URIC ACID An Enemy in Ambush

(By DR. M. C. LUCAS.)

It was not until the discovery by Sir Arthur Garrod in 1848 that the unrecognized person struck Jensen blood of gouty patients contained uric a blow in the face and fled. In the acid in an excessively large amount automobile was another young man that much attention was paid to this subject. Later scientific men learned Jensen took after the woman and that in gout (also true in rheuma-brought her back to the car and tism) the kidneys do not work properly to throw off the uric acid pois The woman gave her name and on; consequently uric acid crystals address as Jennie Smith, 514 South are deposited in and about the joints, Twenty-second street, and is held where an inflammation is set up in the nearby tissues. When for any reason the circulation is sluggish, as

> there and one suffers from gout; or, when deposited in the tissues, one suffers from muscular rheumatism or articular rheumatism. My only medicine to counteract the uric acid and to throw it out of the system is tablets of Anuric (double

strength) three times a day, The pain in the back, lumbago, pain in the neck, creaky joints, stiffness in muscles, have all been proven to be caused by uric acid poison in the blood and tissues. The kidneys soon become diseased, then there often follows disease in the muscles of the heart.

Kidney disease carries away large percentage of our people. What is to be done? What can the ordiary person do to properly balance bodily health? The answer is easy. Eat less meat, eat coarse, plain food, with plenty of vegetables, drink plenty of water between meals and take an uric acid solvent before meals for subile such as a trust (double) for awhile, such as Anuric (double strength), obtained at almost any strength), obtained at almost any drug store. It was first discovered by Dr. Pierce of the Surgical Institute in Buffalo, N. Y. Most every one troubled with uric acid finds that Anuric dissolves the uric acid as hot water will dissolve sugar.—Adv.

Bell-Ans Absolutely Removes Indigestion. One package provesit. 25c at all druggists:

Because these are the samples and surplus stocks of several manufacturers, we were able to obtain concessions that permit us to offer these splendid Shirts at prices without equal. If you will bear in mind that all Shirt materials are higher in price than they have been for years and that the cost of manufacture also is considerably more, then the splendid values we are offering will be fully appreciated.

Silk Shirts, at \$3.95

Silk Crepes, Silk Broadcloth, Jersey Silk, English Twill Silk, etc. Because they are samples, extreme care has been exercised in the making. The most beautiful patterns we have shown this year-in neat stripes, hairlines and pastel colorings and also plain colors. All sizes in the lot, but not every size in each pattern. They measure right up to the shirts that we have sold in regular stock at \$5.50 to \$8.50.

· Silk Fiber Shirts, \$2.45

This is an extremely good wearing fabric and we are showing these shirts in a variety of patterns, neat and bright colorings, in toned and pronounced stripes-also some checks, which are very new. All sizes in this lot. These measure right up to the shirts we have sold here at \$3.50 to \$5.00.

Main Floor-Men's Bldg.

Madras Shirts, \$1.45

All the Satin Stripes, Madras, Satin Stripe Soisette, Russian Cord Madras and Silk and Cotton Mixtures have been assembled together to be sold at this one price. Both soft French and laundered cuffs. All sizes in the lot. Stripes, checks, plain colors and fancy weaves. These measure right up to the Shirts we have sold in regular stock at \$2.00 and \$2.50.

And These Shirts at 95c

This includes samples and some slightly soiled splendid Shirts that would not be in this lot if it were not for this fact. Oxford weaves, Percales, Corded Madras, Satin Striped Soisettes, both collar attached and neckband style, soft or laundered cuffs. At this price these Shirts are extraordinary values. They measure right up to those sold in regular stock at \$1.50 to \$2.00.
