will probably be erected on the court house lawn.

Hundred and Forty I. W. W. Refuse to Register

Washington, June 7.—Reports to the Department of Justice today said 140 members of the Industrial Workers of the World had been arrested at Rockford, Freeport and Belvidere, Ill., for refusal to obey the draft registration law. Other arrests announced by the department included nine negroes at Chicago, who have fled from Greenville, Miss., to escape draft, seven in St. Louis, one each at Scranton, Pa., and Bristol, Conn., and several at Gary, Ind. All were charged with willful refusal to register.

Gets Big Verdict Against Dietz and Ford Firms

George Casey, 6011 North Eighteenth street, formerly a driver for the Dietz Lumber company, was awarded a verdict for \$15,000 against the Dietz Lumber company and the Ford Motor Car company by a jury in federal court. Casey was injured when he struck the top of a doorway through which he was driving a load of lumber, taking it inside the Ford company's new plant at Sixteenth and Cumming streets last July. He alleged he had been unable to do any work since the accident. He sued for \$25,000.

Rabbi Romanoff Will Lecture Here Today

Rabbi Moses Romanoff of Baltimore, will conduct services Friday evening at 8 o'clock in Beth Hamedrosh synagogue, Nineteenth and Burt streets, under the joint auspices of the Modern Orthodox society and the synagogue organization, which have merged their interests. Rabbi Romanoff arrives in Omaha Friday morning.

Sour Stomach.

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat, and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.—Adv.

To Free Your Skin of Hair or Fuzz

(Boudoir Secrets)
No toilet table is complete without a small package of delatone, for with it hair or fuzz can be quickly banished from the skin. To remove hairs you merely mix into a paste enough of the powder and water to cover objectionable hairs. This should be left on the skin about 2 minutes, then rubbed off and the skin washed, when it will be found free from hair or blemish. Be sure you get genuine delatone.—Advertisement.

SCORES ENROLL IN SCHOOL OF CANNING

One Hundred and Fifty Omaha Women Already Entered in Addition to Many from Out of Town.

One hundred and fifty Omaha women have enrolled in the canning school, which opens at 8:45 Monday morning at the Central High school under the direction of the University of Nebraska extension service and the Board of Public Welfare.

Over half of the women registered pledged themselves to teach classes after they have completed the course. A large registration is expected from out of town. "We are depending on the courtesy of Omaha women to give up their places to out-of-town students in the event that there are so many that the classes are crowded," said Mrs. Paul Rivett, instructor of the school.

The school board has offered the use of the Central High school laboratories for an indefinite period so classes may continue another week if enough women register.

Demonstrate Fruit Drying.

What promises to become one of the most interesting features of the school is the demonstration in the afternoons of the new government method of drying fruits and vegetables.

"We hope to establish community centers in September where people can dry vegetables according to the method taught at the school," said Mrs. Rose Ohaus. Corn, beans and beets will be the principal vegetables dried, which process takes twenty-four hours.

Mornings will be devoted to the actual work of canning and lectures and demonstrations will be given in the afternoon.

A hand grist mill to be used in the home will also be demonstrated at the school.

Miss Margaret Long of Madison,

INSTRUCTOR AT OMAHA CANNING SCHOOL.

MRS. PAUL RIVETT.

Neb., and a graduate of the home economics department of the University of Nebraska, will be Mrs. Rivett's assistant during the course.

Police Relief Association To Buy \$20,000 Liberty Bonds

The Metropolitan Police Relief and Pension association of Omaha held its annual meeting Wednesday afternoon. The board of directors was instructed to invest \$20,000 of the funds of the association in Liberty bonds. A \$5,000 bond was purchased a short time ago.

The old board of directors was re-elected for another year. It is composed of Captain Dempsey, A. T. Sigwart, A. Pattullo, Charles Van Dusen, Mike McCarty, H. J. Neilsen and P. H. Dillon.

BOHEMIA REVOLTS AGAINST AUSTRIA

Omaha Pokrok Receives Cablegram from Dr. Ed. ward Bemis, now in Paris.

A special cablegram just received by the Omaha Pokrok through the Bohemian National alliance gives a message from Dr. Edward Bemis, secretary of the Bohemian-Slovak National council in Paris, dated June 6, which tells of the popular demonstrations throughout Bohemia against the Austrian government. The cablegram reads as follows:

"Revolutionary movement in Bohemia. Great riots in Prostějov, Moravian Ostrav, Budejovic. Fifteen thousand persons made demonstration in Prague before governor's palace."

Demand Union.

"Address of Czech club to Reichstag states: 'We demand union of all lands of Czech-Slovak people in one democratic state of which Slovaks must form a part.' Bohemians kept away ostentatiously from all loyalist manifestations during reading of speech from the throne. German parties demand prosecution of Czechs for that action."

"Socialist Deputy Soukup proclaims in 'pravo lidu' that socialist party will march with the nation till the end. Deputy Winter, in mass meeting in Prague, declares that socialist party is for Czech-Slovak independence. Deputies of national socialist party in salute in public proclamation of Russian revolution and the great American democracy in fight for rights of small nations."

Klofac in Jail.

"Deputy Klofac, elected president of all Czech clubs, has been placed in jail. All Bohemian journalists publish vehement protests against

Austria and for independence. As a result tremendous enthusiasm has been created in Bohemia. All care for audiences of Bohemian deputies with emperor ended in a fiasco for government.

"Premier Martinic beseeched in vain the Bohemian deputies not to make a declaration for independence before the Parliament."

Give Money to Buy Booze to Negroes, Who Fail to Return

W. J. McCormack and J. Edwards, rooming at 2514 N street, reported to South Side police that they gave two unknown colored men \$1.50 with which to purchase a pint of whiskey. The colored men did not return. Later Detectives Allen and Zalusdek arrested Douglas Scott and C. Williams, colored, 2006 N street. McCormack and Edwards failed to identify them in police court Thursday and they were released.

"Didn't you know it was against the law to try and purchase liquor?" Judge Fitzgerald asked McCormack and Edwards. "If you ever appear here in a similar complaint I'll have you both locked up."

Held for Tampering With Seals on U. P. Boxcars

Morris Lonergan and Leo Hill were arrested at Valley, Neb., on a charge of tampering with seals on Union Pacific box cars. They will have a hearing before the United States commissioner here Saturday. They have been in the hands of federal authorities before on similar charges.

C. E. Adams Hears From President Wilson

C. E. Adams has received a telegram advising him that the petition to the president to stop the circulation through the mails of a pamphlet, "Volunteer vs. Conscription," had been turned over to the attention of the postmaster general. The pamphlet has been in circulation here for some time. The message was from Secretary Tamm.

Sutton Seeks Early Trial For Alleged Ax Murderer

A. L. Sutton, attorney for Rev. L. G. J. Kelly, alleged Villisca ax murderer, will go to Red Oak Thursday to appear in court against a motion of Attorney General Hagner of Iowa to have the trial go over to the September term of court. Kelly wants an early trial.

Dr. Ferdinand King, New York Physician and Medical Author Says:

EVERY WOMAN EVERY MOTHER EVERY DAUGHTER NEEDS IRON AT TIMES

To put strength into her nerves and color into her cheeks.

There can be no beautiful, healthy rosy-cheeked women without iron.

The trouble in the past has been that when women needed iron they generally took ordinary metallic iron, which often corroded the stomach and did far more harm than good.

Today doctors prescribe organic iron—Nuxated Iron. This particular form of iron is easily assimilated, does not blacken nor injure the teeth nor upset the stomach. It will increase the strength and endurance of weak, nervous, irritable, careworn, haggard-looking women 100 per cent in two weeks' time in many instances.

I have used it in my own practice with most surprising results.—Ferdinand King, M. D.

NOTE: NUXATED IRON recommended above by Dr. Ferdinand King can be obtained from any good druggist with an absolute guarantee of success or money refunded. It is dispensed in this city by Sherman & McConnell Drug Stores and all good druggists.

Super-Sixes Prove Endurance In Cincinnati Races

First Place in the Free-for-all—Second, Seventh and Ninth Places in the 250-mile Sweepstakes made by Hudson Super-Six Specials

250 Miles—Average Speed 101 Miles Per Hour

Unlike other cars entered in the Memorial Day Races at Cincinnati, the Hudson Super-Six Specials were not designed as racing cars. They are the regular stock Super-Six Cars with changes that increased their speed and made them more suitable for racing, but that have not altered their design.

All that was done to these cars could be done at nominal cost to anyone of the 36,000 Hudson Super-Six Cars now in use.

Not Built to Win—Built to Endure.

There were many cars entered that were admittedly faster than the Hudson. But the speed a car shows for a few laps is not always an indication of what may be expected in a 250 Mile grind.

Hudsons are matched against the specially designed racing cars that they may prove their endurance. Whatever position they finish in is due to their ability to maintain a high speed without mechanical break down.

The Super-Six motors are 3 1/2 by 5 inches in size, exactly the same size as the motors used in all Hudson Super-Six stock cars. Most of the racing cars in the sweepstakes event have larger motors than the Super-Sixes

and the cars weigh from 500 to 700 pounds less than the Hudsons. Most of the cars entered bear names that are not known in the field of pleasure cars. They are built solely for the purpose of racing. Hudson racing cars are built to show Hudson engineers how to build better Hudsons.

What May Be Expected of Stock Super-Sixes.

All tests made by Hudson Super-Six Cars indicate what may be expected of any Hudson Super-Six Stock Car.

Hudsons made their fine showings at Cincinnati by staying in the race when other and faster cars were compelled to drop out.

That is what you want of an automobile. You want a car that will not break down under stress of any service you will ever impose.

Of course you are not buying a racing car. You will never want to drive 250 Miles at a speed of 101 Miles an hour. You won't ever want to cross the continent in record time and then turn around and make the round trip in 10 days, 21 hours. That is what a 7 Passenger Hudson Super-Six did. And you

don't want to drive 1,819 miles in 24 hours as a stock Hudson Super-Six Chassis did when it broke the 24 hour record by 52%.

But you want a car that will keep going as long as you will ever want it to go. What the Hudson Super-Six has proved in endurance in speed trials and what was proved in the Cincinnati races by the Specials, far excel in severity any test that anyone is ever likely to make.

Any car will run well for a time on city boulevards. Any car will show good speed for a time. But what the car will do under rough usage and what it will do in a grind equalling that of the speedway are indications of what it will do in years of service.

You would have been firmly convinced of Hudson endurance had you seen the Super-Sixes at Cincinnati.

Don't think the Super-Six is a racing car. But racing cars must stand up under the hardest service. We are merely proving that the Hudson Super-Six is an enduring Car. That it will meet every service task without disappointment or expense is what these tests prove.

You can get a Hudson Super-Six in seven different body types:

- Phaeton—7 Passenger \$1850
- Cabriolet—3 Passenger \$1950
- Speedster—4 Passenger 1750
- Touring Sedan 2175
