MEEK ALLOWED TO  
RESIGN AS PASTOR

Omaha Presbytery Permits the  
Castelar Street Church  
Minister to Quit  
Pastorate.

A stormy session of the Omaha  
presbytery yesterday finally re-  
sulted in a vote to allow Rev. C. C.  
Meek to resign from the pastorate of  
the Castelar Presbyterian church.

Representatives of two factions in  
the church were there. Those who  
want the pastor's resignation were  
headed by Ed Gibbs, trustee. Harry  
Shearer was chief among the defend-  
ers of the pastor.

The presbytery asked Gibbs sev-  
eral times to present his side of the  
case. Rev. Mr. Meek finally arose  
and said:

"I think it best that we let this mat-  
ter rest and dissolve the pastoral re-  
lationship. But," he added, looking  
sternly at Gibbs, "I could go into  
this matter. Oh, I tell you I would  
like to go into it and show what has  
been done."

Gibbs leaped to his feet. "We won't  
take a challenge from anyone," he  
cried. "I'm willing to go into this  
from the start of it. But all that's  
necessary is for Mr. Meek to say that  
he wants to resign at once. That will  
end the whole business."

"The truth of the whole business is  
that Mr. Meek has been forced out,"  
declared Harry Shearer. "We were  
taken by surprise at the meeting of  
the session yesterday and there were  
mistakes made in the voting when  
Mr. Meek was forced out."

After a vote was taken and Mr.  
Meek's resignation was accepted,  
Shearer asked that he be given  
plenty of time to find another good  
church. The presbytery voted to  
have the resignation take effect on or  
before September 30.

"This will result in splitting the  
congregation up," said a woman  
member afterward. "When Mr. Meek  
goes more than half the congregation  
will go, too. There are trouble mak-  
ers in Castelar church. We were  
just getting started to work good  
when these trouble makers came  
back after being away from the  
church for some time. These trouble  
makers get tiresome and we won't  
stand it."

Benson Churches Unite  
During Summer Months

Benson churches held their first  
joint services Sunday. Pastors of the  
Presbyterian, First Christian, Meth-  
odist and Baptist churches took part  
in the services. Special musical num-  
bers featured. It is planned to hold  
the joint services during the hot  
months.

Ice-Mint Fine For  
Tired, Burning Feet

Wonderful Relief for Sore, Aching,  
Tender Feet, Painful Corns  
and Calluses.

Rub a little, soothing, cooling Ice-Mint on  
those poor tired, swollen, burning feet. Ah,  
what a relief.

How cool, easy and comfortable "Ice-Mint"  
makes them feel. Under the soothing cooling in-  
fluence of Ice-Mint, corns and painful cal-  
luses stop hurting and you will want to dance  
for joy. No numbness. Just try Ice-Mint.

It will make your poor old tired feet  
feel so cool, easy and comfortable that you  
will just sigh with relief. Corns and painful  
calluses are strangers to the friends of  
Ice-Mint.

## ICE-MINT

Is a clean, creamy, snow-white substance,  
whose medicinal qualities come from the  
dewy fields of old Japan where the people  
have the best care for little feet on earth.  
No matter what you have tried, or how many  
times you have been disappointed, you will  
find in the cooling, soothing comfort that  
Ice-Mint brings.

Ask at any Drug Store to-day for a small  
jar of Ice-Mint and give your poor, suffering,  
tired, aching, burning feet the treat of their  
lives. You'll like it immensely.

Resinol  
the home remedy  
for sick skins

When someone in the family de-  
velops an itching patch of rash or  
eczema, you want something that  
will give immediate relief and heal  
the trouble before it has a chance  
to become serious. The success of  
Resinol for skin-troubles has been  
proven by years of use by physi-  
cians and in the home.

Resinol is also a valuable healing dressing  
for chafes, cuts, burns, and sore places gen-  
erally. Sold by all druggists.

Careless Use of Soap  
Spoils the Hair

Soap should be used very carefully,  
if you want to keep your hair looking  
its best. Most soaps and prepared  
shampoos contain too much alkali.  
This dries the scalp, makes the hair  
brittle and ruins it.

The best thing for steady use is  
just ordinary multifield coconut oil  
(which is pure and greaseless) and is  
better than the most expensive soap  
or anything else you can use.

One or two teaspoonfuls will  
cleanse the hair and scalp thoroughly.  
Simply moisten the hair with water  
and rub it in. It makes an abundance  
of rich, creamy lather, which rinses  
out easily, removing every particle of  
dust, dirt, dandruff and excessive oil.  
The hair dries quickly and evenly,  
and it leaves the scalp soft and the  
hair fine and silky, bright, lustrous,  
fluffy and easy to manage.

You can get multifield coconut oil  
at any pharmacy, it's very cheap, and  
a few ounces will supply every mem-  
ber of the family for months.—Adv.

LOAN COMPANIES  
PAY OUT A MILLION

Thousands of Omaha People  
Get Benefit of the Semi-  
Annual Dividends that  
Are Declared.

Building and loan companies in  
Omaha were busy Monday paying the  
semi-annual dividend to the many  
thousand depositors who have  
brought the assets of these associa-  
tions in Omaha up to \$34,000,000.

There are nine building and loan  
associations in Omaha now and these  
are paying out approximately \$1,000,-  
000 in dividends today for the half  
year ending June 30.

All the offices and lobbies are lined  
with scores of depositors, or invest-  
ors, who file to the paying tellers  
windows in regular succession with  
their pass books in their hands to get  
their dividends credited or to receive  
their check for the dividends due  
them.

Most of them are paying at the  
rate of 6 per cent per annum, or 3  
per cent for the half year just closed.  
Three of the associations, however,  
are paying at the rate of 5 per cent or  
2 1/2 per cent on deposits for the half  
year just closed. Those paying the  
lower rate have reduced the rate of  
interest on the loans they are making.

National Komansky  
Clubs Select Officers

The National Association of Komansky  
Clubs concluded its three-day  
session Sunday with a dinner at  
the Rome hotel.

B. Horacek of Omaha was elected  
president for the next two years, Miss  
Sarah Hrbkova, professor of Slavonic  
languages at the University of Ne-  
braska, vice president; Miss Vlasta  
Sterba, general secretary, and Adolph  
Musil, treasurer.

The following were elected as the  
executive committee: J. D. Bednar,  
J. V. Sterba and Vac Buresh. It  
was left to the executive committee  
to decide between Lincoln and Stan-  
ton as the place where to hold the  
next convention. Before adjourning  
the delegates sent a telegram to Pres-  
ident Wilson endorsing his stand in  
the present war.

About thirty-five delegates attended  
the convention.

To Recruit Machine Gun  
Section for the Sixth

Instructions have been received at  
the local recruiting station for the  
Sixth regiment to recruit men at once  
for a machine gun company in that  
regiment. The new company will con-  
sist of picked men from all over the  
state. Only men who have had some  
experience in mechanics will be ac-  
cepted.

Bueler Metcalfe has been selected  
captain of the new company. Met-  
calfe spent eighteen months with the  
Mexican armies and sixteen weeks  
with the American army on the border  
as a newspaper correspondent.

Paul Coad has been selected as a  
second lieutenant. One other second  
lieutenant will be chosen, as will a  
first lieutenant and eight sergeants.  
The company will consist of fifty-  
eight men, forty-nine of whom are  
already accepted.

Salter Names Captains  
For the Benson Station

Chief Salter of the fire department  
has detailed John Ingel and Christian  
J. Clausen as senior and junior cap-  
tains, respectively, of the fire house  
at Benson, this being in connection  
with the recent annexation of that  
suburb. The house will be known as  
No. 23. The equipment is one hose  
wagon and one hook and ladder  
truck. In addition to the local com-  
pany, three other companies at near-  
by stations will respond to alarms  
from Benson territory. Ten men  
have been detailed to the Benson  
house, five for each shift.

Ingel was advanced from junior  
captain and Clausen stepped from the  
ranks to junior captain.

Injured by Auto as He  
Jumps Off Street Car

Jack Burke, 13, jumped off an east-  
bound Dodge street car yesterday  
afternoon off the "rear side" at Six-  
teenth and Dodge and was struck by  
an automobile driven by F. G. Hunt,  
a salesman for the Buick Automobile  
company. He was slightly injured  
internally and was removed to his  
home, 1535 North Twentieth street.  
Hunt was not held, as the boy admit-  
ted it was his own fault.

## Red Cross Activities

A branch chapter of the Omaha Red  
Cross society was organized Sunday  
afternoon at West Point, Neb., when  
600 people from Cumming county  
were present. Mr. and Mrs. R. B.  
Howell, Robert Smith and W. G.  
Ure addressed the meeting and as-  
sisted in the organization. D. C.  
Anderson was chosen chairman of  
the Cumming county chapter and  
J. A. Stahl secretary.

The county was divided into  
districts, over which the chapter will  
have jurisdiction. A membership  
campaign will begin July 23 and plans  
are made to canvass every house in  
the section by dividing the county  
into blocks.

The Omaha party met Senator Voip  
of Dodge county at Scribner, Neb. Al-  
though uninformed as to the mission  
of the Omaha delegation, he began at  
once to tell of the work being done in  
Scribner for the Red Cross.

Nemaha County Chapter—Another  
instance of how the Red Cross work  
in the state is booming is that Ne-  
maha county chapter, with headquar-  
ters at Auburn, Neb., will raise \$10,000  
this week for the Red Cross drive.  
A. A. Randall is secretary of the  
chapter.

Quit for the Summer—The Pret-  
tiest Mile Red Cross club has aban-  
doned its meetings until August 1.  
Mrs. Charles Morrison was chosen  
chairman to fill the vacancy of Mrs.  
A. D. Northrup.

Take First-Aid Exams—Twenty  
young business women will take their  
first-aid examination Thursday eve-  
ning at the Young Women's Christian  
association under Dr. J. F. Hyde.
