Farewell Reception Planned For Red Oak Selected Men

Red Oak, Ia., Sept. 21.—Preparations have been made for a big farewell demonstration for the nine boys who will leave here Saturday noon to join the draft army at Des Moines. There will be a parade composed of the newly organized volunteer military company, Red Cross and Elks, headed by the Stanton band. Invitations have been sent to Villisca, Stanton, Elliott, Grant and every corner of the county and it is expected that there will be a big crowd here to see the boys leave. The business houses of Red Oak will be closed from 12 to 1 o'clock. Following are the boys who will leave:
William J. Foster, Coburg; George H. Crum, Villisca; Erick Munson, Red Oak; Archie L. Zaelke, Red Oak; Frank L. King, Villisca; James Albenworth, Red Oak; Marvin Jarboe, Elliott; George S. Mulford, Red Oak.

Notice was received Saturday by the local exemption board from the district board that William D. Rees of Lincoln township and John T. Stewart of Garfield township had been exempted from service in the draft army. Stewart would have been one of the men to leave for Des Moines Saturday had he not been exempted.

Ted Metcalfe to Fort Sill for Special Instruction

Lincoln, Sept. 21.—(Special.)—A letter from Lieutenant Ted Metcalfe of C company of the Sixth regiment to his brother, Lee, of the governor's official family, contains the information that the lieutenant has been selected as one of five men to be sent to Fort Sill to receive instruction in machine gun work.
All the other four selected were captains of companies, so that the selection of Lieutenant Metcalfe as the only lieutenant of the detail is a testimonial of his rapid advancement along military lines.

Nebraska Recruits; Roosevelt Will Be "Delighted"

Dunbar, Neb., Sept. 21.—Four babies in one day—two Red Cross girls and two soldier boys—was the record of a physician at Dunbar, Neb., a bustling little Nebraska town of 350, yesterday. Friends have wired the glad tidings to "Teddy" at Oyster Bay, and as the American flag flies over the homes of these new, potential recruits to the nation's army of brave defenders, it is certain he will be "delighted." And the old flag waves over these homes and flutters just a little extra to the breeze today for some reason, best known, probably, to itself. All concerned doing nicely, says the doctor.

COUNCIL REQUESTS CARE IN EXEMPTION

State Defense Board Asks Consideration to Men With View of Crop Situation.

(From a Staff Correspondent.)
Lincoln, Sept. 21.—(Special.)—The State Council of Defense in a communication to the county councils have urged special consideration of young men for exemption who are engaged in agricultural work. The communication reads:
"Governor Neville at a recent meeting of the State Council of Defense made mention of the fact that quite a number of young farmers, both married and unmarried, who have been called by the recent draft have live stock and corn crops which will have to be cared for. He suggested that the local councils of defense be asked to see that the interests of these men become a special obligation to the communities where such cases exist and that their crops of corn be harvested and cared for to the utmost possible extent. A resolution was introduced by the governor to this effect and adopted by the state council."
"We ask your cordial and special co-operation in this important patriotic matter."
