"DANDY SIXTH" YET NEEDS OFFICERS

Lieutenant Colonel Not Chosen by Governor Neville and New Adjutant General Not Yet Selected.

Lincoln, Neb., July 16.—(Special.)—Mobilization of the Nebraska guard is going on as fast as possible. It is expected the Sixth will be ready soon.

Who will succeed Adjutant General Hall when he takes command of the Sixth regiment is not known, but it is believed Major Steele, now the assistant, will step into the shoes of his chief.

Major Steele is anxious for active service in France. He saw active service in the Philippines and naturally would like to go with his old comrades.

A lieutenant colonel for the Sixth regiment has not been chosen. Suggestion was made that Colonel Fred J. Mack, formerly commander of the old Second regiment, who was one of the first to offer his services to General Hall, might be available. Colonel Mack, formerly lived at Albion, but now lives at St. Petersburg, Fla. He was considered one of the most efficient officers in the guard, a man well liked and thoroughly military in every respect. Colonel Mack resigned as colonel of the Fifth, which succeeded the Second, when he moved to Florida two or three years ago and Colonel Paul, who was then lieutenant colonel, succeeded him.

North Platte Welcomes Guardsmen of Company E

North Platte, Neb., July 16.—(Special Telegram.)—Company E mobilized here this morning at the Franklin auditorium, which will be used as a barracks. One hundred and fifty-five members from Keith, Dawson, Logan, Perkins, Garden and Lincoln counties have reported and at least twenty more are expected here tomorrow.

Mayor Waltemath and a committee of civil and Spanish war veterans, Company L, citizens and the North Platte band met each train and welcomed the soldier boys. A number of young women with Anna Kramp and Aileen Gant as directors pinned badges and cut flowers on the lapel of each guardsman's coat. John E. Evans, a veteran of the civil war, carried a large flag which was used fifty years ago.

Drill will be held morning and afternoon at the city park in the east part of town. The members of the company will be vaccinated the latter part of this week.

Secretary Durbin of the Chamber of Commerce and the entertainment committee of the County Defense council met this evening to arrange the program for the visitors while in this city.

Archdeacon Bowker will address the company at the Episcopal church Sunday morning and on Thursday morning a solemn military mass will be held at St. Patrick's church, with Fathers Kavanaugh of Golenburg, Sullivan of Elm Creek, Maloney of Lexington and McDaid of this city assisting. The former will deliver the sermon.

"German Meeting" Only Session of Local Grange

Grand Island, Neb., July 16.—(Special Telegram.)—The Farmers' grange, whose semi-monthly meeting of last Wednesday was alleged reported by Chairman Whitmore of the local Council of Defense to the officers of the State Council of Defense as a midnight meeting of Germans, has called a special meeting for tonight and has requested Mr. Whitmore, the local peace officers and the press to be present.

The secretary and president of the association declare that not a word of German was spoken at the entire meeting and that the main matter of business was arrangements for a picnic by the grange and that it has held such meetings conducted entirely in the English language continuously for the past two years.

A bitter feeling is said to exist over the alleged report. Secretary Richmond of the state board was this morning called on the phone and asked to attend in order to have information at first hand.

Grand Island Man Taken In Wisconsin as Slacker

Grand Island, Neb., July 16.—(Special Telegram.)—Albert Smenowsky, a native-born citizen, who failed to register, is today in the hands of the sheriff. Smenowsky's brother left early last week for Wisconsin in cooperation with the sheriff to bring the brother back.

The accused young man states that he left here on the last day of May and that he did not regard the matter as serious, as he was quite certain of exemption on account of his physical condition. He declares that over two months ago he consulted Dr. Regan as to throat trouble and that Dr. Regan advised him to go to Arizona.

Dr. Regan, who is the physician on the local board of exemptions, has verified this statement. Smenowsky is being held without bonds. United States District Attorney Allen will arrive here tonight or tomorrow morning.
