American Brains Oriental Mystery

Beginning Monday, July 16th, and continuing until Saturday, July 23d, Mr. F. L. Spradlin, Oriental Rug Expert, will be at The Pantorium and demonstrate his method of Re-Weaving, Repairing and Cleaning Oriental Rugs.

Mr. Spradlin is an American who has spent his life studying Oriental Rugs. He claims to have solved the MYSTERY of their weaving, and says there is no MYSTERY about it if one uses his brains and has the tools and material to work with.

Many leading rug cleaning establishments during the past year have secured the Spradlin System. We wrote seven different concerns, some of whom we are well acquainted with, and in every instance they recommended Mr. Spradlin and his work.

Dr. H. E. Mechling, president of the National Association of Dyers and Cleaners, writes: "Guy, take on the Spradlin System. That man knows Oriental Rugs from A to Z. Have him school your rug department as he did mine, and you'll never regret it. It is the best investment I ever made."

We Clean Many Orientals

in our Rug Cleaning Department and realize the need of a first-class Repair Department, and, when the opportunity came to secure the Spradlin Service we at once seized it.

Please remember that the reputation of The Pantorium, as well as our guarantee, is back of every rug sent to us for cleaning or repairing.

All calls received during this week will be answered in person by Mr. Spradlin and one of our representatives, who will give you advice as to your rugs. There will be no charge in case you do not send them in.
