

FOURTH NEBRASKA ENTRAINS FOR DEMING; ITALIANS WIN COMPLETE VICTORY ON ISONZO

CADORNA'S MEN STORM MONTE SANTO, 2,245 FEET HIGH; TAKE POST OVERLOOKING GORIZIA

Italians Continue Furious Assaults and Pursue Retreating Austrians; French Secure New Lines on Verdun Front; Artillery Duel Forecasts Reopening of Battle in Champagne.

BULLETIN:

Rome, Aug. 25.—The Italian troops on the Isonzo front are marching to complete victory.

The battle along the Isonzo has developed further brilliant successes for the Italians who, it is now plain, are making one of their greatest efforts of the war.

General Cadorna's men, who at the beginning of the offensive, made a new crossing of the river north of Gorizia, at a point where the Austrians believed such a feat was impossible, have won another spectacular victory by scaling Monte Santo, 2,245 feet high, and placing their flag there.

SCALE MONTE SANTO.
This mountain top, seven miles north of Gorizia, dominates the plain to the east of the city. The Austrian line of defense was broken at several points and the Italians are pursuing the retreating Austrians.

Further south, on the Carso, fighting continues violently and incessantly. Austrian efforts to win back lost positions were defeated.

Having gained their principal objectives on the Verdun front, the French are completing their victory by local attacks to round out and secure their new lines. Profiting by the capture of Hill 304 yesterday, they advanced last night to the north of it.

Renewal of fighting in the Champagne may be forecast by the statement in the official French report that violent artillery engagements are in progress there. In Belgium also, in the vicinity of Bixchoote, the big guns are heavily engaged.

Tri-Color is Flying.
Rome, Aug. 25.—The tri-color of Italy has been flying since yesterday on the summit of Monte Santo, which was an Austrian stronghold on the Isonzo front, according to the official statement issued today.

The Italian second army, General Cadorna reports, has broken through the Austro-Hungarian line of defense at several points and is closely pursuing the Austro-Hungarians, who are retreating and defending the difficult ground, yard by yard.

French Score Victory.
Paris, Aug. 25.—The French scored a new victory on the Verdun front last night north of Hill 304. Three fortified works near Bethincourt were captured. The number of prisoners taken has been increased to 8,101.

Boy From the Fourth Is Named to Go to Annapolis Naval School

Paris, Aug. 25.—For the benefit of our dozens of readers we have, at great trouble and expense, learned the new "regles du vaie" of Paris:

1. Eau Chaud is procurable on Saturdays and Sundays and may be purchased and eaten all the days of the week but Mondays and Tuesdays.
2. Spirituous and intoxicating liquors may be purchased between noon and 2 o'clock and between 6:30 and 9:30 at night.
3. On Fridays between 12 and 12:40 one may use one's handkerchief.
4. Every Monday you may put on a different necktie, provided you get up before 9 o'clock.
5. You are permitted to carry a cane the third Tuesday of every month.
6. The stores are all closed every Sunday and between 12 and 2 on the other days. At all other times you may go in and buy something you don't want.

It is true that some of our people had been saying for a year or more before that time that Germany intended to attack us, but their warnings fell on deaf ears, so much so that no preparations were made.

Ralph R. Cox, son of Mr. and Mrs. Thomas Cox, 2874 Ida street, has been appointed to Annapolis by Congressman Lobeck.

While the statement regarding married men was in preparation new orders were issued, changing entirely the mobilization arrangements previously made.

Next Will Go September 19.
The next 70 per cent of the quota will go forward September 19, when the second 30 per cent originally was scheduled to go; a second 40 per cent will go forward October 3, instead of the third 30 per cent and the remainder 15 per cent will be called up as soon as practicable.

Text of Order.
Following is the text of the message sent to governors dealing with the status of married men, prepared at a conference late today between secretary Baker and General Crowder.
