Three-I Clubs Lose \$25,000 in Half Season

Chicago, July 8.—The Three-I league, which suspended its season today, may not attempt to start next spring unless conditions are more favorable, President Tearney said tonight. The clubs, in the eight weeks of playing, lost approximately \$25,000. War conditions are blamed for the

league's failure.

The Peoria club, one of the two clubs in the circuit in good financial condition, expects to obtain the South Bend (Ind.) franchise of the Central league and become a member of that league Tuesday. Peoria will be awarded the Three-I league championship for the suspended season.
