HAIR ON FACE DEVITALIZED

Unlike pastes and rub-on preparations, which merely remove hair from the surface of the skin, DeMiracle, the original sanitary liquid, devitalizes hair by attacking it under the skin. It alone contains certain ingredients which give it the power to rob hair of its vitality. It does this by absorption.
DeMiracle works equally well for removing hair from face, neck, arms, under arms or limbs to prevent it from showing through stockings.
Insist on the genuine DeMiracle. It is the only depilatory that has a money-back guarantee in each package. In 60¢, \$1 and \$2 bottles at all toilet counters or direct from us in plain wrapper on receipt of price.
FREE booklet mailed in plain sealed envelope on request. Write for it today and read before you make another application of any depilatory. DeMiracle Chemical Co., Dept. B, Park Ave. and 129th St.

WEAR A DIAMOND

It will help you in your business.
It will help you in a social way.
It will give you standing in "your set."
It will give you a sense of security.
It will place you in the "prosperous class."
It will open the door to opportunity.

It is a gilt-edged investment, because it never grows old—it never becomes second-hand—it is always in style. A genuine diamond will be worth more every year you own it—its increase in value pays a greater rate of interest than a savings bank.

You cannot decide any too soon to buy a diamond. They are cheaper today than they will probably ever be again. Money invested in a diamond is SAFE. It is not an extravagance or a luxury—it is a WISE INVESTMENT. Remember, our store is open every evening until 9 o'clock.
