A Piano in Every Home

To Mothers--

- Have you been worrying about keeping the young folks at home? Analyze it a little. Almost invariably when the youngsters go out evenings you will find they go where there is music—that's what draws them. Keep them at home by putting a real attraction in your home. An APOLLO player-piano will not only furnish music for the older children to dance and sing, but will be an inspiration to the little tots—interest them in music at the most receptive age. Just as a child will learn French more rapidly with a French governess in the home, a player-piano in your home will hasten the musical progress of your children and enable them to learn more rapidly. We would like to talk this over with you. Your old piano is as good as cash in purchasing a player. A visit to us entails absolutely no obligation. Come in.

Our lines of pianos and player-pianos represent the finest, most dependable makes in the world. Pianos, \$225 up; Player-Pianos, \$375 up; Grands, \$465 up; Player Grands, \$950 up.

CAMPING AT ESTES PARK

With our picnic supplies we took along BUTTER-NUT Coffee. This made our cup of good cheer, which completed each meal of our perfect days of outing. An essential to any picnic or outing, or to your every day meal is coffee. Let that coffee be BUTTER-NUT. A good way to make coffee at the camp, is to put BUTTER-NUT Coffee, ground, in a small cloth bag, (about half a pound to a gallon of water), leaving plenty of space in the bag to allow the coffee to swell. Have the water boiling, drop in the bag of ground coffee and allow to boil further for a few minutes. You will then have not only a delicious, but a clear cup of coffee.

HAIR ON FACE DISAPPEARS QUICKLY

This method for removing superfluous hair is totally different from pastes and rub-on preparations, which merely remove hair from the surface of the skin, just like a razor. The only common-sense way to remove hair is to attack it under the skin. DeMiracle, the original sanitary liquid, operates on this principle. It alone contains certain ingredients which give it the power to rob hair of its vitality. It does this by absorption. DeMiracle works equally well for removing hair from face, neck, arms, under arms or limbs to prevent it from showing through stockings. Insist on the genuine DeMiracle. It is the only depilatory that has a money-back guarantee in each package. In 60c, \$1 and \$2 bottles at all toilet counters, or direct from us in plain wrapper on receipt of price. FREE booklet mailed in plain sealed envelope on request. Write for it today and read it before you make another application of any depilatory. DeMiracle Chemical Co., Dept. D, Park Ave. and 129th St., New York.

TODAY'S BEAUTY HELP

We find you can bring out the beauty of your hair to its very best advantage by washing it with canthrox. It makes a very simple, inexpensive shampoo, which cleanses the hair and scalp thoroughly of all the dandruff, dirt and excess oil, leaving a wonderfully clean, wholesome feeling. After its use you will find that the hair dries quickly and evenly, is never frayed in appearance and is always bright, soft and fluffy; so fluffy in fact that it looks more abundant than it is, and so soft that arranging it becomes a pleasure. Just use a teaspoonful of canthrox which you can get from any good drugist, dissolve it in a cup of hot water, this makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head.—Adv.
