Sheep—The run of sheep and lambs was about the same size as a week ago and smaller than for any Monday previous to that since the spring of 1915, more than two years ago. About eight cars, or 2,000 head, were reported in as compared with two weeks ago and 7,793 last year.
The tone to the lamb market continued easier despite the fact that receipts were so light and sales were made at prices that were generally a little lower than the low time on Friday's close. One load came direct to a packers, besides which receipts included three cars of Idahos and a few singles of natives.
The prices paid for natives, compared with the few carly sales made early Friday morning, were considerably lower, but from Friday's close, when the buik of the best natives selling at \$17.10. The three doubles of Idahos, which went at \$17.50, showed similar reductions from the low spot Friday, when several cars were bought at \$17.15. Packers considered today's offerings, if anything, of better quality than
