have been print it—New Beacon Press. Metal dies, presswork, Jubilee Mfg. Co. Elec. Fans, \$1.50—Burgess-Nash. Platinum Wedding Rings—Edholm. Try the noonday 35-cent luncheon at the Empress Garden, amidst pleasant surroundings, music and entertainment—Advertisement.

Admitted to Court—John C. Sprecher of Schuyler was admitted to practice in the federal court.

Sues for Divorce—Bessie Wise is suing William E. Wise for divorce in district court. She alleges cruelty.

Grants Two Decrees—Judge Day, sitting in divorce court, freed Hannah Carlson from Charles Carlson and granted a decree to Ida M. High from David G. High.

To Talk Conservation—R. C. Howe, general manager for Armour & Co., will speak Sunday morning at 11 o'clock at All Saints' church on "Conservation—Truth and False."

Two Seek Freedom—Desertion is alleged by George L. Hall, suing Emma Hall for divorce in district court. Mamie Lighton asks a divorce from Henry Lighton on grounds of alleged cruelty.

Kountze Memorial Picnic—The Kountze Memorial church Sunday school held its annual picnic yesterday at Miller park, about 300 Sunday school children and class leaders attending.

Two Allege Nonsupport—Alleged nonsupport is the basis of two divorce suits brought in district court. Enda Johnston would be freed from Warren Johnston and Marie Zvaneek seeks a divorce from Henry Zvaneek.

C. E. Union Picnic Postponed—The annual picnic of the Omaha Christian Endeavor union, which was to have been held at Bennington Saturday, June 30, has been postponed until a later date. Notification of the exact date and place will be mailed to the various societies at an early date.

To Hold Lunch Picnic—The Young Women's Hebrew association will hold a box lunch picnic at Elmwood park Sunday afternoon. This is to be the first of a series of outdoor parties this summer and all the members are expected to attend. Picnic games and contests will afford the amusement for the day.

Retail Food Prices Continue to Aeroplane

Washington, June 29.—Retail food prices in the United States advanced on an average 5 per cent from April 16, to May 15, as shown in figures compiled today by the bureau of labor statistics. During the year ending with May 15, they increased 39 per cent.

The biggest jump during the month was in flour which advanced 29 per cent. The increase in cornmeal was 15 per cent; beans 14 per cent; bread 13 per cent and rice 11 per cent. The only drop in price was in onions, 36 per cent and butter 9 per cent.

Some of the month's increases are given as follows:

Beef 2 to 4 per cent; bacon, ham and lard 8 to 10 per cent; hens, 1 per cent; salmon, 10 per cent; eggs, 3 per cent; cheese 3 per cent; milk 3 per cent; potatoes, 6 per cent; sugar, 5 per cent; coffee and tea 1 per cent.

The greatest advance during the year was made by potatoes, which advanced in price 149 per cent and in flour, 122 per cent.

In the last four years retail food prices generally have advanced 56 per cent.

Preliminary estimates by the food administrator today indicate that farmers received an average price of \$1.50 a bushel for their last year's wheat crop against 98.4 cents the year before and 97 cents the year before that.

Numbers Now Only Used For U. S. Army Regiments (By Associated Press)

Washington, June 29.—Designation of all army regiments hereafter by number and service branch only, without distinction between units of the regulars, and National Guard and national army, has been decided on by the War department to simplify official records of the great war forces now being developed.

Under the system the regular regiments will retain their present numbers from the first infantry, first cavalry, etc., upward. The National Guard regiments will be renamed, their numbers beginning where those of the regulars and the new units to be organized under the draft, will take their numbers onward from the last of the guard regiments.

Canadian Flyer Defeats Foe Four Miles in Air

Canadian Army Headquarters in France, June 29.—In an air duel fought at probably the highest altitude at which aviators have met in combat—nearly four miles—a Canadian triplane today pursued and defeated a German two-seated aviator.

The German machine had sought safety by climbing upward and the airplane pursued. At a height of 20,000 feet the pilot of the German craft either fell or jumped from it and disappeared at the moment of the first burst of fire from the gun of the Canadian. The German observer was then seen to climb out of the tail of his machine, where he lost his hold and plunged headlong. The aviator turned his nose down and fell.

Colorado Coal Miners May Strike August 1

Denver, Colo., June 29.—Miners in the southern Colorado coal field of the Colorado Fuel and Iron company will be called out on strike August 1, unless there is a satisfactory settlement of their differences with the company. James F. Moran, president of District No. 15, United Mine Workers of America, announced tonight.

Elgin Raises Big Sum For Aid of Red Cross

Elgin, Neb., June 29.—(Special Telegram)—Elgin raised \$1,000 more than apportioned for the Red Cross, it was announced at the weekly Community club banquet tonight. A Red Cross ball was held and the community building was crowded to capacity. A series of patriotic services will be held on Sunday evenings at the Community club auditorium.

Man Who Threatened Wilson Given Year in Jail

Newark, N. J., June 29.—(Special Telegram)—Elgin, convicted in May of having threatened to kill President Wilson, was sentenced today to one year and one day in the federal penitentiary at Atlanta. He was a farm hand.

JAPANESE MISSION WILL VISIT OMAHA

Omaha Commercial Club Representatives Given Promise in Washington; Other Missions Invited to Come.

Washington Bureau of The Omaha Bee, 725 Fourteenth Street, N. W. (By a Staff Correspondent)

Washington, June 29.—(Special Telegram).—The Japanese mission shortly to arrive in this country will pay a visit to Omaha on its trip to the national capital.

This information was ascertained today through a call on Third Assistant Secretary of State Breckinridge Long, by Congressman Loebeck and Commissioner Manley of the Commercial club of Omaha.

While the decision of Secretary Baker in regard to considering Fort Crook or any other site in Nebraska for a location of one of the cantonments in the Central west was disheartening the members of the Commercial club committee remaining in Washington, decided to do what they could toward obtaining numberless activities for the city in which they are enthusiastically interested and which will be essential in a national way in the next year or two.

Others Are Invited.

Incidentally, Mr. Manley, who is a believer in pushing the city wherever possible, and Congressman Loebeck had a conference with Breckinridge Long of the State department, at which they gave him assurance that if the Belgian or Russian war missions now in this country would include Omaha in their itineraries, they would receive the warmest hospitality from Omaha and its citizens. It was out of this general suggestion to Mr. Long, who has been designated as "chief of foreign missions visiting the United States," that the coming Japanese mission became uppermost.

Mr. Manley filed with Commissioner of Immigration Cametti today a request as the representative of Omaha's commercial organization that states of Nebraska and Iowa be made an independent immigration district instead of being continued as part of the St. Louis district. The commissioner stated that when there were sufficient funds to justify the request he would give Omaha serious consideration.

Minnesota Judge Has Harsh Term for I. W. W.

Duluth, Minn., June 29.—With the sentencing of Arthur Thorne, secretary of the Duluth local of the Industrial Workers of the World, to eighty-five days at the work farm, Municipal Judge Smallwood last evening placed the court on record as holding the Industrial Workers of the World to be an organization "which by word of mouth teaches or advocates the duty, necessity or propriety of violence in industrial strife."

URIC ACID An Enemy in Ambush

(By DR. M. C. LUCAS.)

It was not until the discovery by Sir Arthur Garrod, in 1848, that the blood of gouty patients contained uric acid in an excessively large amount that much attention was paid to this subject. Later scientific men learned that in gout (also true in rheumatism), the kidneys do not work properly to throw off the uric acid poison; consequently uric acid crystals are deposited in and about the joints, where an inflammation is set up in the nearby tissues. When for any reason the circulation is sluggish, as in the joints of the toes, crystals formed from uric acid are deposited there, and one suffers from gout; or, when deposited in the tissues, one suffers from muscular rheumatism. My only medicine to counteract the uric acid and to throw it out of the system is tablets of Anuric (double strength), three times a day.

The pain in the back, lumbar, pain in the neck, creaky joints, stiffness in muscles, have all been proven to be caused by uric acid poison in the blood and tissues. The kidneys soon become diseased, then there often follows disease in the muscles of the heart.

Kidney disease carries away a large percentage of our people. What is to be done? What can the ordinary person do to properly balance bodily health? The answer is easy. Eat less meat, eat coarse, plain food, with plenty of vegetables, drink plenty of water between meals, and take an uric acid solvent before meals for awhile, such as Anuric (double strength), obtained at almost any drug store. It was first discovered by Dr. Pierce of the Surgical Institute in Buffalo, N. Y. Most every one troubled with uric acid finds that Anuric dissolves the uric acid as hot water will dissolve sugar.—Adv.
