After the proof has been filed the? boards of the different districts will decide who the Omaha men are that CIVILIAN BOARDS will fill the 1,400 quota.

First the physical examination will be gone over by the whole board and if all decide that a man is physically O. K. for the army, his exemption claims will then be threshed out. If they decide that there is nothing to keep the man at home he will be notified immediately that he has been chosen for army service.

The six districts are beginning Hets aminations and it will be the first of these that will fill the first call. The lists will be sent to the adjutant general of the state, where they will be checked up. Men are notified if they are chosen by their local board as soon as the decision is made.
