

NEW YORK CLINCHES LEAGUE PENNANT

Grab Two-to-One Victory From Cards; Doak Hits Champs to Four Hits, However.

St. Louis, Sept. 24.—New York clinched the National league pennant by winning today's game from St. Louis, 2 to 1. Doak held the new champions to four hits, but these came when hits were needed and Doak lost. The locals bunched three singles off Sallee in the seventh which with an infield out gave them their lone run. Score: NEW YORK, 2; ST. LOUIS, 1.

RED SOX SHUT OUT AMERICAN CHAMPS

Russell Gives Way to Williams, After Four Innings; Neither Chicago Pitcher Hit Hard.

Boston, Sept. 24.—Ruth of Boston shut out Chicago today, 3 to 0, turning back the new American league champions when they came within scoring distance. Russell tried out his arm for four innings and then gave way to Williams, another southpaw whom Rowland may use in the world's series. Neither Chicago pitcher was hit hard. Score: BOSTON, 3; CHICAGO, 0.

REBELLION CALLED PLOT OF KERENSKY

Petrograd Stirred by Revelations that Premier Sent For Korniloff's Troops and General Sent Too Many.

(By Associated Press.) Petrograd, Sept. 24.—The Korniloff mystery, arising out of the recent revolt, has developed dimensions which threaten existence of the cabinet, particularly the position of Premier Kerensky. The newspapers representing the left and right parties demand an explanation from the government, while the Bolshevik organs openly accuse the premier, in the words of the Nabotchi Post, of being in a conspiracy with Korniloff to crush the Petrograd proletariat and the Workmen and Soldiers' delegates with the help of cavalry corps sent against Petrograd.

Record Trip Lands Big Order for Kissel Factory

Driving from Milwaukee, Wis., to New York City, a distance of 1,600 miles, in forty-six hours running time, is the recent performance of a stock Kissel hundred point six four-passenger sedan.

It was driven by both Ray Courtenay, one of the Kissel factory men, and Superintendent Jaccard of the C. T. Silver Auto company of New York City. Immediately on completion of the trip, which was suggested by Mr. Silver, this well known metropolitan concern, one of the largest retail automobile distributors in the world, closed a heavy contract with the Kissel factory for the exclusive distribution of Kissel all-year cars and trucks in Greater New York and adjacent territory.

Women and the War Work

Mrs. Thomas Orr has been appointed chairman of the housewife committee by President Gould Dietz of the Omaha chapter. Mrs. Orr will name her committee at once and they will begin work on 600 housewives, which will be given to the Omaha men as they leave with the national army.

Plans are now underway for an institute for home service workers of the Red Cross under the supervision of the civilian relief committee, of which Mrs. C. M. Wilhelm is chairman. At the conclusion of a conference in Washington last week manuals of instruction were mailed to the chairmen of all Omaha relief committees, instructing them to present the facilities of their respective cities for work along these lines. Thirteen divisional schools for this work are to be established by the national Red Cross, but should Omaha not receive one of these an extension school will be established. The course will include training of volunteers for social work among families of soldiers' dependents.

Sears Girls Hold Own in Tennis Open at Boston

Boston, Sept. 24.—Miss Evelyn Sears, former national single champion, and Miss Elenora R. Sears, holder of the national doubles title, won their matches with ease in the opening round of the women's patriotic lawn tennis tournament at the Longwood Cricket club today.

Miss Evelyn Sears defeated Mrs. Kenneth Billings in five sets, in which Elenora Sears defeated Miss Helen Shelden, 6-2, 6-2. The field was somewhat small and the play as a whole of a routine character. The only unexpected happening was the defeat of Mrs. N. W. Niles by Miss Katherine Farrar, in two hard-fought sets.

Pete Herman Holds Off Draft To Make on Profitable Bouts

New Orleans, Sept. 24.—The federal district appeal board here today granted Pete Herman, world's bantamweight pugilist, until November 15 to report for duty with the national army.

Herman told the board he wanted to accept an offer of more of \$6,000 for five bouts, so as to adequately provide for his aged parents.

Ebbets Found Guilty On Sunday Base Ball

New York, Sept. 24.—A sentence of guilty for playing base ball on Sunday for money was handed down today in the court of special sessions, Brooklyn, in the case of Charles H. Ebbets, owner of the Brooklyn National league base ball team, and his manager, Wilbert Robinson. Sentence was suspended. The game was an exhibition one played last July for the benefit of a war charity.

Aurora to Meet Grand Island. Aurora, Neb., Sept. 24.—(Special.)—Coach Eiler and Captain Titman of the Aurora High school will select their foot ball team for the season at a meeting to be held at Grand Island next Friday, September 28. The Aurora team will be light this year, but that they lack in weight will be made up in speed. Only four of last year's men are out this year.

U. S. IS FIGHTING GERMAN PEOPLE DECLARES T. R.

(Continued from Page One.) This time can claim to be a real democrat or a real lover of free institutions. He is false both to democracy and freedom.

Germany has well matured plans for the conquest and oppression of the United States, he said. This was evidenced, he said, by the conversation of some recently captured German officers who talked to their English captors freely without knowing that an American officer was present.

Thieves Enter Five Places Sunday Night

An epidemic of thievery broke out in the south end of town Sunday night. Lynam & Brennan Grocery company, 2208 South Sixteenth, reported this morning that its store had been broken into and 338 pounds of cheese, a comb of honey, 400 pounds of flour, four strips of bacon, fifteen pounds of butter and six cans of cigars carted away by the burglars.

Joe Jackson is Exempted From National Army

Greenville, S. C., Sept. 24.—Joe Jackson, the Chicago American league team's star batter, has been granted exemption from selective draft in the national army. Jackson's home formerly was here and the local exemption board, whose action is reviewable by the district board, granted him exemption on the ground of a dependent wife.

Receives Fractured Skull When Struck by Train

Henry Gitsen, employed at the junk yard of A. Ferer, Eighth and Douglas streets, was struck by a freight switching in the yards and received a badly crushed skull. He was conscious after the accident happened and stated that he was leading a horse across the track when he was struck by the train. His recovery is doubtful.

Jury Empaneled to Hear \$17,000 Damage Case

A jury was empaneled Monday morning in district court to try the case of John L. Lynch against the street railway company. Lynch is suing for \$17,000, alleging permanent injuries suffered in September, 1916, when an automobile in which he was riding was struck by a street car. Nicholas' damages suits against the street railway company are being tried before Judge Wakeley, sitting in law court.

To Talk Munny Coal Yards At City Council Today

An ordinance providing for the establishment of a municipal coal yard will be introduced before the city council at its meeting this morning. Corporation Counsel Lambert expects to have the ordinance completely drafted and have it in Commissioner Butler's hands for introduction Tuesday. The ordinance calls for the creation of an emergency fund to get the munny coal company started.

Omaha District Luther League Elects Officers

The Omaha District Luther league of the Augustana synod held its eleventh annual meeting at Augustana church, Benson, last week. The following officers were elected for the coming year: President, Mr. Carl Lof; secretary, Miss Irene Quick; treasurer, Mr. Carl Johnson.

HARNESSING the MOUNTAIN to Conquer the Mountain

The mountains for years almost impassable barriers to transportation have been made to yield their limitless store of energy to the service of man.

The tremendous forces of mountain torrents have been fitted to the yoke of achievement and now furnish the power that hauls the great all-steel trains of the "Milwaukee Road" across the backbone of the continent—440 miles through the Belt, Rocky and Bitter Root Mountains. An additional 211 miles is being electrified through the Cascade Mountains, Washington.

When next you journey to the cities of the Pacific Northwest travel electrically on either of those famous trains "The Olympian" or "The Columbian."
