

WOMEN REGISTER THE SAME AS MEN ALL OVER STATE

Miss Edith Tobitt Will Have Charge of Registering the Women of County for Voluntary Duty Sept. 12.

Wednesday, September 12, has been designated by Governor Neville as registration day for women.

The Douglas County Women's Council of National Defense is now busy arranging the machinery for getting a full registration in Douglas county of all women who are willing to do something in the way of war service. The same machinery will be used as was used to register the men for the selective draft on June 5.

There is this difference between the two registrations. That of the men was compulsory. That of the women is voluntary. Another difference is that only men between 21 and 31 years of age registered, but all women over 16 years of age are asked to register September 12. There is nothing compulsory about the women's registration even after they have registered, if they find it impossible to fulfill their promises.

Miss Tobitt Chairman.

Miss Edith Tobitt, head of the public library, is chairman of registration. On the committee with her are Mrs. N. F. Feil and Mrs. Osgood Eastman. Mrs. W. F. Baxter is chairman of publicity.

"There are 154 kinds of service that women can do," said Mrs. Baxter. "These come under various heads, such as agriculture, clerical, industrial, domestic, professional, public service, social service and so on. There are also opportunities for making contributions of useful articles."

"Certain kinds of work will be paid for. Other kinds will be given without payment. It is not necessary even that a worker be able to speak English."

About 500 women will be needed to take charge of the registration places on September 12, working in three shifts. The registration places will be open from 7 a. m. to 7 p. m. All women are urged to register as a patriotic duty.

Douglas County Officers.

The officers of the council in Douglas county are as follows: Mrs. A. L. Fernald, chairman; Mrs. James A. Dahlman, Mrs. F. H. Cole and Mrs. George A. Joslyn, honorary vice chairmen; Mrs. J. E. Summers, first vice chairman; Mrs. A. C. Troup,

COMMERCIAL CLUB TO INSPECT SIXTH

Battalion Commanded by Major Harries to Show Appreciation for Favors Extended to Sixth Regiment.

The Omaha battalion of the Dandy Sixth will be inspected Sunday at 4:30 p. m. by the president of the Commercial club and a committee of its directors.

"The club has been so kind to us that we planned this little review to show them the whole battalion together," said Major Harries.

"The companies will be lined up on the streets near the Auditorium and will march by for inspection."

"The Commercial club has raised funds, has made speeches, hired halls and done everything it could do to make for the comfort and success of the Omaha battalion of the Sixth regiment. It will take pleasure tomorrow in seeing the whole battalion in formation and it will feel its efforts repaid when the 500 or more young men stand in military array before it."

General Fails to Write.

Major Harries knows his father, General Harries, commander of the Nebraska brigade, has arrived safely at Deming, because he read it in The Bee.

"But he has no time to tell me," laughed the major. "He is too busy for family correspondence."

Major Harries hopes to go to Deming soon with the Sixth. But no orders to entrain have been received by him and the men at the Auditorium are engaged in their regular routine at Washington hall.

"This does not mean we may not go soon," said Major Harries. "We can be ready in fifteen minutes if necessary. When the call comes we will be off in a hurry."

Women Take Interest

In Families of Soldiers

Omaha women are urged to write and wire Nebraska congressmen in Washington urging passage of the bill pending in congress providing for family allowances, indemnification, re-education and insurance of soldiers and sailors in Uncle Sam's service. The request comes in a letter from Sarka Hrbkova of Lincoln to Mrs. A. L. Fernald, county chairman for the women's committee, State Council of Defense. Miss Hrbkova heads the state women's committee.

The bill is sponsored by President Wilson, Secretary McAdoo and the National Council of Defense.

Mrs. Fernald has called a meeting of her committee for Monday afternoon at the Young Women's Christian association to plan for women's registration day, September 12.

Lieutenant Hayes Formerly Was Member of the Great Bee Family

Lieutenant Charles P. Hayes of Company A, Sixth Nebraska infantry, is another of "The Bee family" who is serving his country in time of war. Lieutenant Hayes formerly was employed in the editorial department of The Bee. Since the mustering in of the "Dandy Sixth" he has been doing intensive drilling of his company and has been highly commended by his superior officers for the work accomplished.

Lieutenant Hayes is an Omaha boy, son of Mrs. C. W. Hayes, and a nephew of Miss Susan Paxson, head of the Latin department of the high school.

"Cannonball" Baker Breaks Four Motorcycle Records

Erwin G. (Cannonball) Baker has again established four motorcycle world's records on his Powerplus Indian at the Cincinnati speedway, thus duplicating his performance of June 28 on the same track.

Baker set a new twenty-four-hour world's record of 1,534 1/2 miles; a twelve-hour record of 821 1/2 miles and covered 500 miles in 6:59.15. Baker passed the 1,000-mile mark in 16:14 1/2. Both the 500 and 1,000 mile marks are world's records.

Baker's record of 1,534 1/2 miles exceeds the former record held by Parkhurst by eighty-one and three-quarter miles. His time for the 1,000 miles was 54 minutes and 13 seconds less than that of Parkhurst, and for 500 miles was 36 minutes less. Baker also eclipsed his own record of 702 miles in twelve hours, making 821 1/2 miles in that time.

New Paving on Eleventh

Completes Lake Circuit

With the completion of the paving on Eleventh street from Nicholas to Lake streets a fine new route will be opened to the Carter Lake and the Lakeshore boulevard. The tourist can start at Sixteenth and Nicholas streets and from there motor to Eleventh and Lake streets on new brick pavement. At this point he turns

east on Lake and follows it for seven blocks when he turns north and finds himself riding on the Lakeshore drive which has been completed around Carter lake.

The new route is as picturesque as the one on Locust street. Nicholas and Eleventh streets have just been paved with brick. Lake street from Eleventh east is paved with cobble stone. This strip of paving is not as perfect as the brick, but is in good condition.

BULGARIAN PREMIER FAVORS PEACE PLAN

Radoslavoff Declares Central Powers Ready to End Conflict; Blames Entente for War.

Sofia, Thursday, Aug. 23. (Via Berlin and London, Aug. 25.)—"We want peace and desire to end this terrible bloodshed," said Premier Radoslavoff, in an interview on the papal peace note.

"We have been emphasizing this attitude for more than a year. Last December we offered peace to the entente, but it preferred to seek its fortunes in a continuance of the war. In the nine months intervening our military situation has become nine times more favorable and every day proves it is becoming still stronger."

"I do not believe the pope sought to get in contact with the different government heads before transmitting the note for the purpose of discovering if they desired peace. The entente appears to make every effort to prepare public opinion for a brusque refusal of papal mediation, whereas the central powers welcome it with sincere sympathy."

"The central powers will make concrete proposals in keeping with the papal note and will answer it individually."

"Whether peace will come soon who can say? We want peace, but are calmer than ever, nor are we ask-

ing for peace for the benefit of mankind. We desire peace to come soon and unless this occurs before long the entente alone will have occasion to regret it."

Cross Continent in Autuo Trip from School

Motoring home at the conclusion of the school year, making the trip from New York to Los Angeles, was the experience of the two sons of W. M. Garland, prominent real estate dealer in Los Angeles, Cal. The young men had been attending school in the east, and together with their father drove home in the latter's new Marmon 34.

The National Old Trails route by way of Pittsburgh, Columbus, O., St. Louis and Kansas City was chosen for the trip, which was made in eight days, and the greatest day's mileage was made between Kansas City and Dodge City, Kan., a distance of 389 miles. This stretch was covered in thirteen hours, and over roads that were in fair condition.
