"Peeping George" Fined—"Peeping George" Woods, 1205 Douglas street, was fined \$5. and costs on a vagrancy charge in police court. George is said to have the habit of going into the residence districts and peeping into the windows.

Drinks Raw Alcohol—George Bar-nett, 267 William street, was fined \$100 and costs for illegally having in-toxicating liquor in his possession. He says the half pint of alcohol found in his possession when arrested was to be used for a mouth wash. Arrest-ing officers say that his condition indi-cated that he washed farther than his mouth.

BELGIUM TO RESUME PLACE, SAYS WILSON

Belgian Mission Received at Washington and President Promises Restora-

tion.

Washington, June 19 .- In greeting Belgium's war mission Monday President Wilson expressed America's solemn determination that on the inevitable day of victory, Belgium shall be restored to the place she has so richly won among the self-respecting and respected nations of the earth.

The commissioners passed the first day in Washington paying official calls. Secretary Lansing accompanied them to the White House where Baron Moncheur, head of the mission, handed to President Wilson a personal letter from King Albert and expressed in a short address Belgium's gratitude for America's aid.

"Since the first days of the greatest tragedy which has ever befallen hu-manity," said the haron, "Belgium has contracted an immense debt of gratitude to the generous American na-tion. The initiative of American citi-zens gave to the unfortunate victims of German cruelty in Beligum the most splendid evidences of generos-

"But the chivalrous sentiments which animate the people of the United States went farther than this United States went farther than this when President Wilson giving an admirable example of disinterested power, uttered the words well fitted to make up fremble with hope and to cause us to fix our eyes confidently upon the starry banner which has become more than ever the symbol of strength placed at the service of the highest and most rune principles.

extremity?

"Your excellency is good enough to express the thanks of the Belgian people for the participation of America in feeding the people of your stricken country. This work is one which has brought as much of benefit to them as the things of the process."

extremity?

"I am to busy—how disgusting!

Too busy doing what? Is making a few dollars of more importance than a saving the life of your son or your neighbor's son, who in a few mouths of the importance of the process."

To Tell of Necessary Work. Instead of making typical after-inner speeches of fun and frolic, hese men will go before the editors with solid facts concerning what work is to be done to raise the big

work is to be done to raise the big fund necessary to carry on the great work of mercy in this war through the Red Cross organization.

Nearly 200 Boy Scouts met at the Commercial club with Scout Executive English and various scout masters to talk over plans for Boy Scout activities in the Red Cross campaign. Now that the scouts raised considerably over \$100,000 for the Liberty loan, they feel they can do big things for the Red Cross, and they will have a part in taking subscriptions. Mayor Dahlman, Ward Burgess and John Cogan spoke to the boys on the work.

Wattles Asks All to Help.

The duty of every man in assisting the Red Cross work and the awful results that are certain to follow "slacking" were emphasized by G. W. Wattles, chairman of the finance committee, at a meeting at the South Omake. Line State Personnel. Omaha Live Stock exchange yester-

day:
Mr. Wattles said in part:
"We call the young man, who fails "We call the young man, who taus to volunteer or register for service at the call of his country, a 'slacker.' Be it said to his credit that less than I per cent of the young men of the nation have failed to perform their duty in this regard. The small number who have failed are now being arrested and treated as criminals. "A name has not yet been coined to

"A name has not yet been coined to adequately describe the citizen be-yond military age, who fails at this critical time to perform his full duty. Slacker is too mild a term-traitor is probably a little too severe, although by failing to give the necessary fi-nancial support to furnish Red Cross nurses, ambulances and hospitals for the young American soldiers, who will lie bleeding and dying on foreign bat-tlefields within a few months, will furnish the enemy with aid and comfort and this is defined by the laws of the

nation as treason.
"It is difficult for me to refrain to make up tremble with hope and to cause us to fix our eyes confidently upon the starry banner which has become more than ever the symbol of strength placed at the service of the highest and most pure principles.

"Leaning upon the young, strong and generous hand which the American people holds out to her, Belgium will arise and, throwing aside the odious weight of foreign occupation will, courageously and proudly, resume the path of progress in the light of the sun of liberty."

President Wilson, thanking Baron Moncheur and through him King Albert, said in reply:

"Year and I am glad to say only a few, of the business men of Omaha have got to assist in this great movement. A few, and I am glad to say only a few, of the business men of Omaha have got to me during the last week of preparation, 'I am sorry, I would like to help in the campaign for funds, but I am too busy.'

"What would you think of the man who gave this excuse as the reason."

All is difficult for me to refrain from expressing the contempt I feel from the sasts in this great movement. A few, and I am glad to say only a few, of the business men of Omaha have gain to be out on the few, and I am glad to say only a few, of the business men of Omaha have gain to the business men of Omaha have gain to the out on the few, and I am glad to say only a few, of the business men of Oma
