KHAKI-CLAD BOYS SEE KING AK'S SHOW

Rain Fails to Stop Uncle Sam's Warriors at Military Night at Ak-Sar-Ben Den.

Rain couldn't put a damper on military night at Ak-Sar-Ben's Den last night. The khaki-clad boys came from all directions. They came in squads, in platoons, in companies.

Show Never Better. The big stage show was never better. The actors seemed to be inspired to their best by the audience. Hank Dunn made a great hit, singing "Clancy" in his own inimitable, Irish way.

MUSTERING IN THE SIXTH NEBRASKA

Men Are Put Through Some Stiff Tests to Get Into Uncle Sam's Good Old Army.

To a mere passerby the Auditorium, where the Dandy Sixth is mustering in, is a quiet place. The big doors are open, and one going by catches a glimpse of young men back by the walls.

Called in Rotation. Every few minutes an officer appears to call the name of the next man wanted for examination. As he enters another one comes out, jubilant or sad, according to whether he has been accepted or not.

OMAHA H. S. ALUMNI FORMING COMPANY

Former High School Men Bending Efforts Toward Enlisting Organization in the New Seventh.

Omaha High school alumni are bending every effort to have their company of the Seventh Nebraska Reserve National Guard be the first unit of this regiment mustered in.

Headquarters for the Omaha battalion of the new Seventh will be in the building vacated by the Sixth. Deputy County Attorney Ray Abbott will have charge of the enlistments.

Repaving of Twenty-Fourth Street is Now Under Way

Repaving of Twenty-fourth street, from Patrick avenue north to Lake street has started. The asphalt pavement laid nearly twenty years ago is being taken up and in its place vitrified brick block will be laid.

SOUTH SIDE SEVENTEEN OUT OF 96 WILLING TO GO

Boiling Pot of the South Side Exemption Board Bubbles Busily, But Few Patriots Are Brewed.

The boiling pot of the South Side exemption board bubbled busily all day Monday but, if exemption is granted to all who ask for it, only seventeen soldiers were brewed for the United States army out of the ninety-six men examined.

It was a motley crowd which gathered in the lobby of the city hall to wait their turn. Japs, Poles, Slavs, Danes, Russians, Roumanians, and Bohemians all waited soberly.

The doctors found that some men were lacking poor hearing or defective eyesight and so they devised new schemes to use in testing them.

Two Irish lads, Edward McGimpsey and J. M. Laughlin asked for exemption at the time they were examined but they came marching back a short time and said that they had changed their minds, they would not claim exemption.

The exemption board is anxious to quit work at 6:00 o'clock promptly each evening and the packers have made arrangements to let all of their men who are to be examined, go early and will not dock their pay for the loss of time.

Stock Yards Head Denies Water Was Sold to Packers

"We have never sold the packers a spoonful of water," said Everett E. Buckingham, vice president and general manager of the Union Stock Yards.

"According to the ruling of Federal Judge Munger at Lincoln last week, we will not be allowed to sell the packers water from our plant. This action makes the municipal plant a monopoly.

"The stock yards water is the best in the city. Our wells are deep and the water is well filtered. It is absolutely pure.

Mr. Buckingham said that they have a great deal of surplus water. A great many of the packers have their own wells.

Cudahy's have their own wells which furnish about 75 per cent of the water they use. The municipal plant furnishes the remaining 25 per cent.

Armour's and Morris' have no wells. R. C. Howe, general manager of Armour's said:

"Since we have never purchased water from the Union Stock Yards

Stryker Finds Reporters Have Strong Honor Code

"It was in Washington at the time Elihu Root and his party left for Russia," said A. F. Stryker, secretary and traffic manager of the South Omaha Live Stock company.

"It is wonderful what a strong sense of honor a real newspaper man has. They are in touch with almost all of the big happenings. It is a rare thing for one of them to leak anything that he has been asked not to tell.

The president and the big officials call these fellows into their private offices and tell them the government's secrets. Then they say, 'Now you see how it is, but we don't want it used,' and it isn't used. I don't believe one fellow a year leaks anything that he has been put on his honor not to tell."

Schreiber Resigns From Public Welfare Board

Karl L. Schreiber, superintendent of the Board of Public Welfare, tendered his resignation last night and was released.

Mrs. Rose M. Ohaus, who has been in charge of the domestic relations work, will be placed in charge of the entire work on September 1, when Mr. Schreiber leaves, her service to be as acting superintendent until a permanent head shall have been chosen.

Mr. Schreiber intends to travel abroad with a wealthy New York man whom he knew before he came to Omaha.

The Machinery of the Body

(By DR. I. W. SHORT.) The body is a highly organized machine of complicated parts in which the liver and the kidneys work for the common good. Damage to either one of these organs interferes with man as a motor mechanism.

The automobile expert knows how important it is that the carburetor does not get too much fuel, along with sufficient air to burn or explode the gas. Too much fuel in man's machine, such as eating too much meat, or alcohol or tea, and the liver cannot "turn over" nervous overwork and lack of exercise in outdoor air bring constipation and bad health.

Most people die eventually of an over-acid condition. If the blood can be rendered more alkaline, the longer we live. With regular hours, plenty of water between meals, sensible coarse food and a chance to get the poisons out of the system, a man will live to be a hundred. But, unfortunately, our highly nervous way of living brings increased storage of uric acid in the body. This acts as a poison and we suffer from lumbago, aches or pains, rheumatism, gout.

Get rid of this uric acid poison by taking a harmless medicine called Anuric, which throws out the uric acid by stimulating the kidneys. Drink a pint of hot water before meals and take Anuric (double strength) three or four times a day. Anuric can be obtained at almost any drug store.—Adv.

BELL-ANS Absolutely Removes Indigestion. One package proves it. 25c at all druggists.

South Omaha Brevities

The Boosters' Improvement club will hold a meeting at 8 o'clock this evening at the Corrigan school, Thirty-ninth and X streets.

A special meeting was called at the Exchange building Monday afternoon to make arrangements for attending the funeral of John T. Fredericks.

Edgar A. Royer, who enlisted in Company I, Seventh Infantry, at Sioux City, Ia., has been promoted to sergeant and stationed at Gettysburg, Pa.

Twenty South Side Boy Scouts will leave Wednesday for Lake Quinnsburgh, Neb., where they will camp for ten days. E. E. Hermon, deputy commissioner of the Boy Scouts on the South Side, will accompany the boys.

"Don't you all worry none about me. I won't never be back," reassured Walter Jones, colored butcher, who was charged with assault and battery and whom Police Judge Madden had just given a suspended sentence of ninety days on condition that he would leave town at once and never come back.
