SIXTEEN CARS TO COMPETE IN BIG CASH CLASH

Full Field Will Face Starter in the Last Motor Derby on Boards of East Omaha Speedway.

By FRED S. HUNTER.

Promptly at 2 o'clock this afternoon sixteen of the fastest and most daring gasoline speed pilots in the country will receive from Starter Fred Wagner the red flag to start on their 150-mile dash in the third and last annual Omaha automobile derby on the boards of the mile and a quarter East Omaha speedway.

That the field of drivers who will face the starter is one of the classiest ever asembled for an American speedway classic is the universal verdict among the speed enthusiasts who follow the thrilling game.

Never before have so many evenly matched cars been entered in a single race. Last years' event in Omaha was a classic by reason of the closeness of the contest and the thrills provided, but even that race promises to be overshadowed by the one which will be run today.

Last year Resta, De Palma and Mulford owned cars that were manifestly faster than the remaining machines entered. But this year one cannot point three cars which have a distinct advantage over any of the other machines.

The two Frontenacs, driven by Louis Chevrolet and Charlie Kirkpatrick, have shown the best time in the qualifying rounds, but their superiority was not marked. Joe Thomas, Dave Lewis and Ralph Mulford were right behind and they only made one attempt to qualify. Taking their privilege of two additional trials any one of them might have bettered the records established by the rFontenacs.

Occupy First Row.

By reason of their speed in the eliminations, the two Frontenacs will occupy the front row in the starting position and Louis Chevrolet, at the pole, will pace the cars around on the preliminary lap.

Immediately behind the Frontenacs will come Joe Thomas in a Mercer and Dave Lewis in a Hoskins Special. Ralph Mulford, in a Hudson, and the Miller Special will be in the third road, while Eddie Hearne, in a Deusenberg and Walter Haines in a Mercer will be in the fourth row. Tom Alley's Pan-American and Tommy Milton's Deusenberg will be in the fifth tier, while the sixth tier will be made up of Billy Taylor in a Hudson and Baby Pete Henderson in a Deusenberg. Jerry Mason in an Ogren, Omar Toft in the Omar Special and Milt McBride in an Olson Special will bring up the rear.

Two Are Scratched.

Andy Burt's Erbes Special and Hal Brinker's Brinker Special were scratched yesterday.

Burt drove a piston rod through his crankcase and it will be impossible to repair it for the race. Brinker failed to qualify. His eight-cylinder job could negotiate only eighty-five miles an hour, owing to a defective magneto, while ninety miles an hour is the required speed.

Barney Oldfield, Frank Elliott and George Buzane, who were numbered among the original entries, did not arrive. Barney and Elliott could not come on account of the postponement of the match race between Oldfield and De Palma, scheduled for last Sunday at Detroit. Buzane jimmed his motor tuning it up in Chicago.

The 150-mile event will start at 2 o'clock. This is the championship race. It is believed the winner will maintain a speed of 100 miles an hour, or at least, close to that mark. With hot weather, which burns up tires, the time may be a little under the century mark, but if it is as cool as it was yesterday all of the drivers insist the winner will have to beat 100 to annex the victory.

The winner should cross the finish line, therefore, about 3:30, and the last car should finish within fifteen minutes afterward. The second race, the fifty-mile consolation, will start ten minutes after the finish of the main event. It should be over in an hour. The entire program should be concluded by 5 o'clock or shortly after.

Three cars qualified during the practice yesterday. Tom Alley shot his Pan-American around the oval in 44 3-5 seconds, an average of 101 miles an hour. Andy Burt qualified the Miller Special in 43 3-5 seconds, 104 miles an hour. This is the brand new car Art Cadwell is scheduled to drive. Milton McBride qualified his Olson Special in 48 2-5 seconds an average of ninety-four miles an hour.

Now is the time to buy a bottle of this remedy so as to be prepared in case that any one of your family should have an attack of colic or diarrhoea during the summer months. It is worth a hundred times its cost when needed.—Advertisement.

LINKS WIN SECOND CONTEST OF SERIES

Ducklings Pound O'Toole for Eleven Hits and Score Four Runs in Fifth Inning.

TWO GAMES TODAY.

Two games will be played between Omaha and Lincoln at Rourke park today.

One game will be played this morning, starting at 10:15, and the second game will be played this afternoon, starting at 3:15.

The morning game should be over shortly after 12 o'clock, so that it will give ample time for those who attend to lunch and arrive at the speedway races in time for the main event.

The lowly Links wrecked Omaha's plans of copping the second game of the series by pounding in four runs in the fifth inning, winning by the score of 5 to 4.

With one down, Cariise doubled to righ. He scored on Bayless' single to center. Lober, the next man up waited for four balls. Schmandt singled to left, scoring Bayless. Lober and Schmandt cantered across the plate a second latter on Griffin's drive to right.

Marty Krug's peerless athletes tried hard to come back the latter part of the same frame. Schick beat out a bunt and took second on Burg's single to left. O'Toole beat out a bunt. Thompson singled to right scoring Schick and Burg. Cooney forced Thompson at second, but O'Toole scored on Smith's sacrifice.

Omaha added another run in the sixth, when Bradley singled to left and took second on Schick's sacrifice. Burg flew out to Lober. Mary O'Toole came near winning his own game, when he doubled to center, his second hit, scoring Bradley.

Lincoln took the lead in the second inning on Lamb's double to left and Halla's single to center. Score:

Omaha Cops Have No Aljbis to Give Out

The Omaha police tug-o'-war team arrived from Denver early this morning and came in smiling acknowledgment of their defeat. Although the contest lasted one hour and forty-two minutes, all the men reported in fairly good condition. Sergeant Samuelson suffered a severe fracture of the vocal chords and left part of his voice somewhere in the Rockies. But voice isn't all that was lost on the pull. Nearly every Omaha policeman backed up his good opinion of the team with perfectly good dollars, which the Denver cops will invest in winter spuds.

The defeated team was expected to heave off their heavy responsibilities by exploding alibis. But none was offered. Officer McCabe relieved the situation somewhat by explaining the defeat. He asserts a jinx hangs on the issue every time he picks a favorite.

"It's a fact, fellows," he said, "if it were raining soup, I'd be holding a fork. I never won a bet in my life. If I bet the sun would go down in the west it'd get stuck in the limbs of a tree."

But that's the way they all feel.

Golf Contests Carded for All Country Clubs Today

Today is a red letter day on the golfing calendar. Events are scheduled at all of the country clubs.

A special contest for an American flag, together with putting and approaching contests, will be held at Happy Hollow.

The Field club will stage a Liberty tournament under the auspices of the United States Golf association, for benefit of the Red Cross. A souvenir medal presented by that society will be given to the winner.

An eighteen-hole handicap match play against bogey will be held at the Country club. There will be three flights with prizes for the winners of each flight.

A flag contest, handicap, with an "Old Glory" trophy for the winner, is the Elmwood Golf club's event.

An American flag is the prize for the winner of a flag contest at Seymour Lake. An eighteen-hole handicap match play against bogey is the card at the Miller Park Golf club.
