

Nebraska TO MOBILIZE STATE BRIGADE AT ONCE

Probable That Nebraska Soldiers Will Be Called to Fort Crook as Soon as Sixth Is Recognized.

(From a Staff Correspondent.)
Lincoln, July 27.—(Special.) As soon as the war department has given official recognition to the new Sixth regiment it is probable that all three regiments of the brigade and their units will at once be mobilized at Fort Crook without waiting for final muster, that action being taken after arriving at the fort.

Organization of the brigade is progressing nicely and is practically completed, according to General Harries, so that when the last regiment is finally mustered there will be nothing left to be done.

The general is (very) proud of his brigade of Nebraska boys and expects great things from them when it comes to real service. Nebraska troops have always made a most enviable record in war service and the make-up of the present brigade would indicate that the record will lose none of its luster when the Nebraska brigade goes into the fray under the leadership of General Harries.

New Trial Ordered in Suit Against Saloon Men
Pierce, Neb., July 27.—(Special.)—District Judge W. V. Allen yesterday granted a new trial in the suit of Mrs. Margaret Anderson versus The Southern Surety company, N. H. Neuens and William A. Smith, saloon keepers, for damages for personal injuries.

The case has attracted much interest in north Nebraska. The evidence showed that on the nineteenth day of last August the plaintiff was pushed out of the spring wagon by her husband, while he was in a high state of intoxication, and that the plaintiff received severe injuries by being run over by the wheels of said spring wagon, and by her violent contact with the ground her ankle was sprained, a rib fractured, and severe bruises and injuries about the abdomen.

The evidence showed that her husband was furnished the liquors, which caused his intoxication, in the saloons of the defendants.

County Defense Councils Given Hearty Co-operation
Lincoln, July 27.—(Special.) The state council of defense is receiving letters indicating that the work of the county councils is being helped in many counties by hearty cooperation of persons living in the counties.

In some counties, notably Thayer, suggestions that the county commissions should aid in the work of the council with financial assistance is being received with favor.

It is also being demonstrated that whenever men have enlisted for the war that meetings are being held to encourage them in their service and aid given in a financial way.

The state council hopes that the work will be taken up all over the state and substantial token given of appreciation by the people of each county.

Five Business Houses At Juniata Destroyed
Wastings, Neb., July 27.—(Special Telegram.)—Fire of unknown origin was discovered in Juniata about 4 o'clock this morning. The blaze spread rapidly, destroying five brick buildings and causing some other damage.

The total losses are: B. F. Carls, restaurant; Schultz general store; Lilly & Wood, plumbing, and opera house.

A rough estimate early this morning put the property loss at about \$15,000 to \$20,000. The stock of the Greninger store was removed from the building, as flames threatened this structure.

New State Bank Is Chartered at Giltner
(From a Staff Correspondent.)
Lincoln, July 27.—(Special.) The state banking board today chartered the Giltner State bank a capital of \$20,000.

Officers of the bank are C. S. Brown, president; Fred Burr, vice president and John Wulstein, cashier.

Omaha Road Pays Occupation Tax Totalling \$2,500
(From a Staff Correspondent.)
Lincoln, July 27.—(Special.) The Minneapolis & Omaha railroad company paid its corporation tax today, the secretary of state receiving a draft for \$2,500 to cover the amount.

Protect Baby's Skin With Cuticura Soap

If mothers would only use Cuticura Soap and Ointment for every-day toilet and nursery purposes how much suffering might be avoided by preventing little skin and scalp troubles becoming serious. Cuticura Soap is so pure, sweet and cleansing and Cuticura Ointment so soothing and healing, that it is a pity not to use them all the time. Give baby a hot bath with Cuticura Soap, dry and apply Cuticura Ointment to any rashes, irritations, chafing, etc. Instant relief usually follows and baby falls into a refreshing sleep. For sample each free by return mail address post-card: "Cuticura, Dept. 136, Boston." Sold everywhere. Soap 25c. Ointment 25 and 50c.

Sure You Can Pick 'Em! Some Come Easy and Some Not So Easy, But They Are All Now Occupying Official Berths in the City Hall--Only They Didn't When These Photos Were Taken

Photo group will be printed again in Sunday Bee with names and present day pictures.

Two Men Hurt in Auto Upset at Plattsmouth

Plattsmouth, Neb., July 27.—(Special.)—George Moore, a druggist of Table Rock, and T. A. Steck, a banker, were badly injured near here last night when their car skidded into a ditch. Mr. Moore was cut about the face and head, requiring ten stitches to mend his physiognomy and make him recognizable by his friends. Mr. Steck was cut on the hand, across the breast and back, besides having his wrist sprained. The car was brought into Plattsmouth this morning for repairs.

West Point Notes.

West Point, Neb., July 27.—(Special.)—Several of the West Point boys have enlisted, among whom are: Casimir Zacob, Paul Sims, William Krienke and Victor Foleada, enlisted in the Signal Corps. William McDonald and Emil Wilde enlisted in the Fourth Nebraska.

"Grandpa" Carl Zeplin celebrated his eighty-first birthday on Wednesday. Mr. Zeplin is still hale and hearty.

The annual teachers' institute for Cumming county will convene at West Point on August 30, and will continue for five days. The program is varied and extensive and talent of a high order has been drawn upon as instructors. The management of the institute will be in charge of Miss Emma R. Miller, county superintendent.

The harvest of small grain of Cumming county is progressing rapidly. The yield is fair. Corn is looking well and the warm weather of the last two weeks has been of great value. The bulk of the corn is very late. It is believed that if no early frosts occur in the fall that the yield will be up to the average.

The annual West Point chautauqua will begin on August 4. Each succeeding year since West Point has entertained the chautauqua the attendance has been increased and interest has also increased. The forthcoming season is expected to surpass all previous affairs both in attendance and quality.

Loomis Lighting System Delayed.

Loomis, Neb., July 27.—(Special.)—The Intermountain Railway, Light and Power company, with plant at Holdrege, has decided to delay building an electric service line from Holdrege to Loomis until national financial affairs reach a more settled state. The issue of bonds for a distribution system, authorized at the spring election, and the village lighting and interest tax levies will be held in abeyance until work on the line is started.

Lieutenant Writes Governor.

(From a Staff Correspondent.)
Lincoln, July 27.—(Special.)—C. F. Cool of North Platte called on Governor Neville today. Mr. Cool has taken the officers' examination and passed, receiving a commission as lieutenant in the Omaha machine gun company under Captain Buchler Metcalfe.

The Nation's Welfare

Every woman should do her duty in rearing a strong, vigorous and healthy generation. For three generations women awaiting childbirth have used the safe, external preparation—"Mother's Friend". The drawn skin of the abdomen is made elastic, the muscles expand with ease when baby is born and the inflammation of breast glands and other soreness is soothed. The tendency to morning sickness or nausea is avoided and this makes for the future health and nature of the child. Write to The Bradford Regulator Co., Dept. P. 42 Lamar Building, Atlanta, Ga., for their book, "Motherhood and the Baby". It is free to all women. Get a bottle of "Mother's Friend" at your druggist today and do not neglect to apply it night and morning.

TRACTOR PROMOTERS WILL FIGHT LEASE

Fremont Commercial Club and "Iron Horse" Show Men Clash With Smith Form-a-Truck Company.

Fremont, Neb., July 27.—(Special Telegram.)—The Fremont Commercial club and the National Farming Demonstration, will go the limit in an effort to keep the Smith Form a Truck company farm retaining its lease to the land, is secured on which the Commercial club had a verbal lease for tractor purposes.

The injunction hearing will be held before Judge Thomas Friday, August 3. The Commercial club leased the land along with about 300 acres more last fall, when it was assured the Tractor Meet would be held here. The use of the land would have material effect on the big Iron Horse show, but the tractor manufacturers are determined that no other concerns, not members of the organization, shall receive the benefit of the advertising for the Tractor meet.

Has Written Lease.

The Smith company has secured a written lease to the thirty-five acres under dispute, which is located between Fremont and the tractor headquarters. President Wolz of the Commercial club was promised the land left last winter by the tenant who since released into another party.

The tractor show will be the biggest by far of any of the four preceding demonstrations. A. C. Hildebrand, manager of the National Power Farming Demonstration, who is on the ground completing the arrangements, expects an attendance of from 200,000 to 300,000.

Henry Ford and son will be here for at least a part of the demonstration. Fifty tractor firms and as many accessory concerns will be represented.

At a special meeting of the Dodge county council of defense which was attended by George Coupland of Lincoln, it was decided to have an agricultural booth at the tractor grounds during the annual demonstration, August 6 to 10.

The object will be to promote the growing of more wheat in Nebraska, literature, dealing with the need of increased yields to support the country while at war, to be handed out. A. E. Hildebrand, manager of the demonstration, advocated the idea, and promised ample space for the booth. A committee to make arrangements was appointed by Uresident Ray Nye of the council.

High Price for Land.
Nebraska City, July 27.—(Special Telegram.)—A small farm south of

the city today sold for \$312 per acre without any improvements.

Engineering Head at U. of N. Quits to Go to Perdue Uni

Lincoln, July 27.—(Special Telegram.)—Prof. J. D. Hoffman, head of the department of mechanical engineering of the University of Nebraska, has resigned to accept the position of practical mechanic and head of the department at Perdue university. Prof. Hoffman came to Lincoln in 1911, succeeding Dean Richards as head of the mechanical engineering department. He has been counted one of the best men on the faculty at the state university.

Loomis Co-Operative Company Reorganized

Loomis, Neb., July 27.—(Special.)—The Loomis Farmers' Co-operative company has completed the work of dissolving the corporation and reorganizing. This step was taken to adopt a different system of dividing profits. Dividends will be awarded the members on the amount of business given the company instead of being prorated on the amount of stock held. The officers of the old company hold like positions in the new company.

PILING UP THE MONEY

You have read about the enormous amount of money distributed to shareholders in the building and loan associations early in July. There is no more profitable investment. Since it was founded the Omaha Loan and Building Association has paid its members over \$3,000,000 in dividends on their savings. Starting with a few dollars these investors drew compound interest and their money piled up. Every father should tell his children of this unexcelled plan of saving money. The association has a new method of inducing young and old to save money and is giving out a beautiful metal bank. The plan is interesting. Ask about it.—Advertisement.

Mercury Climbs to 104 In Southwestern Nebraska

Beatrice, N.B., July 27.—(Special Telegram.)—A heat wave swept over this section of the state today, the temperature registering 104. Rain is badly needed for the corn crop.

How Any Woman Can Remove Hairly Growth

(Beauty Culture)
It is not longer necessary for a woman to visit a beauty specialist to have superfluous hairs removed, for, with the aid of a plain delatone paste, she can, in the privacy of her own home, remove even a stubborn growth in a very few minutes. The paste is made by mixing some water with a little powdered delatone. This is applied to the hairs and after 2 or 3 minutes removed, and the skin washed, when it will be left clear and hairless. Be sure you buy real delatone.—Advertisement.
