Trimble is president and Mr. Allan B. Hamilton secretary, announces a series of dancing parties to be given in the Fontenelle ballroom. The ballroom has been engaged for the following evenings: October 20, November 10, December 8 and 22, January 5 and 19, February 2 and 16 and March 2.

Superfluous Hair WHY IT INCREASES

It has been proven by the world's greatest authorities that so-called hair removers stimulate and increase hair growth after each removal, because they only remove hair from the surface of the skin, just like a razor.

The only common-sense way to remove hair is to attack it under the skin. DeMiracle, the original sanitary liquid, operates on this principle. It alone contains certain ingredients which give it the power to rob hair of its vitality. It does this by absorption.

DeMiracle works equally well for removing hair from face, neck, arms, under arms or limbs to prevent it from showing through stockings.

Insist on the genuine DeMiracle. It is the only depilatory that has a money-back guarantee in each package. In 50¢, \$1 and \$2 bottles at all toilet counters, or direct from us in plain wrapper on receipt of price.

FREE booklets mailed in plain sealed envelope on request. Write for it today and read it before you make another application of any depilatory. DeMiracle Chemical Co., Dept. A, Park Ave. and 129th St., New York.
