

Nebraska SIXTH NEBRASKA SOON TO THE FRONT

State Officials Make Effort to Send Entire Brigade to Front at an Early Date.

(From a Staff Correspondent.)
Lincoln, June 21.—(Special.)—Orders were received today that the new Sixth regiment would be mustered into the federal service immediately and equipped for foreign invasion.

The men must line up within a very short time and with the end in view of hustling matters Governor Neville, through Adjutant General Hall, issued the following message which was sent out to all towns where efforts are being made to enlist men for the new regiment:

"Information received from War Department that Sixth regiment will be recognized providing it is ready for musketry in the very near future, possibly five days. Were this date if you can raise 100 to 150 men between the ages of 18 and 45, physically sound as far as you can determine, and officers will be immediately ordered to inspect and muster in your organization this week. If you cannot raise 100 men, wire approximate number you can have ready. This regiment, if organized in time, will be drafted for foreign service with the Fifth and Sixth Nebraska infantry, July 15. Expedite, no time to lose."

Forty Towns Compete.

Over forty towns have put in application to raise a company of Guards. Probably some of these will not be able to get a full company, but it is hoped that more than enough men will be found in all of them to fill the quota required for the three regiments and thus a brigade can be formed.

It will be not only a great thing for the state to have a full brigade from Nebraska, but it will mean more to the men to form a brigade for foreign service. Home folks can then follow the fortunes of the Nebraska brigade through all its activities, but if not enough men enlist to form a brigade the two regiments will be put in some other brigade perhaps and thus lose much of their identity.

All Work Together.

"It can be done easily," said General Hall this morning, "if the people of Nebraska will only realize what it means to have the Nebraska boys all together. I want to see everybody get busy and push for a brigade. The order issued today should put every man on his toes and make him realize that if Nebraska is to have a part in the coming crisis, a part that will count for better service of every individual enlisting from the state, and a better record for the boys as a whole, a strong all-together pull right now will produce the much-desired result."

Herman Hoferer Fatally Hurt When Car Turns Over

Primrose, Neb., June 21.—(Special.)—Herman Hoferer, aged 19, died last night from injuries sustained in an auto accident Monday night.

He was on his way to town from the home of his sister, Mrs. W. H. Dobson, two miles southeast of town, in his roadster when something went wrong with the lights. He reached to adjust them and lost control of the car, which skidded and threw him out.

He was the son of William Hoferer, a well-known resident of Creighton. The body was taken to Creighton for interment.

Chadron Man in Washington.

Washington, June 21.—(Special Telegram.)—E. J. Ben Lowenthal of Chadron and his wife are in Washington and called upon Congressman Kinkaid yesterday.

Red Cross Drive on in All Sections of the State

Alliance and Box Butte county have entered the campaign to obtain funds for the Red Cross war fund with a zeal and a spirit never before expressed in the community.

The committee in charge of this work under the chairmanship of Frank Was has undertaken the most titanic advertising propaganda possible. Red Cross steamers are floating from every car. Pennants are strung across the street. The ornamental lights are all painted with Red Cross signs and the city seems to be turned entirely over to that organization until the required amount is obtained.

The results so far indicate that Alliance will obtain its full quota for the Red Cross.

Edgar, Neb., June 21.—(Special.)—A unit of the Red Cross society was organized here last night. Forty-six persons gathered at the opera house and agreed to take hold of the work.

Swagger Panama HATS for WOMEN \$4.00 PEASE BLACK CO. 1417 Farnam St.

The following were elected officers: President, Rev. V. C. Wright, vice president, Dr. G. R. Woods; secretary, Miss Bertha Osby; treasurer, C. A. Voorhees.

Cedar Rapids, Neb., June 21.—(Special.)—Cedar Rapids has organized an auxiliary Red Cross with C. H. Wilson, president; E. L. Sargent, secretary, and H. L. Robinson, treasurer.

On Tuesday a canvass of the surrounding country was made by eleven automobile loads of young women and young men, with the result of securing 418 members and \$600, and finished the day with a box social at the city hall, adding \$75 more.

Kearney, Neb., June 21.—(Special.)—In one afternoon a number of special committees of the Commercial club raised \$5,000 towards the \$10,000 Red Cross fund which Kearney is asked to contribute as its share of the big \$100,000,000 national fund.

Broken Bow, Neb., June 21.—(Special Telegram.)—The Custer County Red Cross chapter held a session here and raised \$1,225. A canvassing committee was appointed and \$2,500 is expected by tonight.

Grand Island, Neb., June 21.—(Special.)—The committee for the Red Cross campaign fund is meeting with excellent success, particularly in the surrounding country and smaller towns. Cairo was already oversubscribed on Wednesday morning by \$200 and reports that its oversubscriptions will be \$500.

At a mass meeting held in the opera house here last night over \$800 was raised in about five minutes for the Red Cross. W. A. Robertson and J. P. Falter of "littlesmouth" were among the speakers. The committee in charge expects to raise about \$15,000 in Cass county this week.

Silver Creek, Neb., June 21.—(Special Telegram.)—Harry B. Fleaharty, of Omaha, made a stirring address on loyalty and what a citizen's duty should be in the world wide war and helped organize a Red Cross branch here with fifty members. Total attendance, 500.

Past Week Favorable for Vegetation and Farm Work

Lincoln, Neb., June 21.—Summary of weather and crop conditions in Nebraska for week ending June 19, 1917. Says: The last week was favorable for all vegetation and farm work progressed without interruption. The temperature averaged about 5 degrees below normal.

Showers occurred on Tuesday and Friday, but the rainfall was light, the total for the week being generally less than a quarter inch. In some eastern counties the total was slightly more than a half inch, while some central stations report no rain during the week. Rain is now needed in some sections.

The condition of corn has improved somewhat. Cultivation progressed nicely in the greater portion of the state and fields are free of weeds. In some western counties early corn is yellow, but the late planted has good color. Cut worms did a little damage in the northwest, necessitating replanting.

"The first crop of alfalfa was cut quite generally and is in fair condition. Wheat, oats, rye and barley are doing well. Potatoes continue in good condition, although there are a few reports of blight in some southeastern counties. Pastures and garden truck are good.

Wife Beater at Broken Bow is Sent to Jail

Broken Bow, Neb., June 21.—(Special Telegram.)—Francis Crumb, a farmer living in the southwest part of the county, was arrested by Sheriff Wilson on charge of beating his wife and stepdaughter. He is alleged to have used a hammer and milk stool on his wife and a tug strap on the 12-year-old girl. Crub pleaded guilty to wife before Judge Ford and was sentenced to three months in jail, the limit. The court remarked that he was only sorry the sentence could not be six years.

Let the Talking Machine Dealer Tell You Why His Particular Talk- ing Machine Is the Best--

Then Ask Him These Questions
1. Has your talking machine ever been compared in public with the voices of artists who make records for it?
2. If so, where? Who were the artists? How many people heard the comparison, and in what newspapers can I find a report of it?

Then Come to Us and Ask Us the Same Questions About

THE New Edison "The Phonograph with a Soul." These Will Be Our Answers:

1. Yes, more than 500 times.
2. In most of the principal cities of the U. S., including Omaha. More than thirty different artists have appeared in these comparisons, including Rappold, Goss, Miller, Middleton and Chalmers; 500,000 people have heard our tests and the music critics of 500 newspapers have admitted in the columns of their papers that the New Edison actually Re-Creates the human voice so perfectly that the Re-Creation cannot be distinguished from the original when both are heard in direct comparison. Visit our store, we want you to hear the greatest musical instrument in the world.

NEBRASKA CEMENT PLANT GOBBLED UP

Eastern Concern, Said to Be Part of Trust, Acquires Su- perior Company from Bondholders.

The cement plant which has operated at Superior for some years has been sold to an eastern cement concern. Some time ago holders of the bonds of the Superior firm bought the plant at a receiver's sale. The plant is in Nebraska, but the quarries are largely in Kansas. This made it necessary for the action to be handled through separate courts in the respective states. The bondholders bought the Kansas property eight months ago. They then reorganized and operated for a time, and now comes the report that they have sold to a large eastern concern, which, it is said, virtually throws this promising little Nebraska plant into the hands of the big cement trust.

The acquisition of this western plant by the big eastern concern is looked upon by big users of cement as only one more step toward the complete control of the cement business of America by the trust. Cement users say cement already is ridiculously high, and that the buying up of small plants is a part of the plan of the big concern to get complete control and squeeze out still heavier prices.

Buy Kansas Plant.

Only last March the Lehigh Cement company of Pennsylvania bought the plant at Iola, Kan., and is now operating it to serve some of the adjacent territory and some of the western demand.

Fear is expressed among some of the western cement men that these small plants as they are taken over by the bigger ones will be dismantled, and that the quarries will be allowed to lie idle while the price is put up on the output of the eastern mills.

Aged Laurel Man Hurt In an Unusual Accident

Laurel, Neb., June 21.—(Special.)—Chris Weseloh, a farmer four miles from Laurel, met with an accident yesterday afternoon that may cost him his life. He led a team in from the field after dinner and was watering them. Being weary, he sat upon the pipe that conducts the water to the trough. In some way the horses managed to get a halter strap under the pipe and in jerking their heads dislodged it, throwing Mr. Weseloh, who is 70 years old, several feet into the air. The fall broke his right hip. Mrs. Weseloh is in the house resting and did not hear his calls for help. After lying there about an hour he managed to crawl to the house. He was taken to a Sioux City hospital.

News Notes of Lindsay.

Lindsay, Neb., June 21.—(Special.)—At a special election held today the proposition of bonding the village for \$9,000 carried.

Earl Westbrook and Miss Edith Johnson went to Columbus, where they were married Monday.

The eighth grade graduates received their diplomas at the Holy Family school hall. They were eight in number. The pupils gave their play, "The Two Orphans."

New Style of Trunk Swindle is Attempted

Grand Island, Neb., June 21.—(Special.)—Gus Niarhos, a Greek, formerly of Wood River, Neb., but now of this city, has been arrested on a charge of attempt to swindle the Union Pacific railroad.

Niarhos checked a valise at Fairbury a week ago. In some clever manner he regained possession of the valise without surrendering the check, according to the officers. A few days later at this end of the line he called for a trunk to correspond with the check. The baggage man was unable to find it.

After some delay, Niarhos put in a claim for \$200 damages for the trunk. The police discovered that Niarhos was registered at the Bonquette hotel, but was not occupying rooms there. His room in another block was located and searched in his absence. His trunk was found in the room empty.

When confronted with the details of his deception he is said to have confessed. The police found \$8,000 in cash on his person when he was taken into custody. Niarhos maintains a new boot shining parlor in this city.

M. Ketsman, 2423 north Twenty-seventh street, and Louis Adams, 4411 South Twenty-sixth street, junk dealers are held charged with receiving stolen property.
