

Nebraska GEN. HALL GIVES OMAHA BIG BOOST

Says Interest in Recruiting Here Far Exceeds That Shown By Lincoln Business Men.

(From a Staff Correspondent.)
Lincoln, June 11.—(Special Telegram.)—Omaha got a big boost from Adjutant General Hall today and Lincoln a corresponding knock when that officer made comparisons of the backing recruiting is receiving from Omaha business men while those of the capital city appear to be taking little interest in the matter.
"Fifty business men are out getting recruits for the new Sixth regiment in the hope to secure four companies for Omaha," said General Hall. "Stores are helping, the hotels are donating rooms for recruiting and Gould Dietz, George Brandeis and other prominent Omaha men have pledged me that the battalion will be raised."
In comparison to the Omaha activities, the general pointed with some heat to the apathy which surrounds recruiting in Lincoln. Very few of the recruits received here are from Lincoln. Of the total of seventy-eight recruits received for the field hospital and Company "C" of the Fifth regiment, only twenty-three are from Lincoln.

Lloyd George Outlines Plan of Irish Convention

London, June 11.—John Redmond, the nationalist leader, will be invited to nominate five members of the Irish convention, Premier Lloyd George announced in the House of Commons today. Sir John Lonsdale will be invited also to nominate five members, the premier added, and William O'Brien two members. There would be ten Irish representative peers, five members of the Irish nationalist alliance, five Sinn Feiners and fifteen members nominated by the government.

The premier said the government would prefer that the convention nominate its own chairman, but it was prepared to nominate a chairman and submit his name to the king.
The premier said the government had invited each county council and each borough council to send its chairman as a delegate to the Irish convention. The urban councils had been invited to send two representatives. The churches, he said, would be represented by four Catholic bishops, by the primate and archbishop of Dublin, representing the Protestant religion, and by Dr. John Irwin, moderator of the Presbyterian assembly.

Inate Woman Hits Witness On Head With Inkwell

Grand Island, Neb., June 11.—(Special Telegram.)—With the imprecation "you're a liar," Mrs. Ethel Linnenkohl, dashed up to the witness stand in the district court this morning, grabbed two inkwells in quick succession and hurled them at Dr. Miliken, who is suing Mrs. Miliken, mother of Mrs. Linnenkohl, for divorce.
Dr. Miliken had just testified to the alleged questionable character of Mrs. Linnenkohl. The second inkwell, a heavy one, cut a scalp wound in the doctor's head. Judge Hanna immediately ordered the irate woman arrested.
The court room furniture was badly bespattered with ink. Judge Hanna, the attorneys and Court Reporter Abbott escaped.

Clemmons to Make Many Addresses Over Nebraska

(From a Staff Correspondent.)
Lincoln, June 11.—(Special.)—State Superintendent W. H. Clemmons is busy at this time of the year filling dates for commencement addresses. He had several last week and this week will begin the work with an address before the graduating class of the Aurora High school at 2 o'clock Tuesday.

Soldier Sent to Jail for Violating Liquor Law

Crawford, Neb., June 11.—(Special.)—Ernest Estowe, a soldier stationed at Fort Robinson was arrested for unlawfully having intoxicating liquor in his possession. In a handbag he had there was five quarts, four pints and two half pints. He was tried and convicted in Judge Gooch's court and was fined \$100 and costs. In default of payment he was taken to the county jail at Chadron.

Ruth Law Flies from Hutchinson to Wichita

Wichita, Kan., June 11.—Ruth Law, the aviator, who is flying over the middle west to stimulate the sale of Liberty loan bonds, arrived here from Hutchinson, Kan., at 7:45 o'clock this morning, having made the forty-eight miles against a strong wind in one hour and ten minutes. She hopes to reach Bartlesville, Okl., before night.

To Realize Highest Ambitions; Will Wed Sybil Chase and Sail the Seas

Two of Thomas M. Wangberg's boyhood dreams are about to be realized. One of them was to marry pretty Sybil Chase, which he is going to do Tuesday, and the other is to go to sea. Having joined the navy, young Wangberg, who is already working for Uncle Sam as a post-office clerk, expects to be called to service within ten days or a month at least.

"Ever since I was a little boy my dearest wish was to sail the seas. After I met Sybil I wanted to marry her. She isn't overly anxious for me to go to sea, but she wants me to do 'my bit'."
Young Wangberg and Miss Chase, who is the daughter of Mr. and Mrs. W. W. Chase, will be married this evening at Covenant Presbyterian church by Rev. Charles H. Fleming, Miss Nina Howland and Mr. Leo Gardner will attend the young couple. The ceremony will be witnessed only by the immediate families. After the wedding, the pair will visit the bride's sister in Iowa.
The bridegroom is the son of Mr. and Mrs. J. R. Wangberg.

SYBIL CHASE

Chadron Fears Red Cross Worker From Omaha Lacks Authority

Fearing a possible swindle, Chadron Red Cross authorities have asked United States District Attorney T. S. Allen to investigate alleged Red Cross solicitations at Chadron made by a woman who gave her name as "Mrs. M. E. Dove" of Omaha.

Last Wednesday "Mrs. Dove" approached Mayor Donahue and requested his permission to collect funds for the Red Cross. The mayor referred her to County Attorney Crites after telling her to "hop to it" as far as he was concerned.
Crites told her to obtain the permission of the Dawes County Red Cross. This she failed to do, but started a house-to-house canvass among the business men and institutions and informed the newspapers that Saturday would be "Red Cross day" when she and a number of young women would

solicit subscriptions from "5 cents to the sky." Each donor, she told the newspapers, would receive a button. One group of young men reported they each gave her \$1.
Dawes County Red Cross officers, upon hearing of her activities, demanded to know what authority she had and it is alleged she admitted she had none, but would telegraph to Omaha for it.
She was asked for the money she had collected, but refused to turn it over, saying she had a telegram from F. W. Judson of Omaha, head of the Nebraska Red Cross, telling her to hold it and await further orders.
A threat of arrest was made if she continued her campaign and she consented to suspend activities until receipt of orders from Omaha.

The Chadron Red Cross, however, looks upon her with suspicion and has asked United States Attorney Allen to take charge of the situation.

Notes from Beatrice And Gage County

Beatrice, Neb., June 11.—(Special.)—Henry Bartels and Mrs. Anna Stevens, two old residents of Beatrice, were married here Saturday by County Judge O'Keefe. Mr. Bartels is engaged in the shoe business here.
More than 100 head of horses have been entered in the circuit races to be held at the driving park on June 26, 27 and 28. It is said to be the best string of steeds ever entered at the park.
Carl Andersen of Wymore, a native of Sweden, and A. Bossart of Beatrice were granted their final naturalization papers here Saturday by Judge L. M. Pemberton and J. M. Garnett of the United States Bureau of Naturalization.

Begin Taking Testimony In Hall's Suit Against Ure

(From a Staff Correspondent.)
Lincoln, June 11.—(Special Telegram.)—Taking of testimony began today in the suit of the state against former County Treasurer W. G. Ure of Douglas county before John M. Stewart as referee. State Treasurer Hall testified that he could not get Mr. Ure to remit monthly, according to law, while Ure contends that he could not get the kind of receipts he wanted signed by the state treasurer.

Hardenbrook at Head Of Valley Defense Council

Arcadia, Neb., June 11.—(Special.)—R. L. Metcalfe of Omaha delivered a patriotic address before 2,000 people at this place last Saturday.
A detachment of the Ord company of the Nebraska National Guard was present in uniform. While this company is practically filled, room has been made for several recruits.
The volunteer firemen had solicited funds and erected a flag pole in the center of the city and the event was made a flag raising and dedicatory ceremony.
An adjourned meeting of the Valley County Council of Defense was held and the organization completed with Bert M. Hardenbrook of Arcadia as chairman; E. P. Clements of Ord as vice chairman; P. C. Perryman of Ord, secretary; W. G. Rood of North Loup, treasurer.
It was the sense of this meeting to leave nothing undone in order properly to place the entire resources of Valley county behind the state and federal government. Plans were affected to hold patriotic meetings in every part of the county.

BELL-ANS Absolutely Removes Indigestion. One package proves it. 25c at all druggists.

A Word to Men Who Spend \$45 to \$85 for Clothes

DON'T let the fact that our prices seem low keep you from investigating the entirely new standard of excellence that is available in ready-for-service clothes at this greater store today.

The notable group of Rochester, N. Y., clothes makers represented in our showing enables us to provide, not only the finest tailoring possible, but we've a vast range of models enabling us to fit men of every proportion.

We Direct Special Attention to
Wonderful Displays of
Spring and Summer Suits
\$20, \$25, \$30, \$35, \$40
We expect you to be super-critical in your comparison and invite the most searching study of these masterful creations. There's far more than a money-saving in these clothes. None are better made.

NOTE—Intelligent, courteous salesmen—men schooled in the art of serving particular patrons—men of thorough experience are at your service at this greater store.

RIDGELL WOULD STOP SALE OF FIREWORKS

State Fire Commissioner Ad- vises City Councils to Pass Ordinances Abolish Needless Practice.

That the indiscriminate sale of fireworks be prohibited by law is the plea made by W. S. Ridgell, chief deputy fire commissioner of Nebraska, in a bulletin issued on the precautions to be taken to eliminate, or at least minimize, the dangers attending the use of fireworks in Fourth of July celebrations.

The fire commissioner deprecates the use of fireworks and advises city councils to prohibit by ordinance what he calls "the extravagant unnecessary, needless practice."

That the indiscriminate sale of fireworks will be abolished by a state law next year Mr. Ridgell prophesies.

Omaha Takes Steps.

Omaha already has taken steps to curtail the use of fireworks in observing Independence day. No fireworks at all will be used in the big celebration at Fontenelle park and other community gatherings which make much of their July 4 celebrations have agreed to suspend their fireworks displays.

In his bulletin the fire commissioner warns as follows:
"Every Fourth of July disastrous fires occur on account of carelessly handled or stored fireworks. All fireworks are highly combustible. They are dangerous to life as well as property. Children should not be allowed to handle the highly explosive kind; in fact, children should not be allowed to handle fireworks at all. The fact that they must use matches and fire to set them off is sufficient reason to keep fireworks away from them. The amount of property destroyed by 'children and matches' each year is enormous."
"All dealers selling fireworks must keep same under a glass cover and no broken packages should be left

uncovered around a store. We would request all mayors, fire chiefs and special deputies in all towns throughout the state to see that this order is enforced. All fireworks when taken from original packages must be placed under a glass cover such as showcases, etc. When the original package is broken it should be taken outside the store at once and placed under a showcase on a stand or table and the fireworks sold from this stand outside the store on the sidewalk or some other convenient place. In case of fire the flames could be more easily extinguished and the fire confined to the showcase. Don't sell any fireworks from counters inside of stores.

Safe and Sane Way.

"The sensible and safe way of celebrating the Fourth of July would be by patriotic speeches, music and parades and fireworks are not necessary for even the most enthusiastic patriotic celebrations. If citizens feel, however, that fireworks must be a part of a patriotic demonstration the safe way to display them would be for the city to buy a quantity and then hire some experienced person to arrange the display in a public park where citizens can view them without endangering life or property as they do when each citizen takes it upon himself to buy his own fireworks and lets each member of his family participate in setting them off.

To Prohibit Next Year.

"It is our intention to prohibit the indiscriminate sale of fireworks next year, except for exhibition purposes, and the cities and towns in the state will govern themselves accordingly.

"We would advise the city councils in the different cities to pass ordinances prohibiting the use of fireworks in their respective towns. This is the only effective way to abolish the extravagant unnecessary, needless practice."
"In ten years 17,399 people were killed, 38,069 wounded, making a total of 55,468 accidents due entirely to the use of fireworks. Think of it, in ten years a total of 39,808 people—the equivalent of nearly forty regiments—were killed or injured in Fourth of July celebrations."
"It would surely seem these statistics alone would be sufficient to make people stop and reflect before they spent money for this useless, senseless, extravagant pastime."

MERCURY SOARS TO THE CENTURY MARK

Highest Mark in Omaha is Eighty-Four, but Culbert- son Folks Have Hun- dred in Shade.

Nebraska had its first 100-degree temperature of the year Sunday. The official thermometer at Culbertson touched that figure.

High temperatures ruled all over the state and it was great "growing weather" for the corn and other things after their plentiful drenchings with rain.
Many places in the state had temperatures above 90. North Platte had 94, Valentine 92, Broken Bow 91, Hastings and Fairbury 90.

Omaha's highest temperature occurred at 4 p. m. Sunday when the thermometer reached 84.
Conditions all over the corn and wheat belt are favorable. A hot wave prevails over the southwestern part of the belt.

HOW TO GET RID OF CORNS

A Simple, Safe and Reliable Way. No Pain or Soreness.

Thanks to a new discovery made from a Japanese product, women will soon be wearing smaller and prettier shoes than ever. Corns are a thing of the past. A new preparation called Ice-Mint is said to make any corn or callous shrivel right up and lift off easily. Hard corns, soft corns or corns between the toes can soon be lifted right out, root and all. Ice-Mint is wonderful. No pain and not a bit of soreness while applying it or afterwards. People are warned to stop cutting and trimming their corns and avoid the risk of blood poisoning. Simply get a small jar of Ice-Mint from your druggist and from the very second that it touches that sore, tender corn your poor, tired, aching feeting will feel so cool, easy and comfortable that you will just sigh with relief. Think of it; just a little touch of that cooling, soothing Ice-Mint and real foot-jogging is yours. It's the real Japanese secret of fine, healthy little feet, and is highly appreciated by women who wear high heel shoes and men who have to stand on their feet all day.—Adv.

WOMEN! MOTHERS! DAUGHTERS!

You who tire easily; are pale, haggard and worn; nervous or irritable; who are subject to fits of melancholy or the "blues"; get your blood examined for iron deficiency.

WOMEN! MOTHERS! DAUGHTERS!

WOMEN! NUXATED IRON restores blood and increases energy. It is a sure and safe way to get the iron you need. It is a sure and safe way to get the iron you need. It is a sure and safe way to get the iron you need.

You simply cannot do without a Dress Form if you contemplate Home Sewing.

"Kenoworth" Gymnasium Bloomers For "Camp Fire" Girls

WE RECOMMEND these Bloomers to all girls who are fond of "hiking" and who take regular gymnastic exercise. They are made with the "Governor Fastener." The waists are self-fitting, and yield readily to the action of the muscles when the wearer is exercising.

At the bottom of the leg is a self-fitting device, much superior to the old style elastic, does not stop the circulation of the blood, yet holds this part securely.

Used by the largest organization in the United States, and the "Camp Fire" Girls of this vicinity.

The prices range from \$1.25 to \$3.50, and here in all sizes.

Sold in the Specialty Shop for Children—Second Floor.
