The series of the packers failed to make any brownows gg 100.
Bids early, and as a result other killer buyers quit as they had filled their urgent orders, and the most desirable hogs began
to get scarce. From this time on the market climbing rapidly. The prohibition of July
dealings had been intended as a measure to
avera a drag trade coming to an absolute
to get scarce. From this time on the market,
morning sales were made now and then
morning sales were made now and then
weak to a little lower, and still later movement livened up a little again, the big end
of the hogs that were let solling a nicket,
though most traders did not expect the
traverage to show much change from yearteraday. A good share of the sales was made
at \$15.00 @15.25, and a few of the best sold
on up to \$15.56 the top.
