Fall Gloves At Modest Prices

Imported and Domestic made kid gloves still at moderate prices in this Glove Store. Here our buying power and

foresight enable us to offer you good savings. Our kid glove stocks are complete and our prices are way below today's market quotations. For instance,

Women's Two-Clasp Lamb Gloves, Imported From France, at \$1.25 a Pair-If we were to buy these gloves in today's market, we could not sell them for less than \$1.75 to \$2.00. Also Women's Real Kid Gloves at \$2.00 a pair which we would

have to sell at \$2.50 or more if bought in today's market. These real kid gloves imported from France come in black, white, tan and gray. The latter shades—light and dark. They come either plain or with black embroidered backs.

Another lot we wish to mention (illustrative of the values we are offering) is a quantity of about 50 dozen real French Kid Gloves, in white only with black backs, which we are selling at \$1.50. If we would buy these today, we could not sell them for less than \$2.25 or even more, and so, throughout our Glove Store

we are giving proportionate values—greater than ever before. We, therefore, wish to urge upon you the wisdom of prompt shopping. Our quantities are liberal—yet at the prices at which we are selling these gloves they are sure to be depleted are long.

We want to mention in particular that our stocks of Perrin's Imported and Domestic Gloves are altogether complete now. Main Floor.

The Acme of Style and Good Service

Broadcloth, Serge, Silvertone, Cheviots, Velvets, Velours, Poiret Twills and Jersey Cloths are employed to the best advantage.

One of the models, for example, is made after this fashion-Silvertone, which is a very fine velour with a little softer finish, made into a suit with coat having a semi-fitted back, mannish style with vertical slot pockets barely visible because of their evcellent tailoring. Half turned back cuffs and large pointed collar. Straight line tailored skirt with belt and tailored pockets. This is a very nobby suit, but there are scores of others, at\$35.00

Other Suits are trimmed with fur collars and cuffs and a wide border of fur around the bottom of the coat. Belted style, making them semi-fitted. Trimmed with self-covered buttons.

The Colorings in this lot of Suits at \$35.00, are Navy Blue, Beet Root and Reindeer Brown, Black, Viyella Green, Burgundy, etc.

IT IS INTERESTING TO SEE that the military influence, more or less modified, is shown in many suits.
