

lay up stores for the winter. Revolving motor fans are used in Cucumber Salad. the drying. Twenty-four hour is, Cut three medium-sized cucumbers required to dry the produce thor- into dice. Mix with one cupful of oughly. Electric ovens will soon be fine-chipped olives, three hard-boiled installed to complete the drying op-eration. This step insures the de-struction of any stray insects which might lurk among the vegetables, and which the air-drying does not always kill. A chairman will be in 'charge at

each substation to check out and check in the baskets of produce left there.

of any business.

the city is the one recently installed a lemon, if a little more acidity is at the Central Park school, which is desired. Let stand for an hour and now taxed to its utmost capacity, then, freeze. Raspberries, cherries, Another drying plant will soon be in- currants and pincapple (cooked) may be used in this way. Such a stalled in South Omaha.

Mrs. Anderson advocates the use simple ice is refreshing on hot days of cheesceloth-covered paper bags for and if a housewife is so fortunate as storing away the dried product, in- to have one of the modern washing stead of the paraffined pasteboard re- machines that turn an ice cream ceptacles now used by many house- freezer at the same time as it turns the washer, she can have the Monday wives.

Tuesday evening the Women Vot- dessert ready when the washing is ers' Conservation league will meet at | finished.

tion to this. Fruit Ice. Mix . i.ee cupfuls of fruit or berry juice with one cupful of water, sweet-

UNDER NEW MANAGEMENT--WATCH THINGS HUM

Our firm name is "BASKET STORES COMANY," with an authorized capital of \$600,000.00. We expect to open a number of new stores in different cities. Also have larger, modern warehouses. WATCH OUR PRICES. By saving on your GROCERY BILL you will help win this WAR.

Any small grocer can make a few special prices, but when it comes to a complete list he is not in it. WE never have specials, but have several hundred prices lower than any Nebraska grocer every day. Save this list. Articles are in alphabetical order for your convenience. Prices are subject to market changes, up or down. These prices good in Omaha, suburbs and Council Bluffs. Lincoln prices are slightly different.
