Corn and Wheat Values. Chicago, Aug. 3 .- Chances that peace developments might assume some importance during the double holiday intervening before Monday did a good deal to overcome in the corn market today an advance which had resulted from continued lack of rain and from temporary scantiness of offerings. The

holders did not assume large proportions until after notice had been taken of various items of peace gossip, including a statement from a Belgian socialist authority that Russia and Austria were on the verge of an understanding. On the downturn that preceded the close, one premium over the saled to 2.1-2 higher, the extreme advance being noted particularly in the white variety which soid at a 6c premium over the variety of the series of peace of assertions that farmers in the winter wheat region were showing more willing in group.
