FIRST STATEMENT ISSUED BY MAUPIN

Head of Publicity Bureau Tells What the Conservation Commission Will Not Do.

(From a Staff Correspondent.) Lincoln, Aug. 14.—(Special.)—Will M. Maupin, recently appointed to the head of the publicity department, this

morning issued his first "official docu-

"It is a little bit early to talk about what the new pulbicity department of the conservation and welfare commission is going to do or hopes to do. It is easier to tell one of the things that it is not going to do. One of them is that it is not going to help real estate dealers sell their real estate; nor is it going to make an effort to help Nebraska farmers sell their farms to other Nebraska farmers who already own farms. It will not be a real estate exchange. If it can help to locate landless men upon uncultivated Nebraska land it will do so, and, in, fact, will make every possible ef-

fort to do that very thing. "I take it that the purpose of the department is to advertise the resources and possibilities of Nebraska to the end that men and capital be interested in the development of Nebraska's uncultivated lands and industrial possibilities. In a short time the commission will have a meeting for the purpose of discussing and outlining plans for the publicity bureau's activities. Right now, I am fairly busy getting ready to perform whatever work the governor and the commission sees fit to assign to me. If by its activities this bureau can interest industrious men to the end that an appreciable amount of now idle but fertile Nebraska land is made productive or can interest capital in the

Funeral Services Held

For Cuming County Pioneer

West Point, Neb., Aug. 14.-(Special.)-The body of former State William Stucfer was brought here Sunday and was buried Monday afternoon in Mount Hope cemetery. The funeral was held from St. Paul's German Lutheran church, of which Mr. Stuefer has been a life long member. Rev. A. R. E. Oel-schlager, pastor, conducted the ceremony and preached the funeral ser-mon. Mr. Stuefer was one of the oldest pioneer settlers, having come here with his parents from Wisconsin in the year 1863. He had at many times been elected to positions of public honor and trust, occupying at various times the offices of coroner, county clerk, village clerk, mayor, president of the school board, state senator and state treasurer. He leaves, besides his widow, two sons, Otto and William, and four daughters, Mrs. J. T. Baumann, Mrs. D. B. Kountzmann and Misses Luella and Marie; also one sister, Mrs. T. V. Weinhold, and three brothers, Martin, Paul and Arnold.

Summer-Spoiled Skin Removed by Absorption

As undue summer exposure usually leaves an undesirable surface of tan, redness or roughness, often freckles, too, the sensible thing to do is to remove such surface. There's nothing better for this than ordinary mercolized wax, which actually absorbs an unwholesome complexion. The thin layer of surface skin is itself absorbed, gently, gradually, so there's no inconvenience, no detention indoors. Spread the wax lightly over the entire face at bedtime and take it off in the morning with warm water. If you will get one ounce of mercolized wax at the drug store, use it for a week or so, you may expect marked improvement daily. When the underlying skin is wholly in view your complexion will be a marvel of spotless purity and beautiful whiteness.

Don't let those summer wrinkles worry you; worry breeds more wrinkles. Banish them by bathing the face in a solution of powdered saxolite, 1 oz., dissolved in ½ pt. witch hazel. Used daily for a while this will be found wonderfully effective.—Adv.
