

### EIGHTEEN CASES ON CRIMINAL DOCKET

All Appealed Liquor Cases Will Be Tried Before Same Judge at District Court Session Monday.

The first case on the district court criminal docket, which begins next Monday morning, will be the trial of John Pitloun, who killed his wife, Bessie Pitloun, on the South Side June 21. Pitloun is charged with first degree murder. He shot his wife to death after a dispute over money matters.

There are eighteen prisoners in county jail awaiting trial for crimes. One of them is Charles Smith, negro, suspected of implicitly in the brutal slaying of Mrs. C. L. Nethaway, wife of a Florence real estate man, a few weeks ago. Smith is charged with first degree murder. The case against him is based purely on circumstantial evidence.

Last year the criminal docket opened with sixty prisoners in county jail awaiting trial for serious crimes. Judge Sears, presiding judge of district court, announced he would assign all liquor appeal cases, which will be tried before a jury, to one judge. There are about thirty cases of alleged violations of liquor laws appealed from lower court to be tried. The judge, whose name has not yet been announced, will hear nothing but liquor cases for several weeks.

### Governor Neville Visits Machine Gun Company

"Why—er—I have a friend coming into town for the day and he would like to visit the Auditorium," said a young lieutenant hesitatingly to Major Harries. "Can I bring him up to see you?"

"Surely," responded Major Harries, heartily. "Glad to see him. By the way, who is he?"

"Oh—just the governor," answered Lieutenant Cecil Cool of the machine gun company, bashfully.

Governor Neville made a trip to Omaha especially to see his young friend, Lieutenant Cool, before he went to Deming. As soon as he arrived, he and Cool went to luncheon together and were lost to the world for some hours while they discussed the prospects for football this fall.

The governor has known Lieutenant Cool since he was a toddler. Both are great football fans, and Cool is a famous star in that sport. Last summer, Cool acted as chauffeur for the governor in his campaigning tours and their chief delight was to stop in a shady spot and talk football, while politicians cooled their heels and wondered why in blazes the governor was late.

### Appeals When Fined For Selling Liquor

Richard Kimball, 1210 South Sixteenth street, who was charged with selling and keeping intoxicating liquors, pleaded not guilty in police court Thursday morning. He was fined \$100 and costs by Judge Fitzgerald, but appealed to the district court. He was released on \$200 bonds.

### Obituary Notice

HERMAN R. KOHN, aged 56 years, 1645 Park avenue, died Wednesday afternoon at the state hospital at Kearney of consumption. He was the son of Edward Kohn, Omaha business man, who died within the last year. Herman Kohn had charge of the theater programs and advertisement in all the leading theaters of Omaha for the last seven years. He was taken sick a few months ago with the disease, which overcame him, and despite every effort was unable to ward it off. Herman Kohn was married, but had no children. In addition to his wife he is survived by his mother, Mrs. Sarah Kohn, and sister, Miss Ernestine Kohn, with whom he made his home. Two brothers, Isadore and Moses, also survive him. The funeral will be from the C. C. Haynes undertaking parlors at 19 a. m. Friday.

### Stolen Auto Tires Are Found in North Side Garage

Police believe they have finally captured the guilty persons who have been active in the north part of the city, for the last six months, breaking into private garages and stealing automobile accessories and tires, and then disposing of them to owners of automobiles.

Officer Wade arrested Thomas Riggs, 2915 Sherman avenue, and Fred W. Lunbeck, 1411 Wirt street, who have been under surveillance for some time. Officers searched the Lunbeck garage and found two stolen automobile tires on rims in the back of an automobile. It was learned that they were stolen during the night. A pair of heavy wire cutters, which the thieves used to cut chains binding tires to the rear of automobiles, was taken in possession by the police.

### Leong Tong, New Chinese Corporation, is Organized

The Leong Tong, otherwise known as the Chinese Merchants' association, has filed articles of incorporation in the office of County Clerk Dewey. The majority of the incorporators, Leo Wing, Chue F. Sur, Mark Lung, Lew Dong and Lew Goev, are citizens of the United States. The tong was incorporated, the Chinese merchants said, not for the purpose of profit, but for the purpose of promoting industrial and fraternal welfare of its members and the public generally.

### Dozen Auto Drivers Draw Dollar Fines

Twelve automobilists who were haled into police court Thursday charged with operating without lights, and having open cutouts, received light fines, \$1 and costs, being imposed on all.

A. L. Decker, 336 North Forty-first avenue, was fined \$2.50 and costs for passing a street car while it was taking on and discharging passengers.

### Horses and Horsemen Is the Cry of Samson

Horses and horsemen. This is Samson's call. He leads both for the big parades for the fall festival. Samson says, "No Horseman No Parade." Anyone who can ride a horse or has a horse that could be used in the parade, please call up Oscar Lieben, Douglas 4115 or else call at his store and have costumes fitted. Call at Sixteenth and Howard streets, fifth floor.

### Reckless Auto Driver Escapes After Smashup

C. A. Petersen, 4402 North Thirtieth street, Wednesday night reported to the police that he saw a horse and buggy struck by a speeding automobile on the Calhoun road north-west of Florence. The horse and buggy were both thrown over an embankment which lines the road and the buggy was completely demolished. The occupants, a man and woman, were also thrown down the embankment, but escaped serious injury, said Mr. Petersen.

The autoist sped away without stopping to inquire if anyone was hurt. Petersen took after him in an effort to obtain his number, but without success. When he returned the man and woman were gone.

### Railroads Make Drive To Sell Liberty Bonds

The railroads of the United States are preparing to make a drive to aid in the selling of the second issue of Liberty bonds. Colored posters telling of the bonds are going to be posted in the waiting rooms of every passenger depot in the United States and the company employees are going to be asked to subscribe to the bonds.

Of the first issue of Liberty bonds, the 1,750,000 railroad employees subscribed to \$20,000,000 and on the drive that is to be inaugurated it is proposed to double this sum if possible.

### Smith Brick Yard Again Before the City Council

The Smith Brick yard at Twenty-fourth and Poppleton avenue, a thorn to the city council for several years, bobbed up again at the morning session of the commissioners.

Representatives of the United Improvement Clubs appeared before the council to urge further action against the brick yard. It was alleged the brick yard is working over a two days a week, just enough to hold the location and that it is obtaining dirt for the manufacture by digging below the street grade.

### Ad Club Will Give Dinner To Ladies at Blackstone

A made-in-Omaha dinner will be served on the annual "ladies' night" at the Ad club Thursday evening, September 20. The dinner will be held at the Blackstone roof garden at 7 o'clock. Following the dinner will be dancing and some surprise stunts arranged by various talented members of that organization. Members are invited to bring their ladies and other friends.

### Auto Tire Company Incorporates for \$25,000

American Racing Tread company, incorporated with a capital of \$25,000 to manufacture automobile, motorcycle and bicycle tires, has filed papers with the county clerk. Charles J. McDonald, Thomas H. Cooper and Weston A. Eddy are the incorporators.

### Mohawk Realty Company Has Large Capital Stock

The Mohawk Realty company has filed articles of incorporation in the office of the county clerk. The capital will be \$100,000. Virgil Haggart, R. M. Crossman and H. E. Maxwell are the incorporators.

### FIND NO WELLS OF FARMERS' COMPANY

U. S. Marshal's Office Piled High With Records of Firm Whose Offices Were Raided.

Hundreds of Nebraskans were heavy investors in the stock of the Farmers' Oil and Gas company, whose offices in the Paxton block were raided by state and federal agents Wednesday and whose offices were arrested.

The office of United States Marshall Flynn is piled high with the stationary, records, maps, etc. of the company. Among these things is a large bundle of stock subscription blanks to which the names of many Omahans are signed. Citizens of Lincoln, Grand Island and Fairbury are also numerous among the subscribers to the oil stock.

Large maps showing the holdings of the company in Pittsburg county, Oklahoma and Butler county, Kansas were also taken.

### Catarrhal Deafness May Be Overcome

A simple, safe and reliable way that calls for no ugly trumpets, phones or other instruments

To be deaf is very annoying and embarrassing. People who are deaf are generally mighty sensitive on this subject. And yet many deaf folk carry around instruments that call attention to their infirmity. Therefore people who are hard of hearing, who suffer from head noises, or who are actually deaf from catarrhal trouble, will be glad to know of a simple recipe that can be easily made up at home for a few cents' cost that is really quite efficient in relieving the disagreeable deafness and head noises caused by catarrh.

From any drug store get one ounce of Parment (double strength) about 90c worth. Take this home and put it into a simple syrup made of 1/4 pint of hot water and four ounces of ordinary granulated sugar. Take a tablespoonful four times a day.

This treatment should be tonic action reduces the inflammation in the middle ear that a catarrhal condition would be likely to cause and with the inflammation gone the distressing head noises, headaches, cloudy thinking and that dull feeling in the ears should gradually disappear. Anyone who suffers from catarrh, catarrhal deafness or head noises should give Parment a trial. It is pleasant to take and is quite inexpensive.—Advertisement.

Government officials say they have failed to find trace of any wells being drilled by the company.

The present complaint against the promoters is made by the state. Federal officials say it is likely they will be prosecuted also under the federal laws for using the mails to defraud.

Appearance bonds were furnished for Don E. DeBow, and Jacob Kabinell, officials of the Farmer's Oil and Gas company. C. D. Hollingsworth, who was out of the city at the time of the raid, has returned, was arrested and also furnished appearance bonds. The date for the trial has been set for September 21.

### Oil Fields Booming In Vicinity of Casper

Harry Snyder, chief clerk to General Manager Walters of the Northwestern, is back from Casper, Wyo., where for three weeks he was acting superintendent of the Wyoming division of the road, taking the place of Superintendent Lever, who was on his vacation. Mr. Snyder asserts that Casper is continuing to boom and

### Sues Railroad for Fifty Thousand for Injuries

William Lenz is suing the Burlington railroad for \$50,000 in district court, alleging permanent injuries suffered August 4 when he was unloading a car of sand. He says his skull was fractured and his memory injured. A blood clot on his brain causes loss of sleep, according to the petition.

# CONAPHORE

## THE AUTO LIGHT THAT'S RIGHT BY NIGHT

Conaphore Headlight Glass gives you the nearest approach to daylight driving.

The construction of the Conaphore is such that it holds a clear, steady stream of light straight down the road, below the eye level of on-coming traffic.

Conaphores are made in both Noviol and clear glass. Noviol is a patented yellowish tint which permits you to see through fog and dust, because it eliminates "back-glare." After you have once tried Noviol you will not be satisfied with anything else, although the clear glass Conaphore produces the same long-spreading beam which can be obtained only by the Conaphore design.

The Conaphore meets all anti-glare laws and regulations, and is easy to install and keep clean. Its price is reasonable; from \$2.50 to \$4.50 for the average car.

Get Conaphores and ride by night with safety, comfort and pleasure. Get a pair today; tonight may be the night you will need them most. Be sure your lamps are straight and the bulbs in focus. Full instructions on every package.

Smooth front surface will not clog with mud or dust.
