## Edited by Irma H. Gross - Domestic Science Department . Central High School . Seldom-Used Meat Dishes

In our unceasing search for meats that are different we overlook many possibilities. Because most of the things suggested below are unusual, and many of them are inexpensive, the first instinct of most people is to scorn them sight unseen. Most of us are willing to try the familier meats in new guises; but a new meat-that is a real adventure! However, the journey from beef steak to beef heart is not so very hazardous, and every new food added to our list of menu of turnip, a bit of bay leaf, two two tablespoonfuls of flour to the fat. wife who tires of the well worn combinations.
