FARMERS UNION MAN  
RAPES NONPARTISANS

Statement Made by Organizer  
at Lincoln That New Move-  
ment Is Not Satisfactory  
to Soil Owners.

(From a Staff Correspondent.)  
Lincoln, Sept. 25.—(Special).—The  
nonpartisan movement among the  
farmers and others of Nebraska is  
not getting very far, according to a  
well known organizer for the farm-  
ers' union who has been in Lincoln  
for a few days.

According to this man, the effort  
to have the farmers' union endorse  
the new movement is not advancing.  
He says the farmers' union was or-  
ganized and one of its fundamental  
principles was to keep out of the  
political game so far as its members  
running for office. On the other  
hand the one great object in the non-  
partisan organization is running for  
office. The two cannot mix any more  
than oil and water will mix.

The farmers' union is interested in  
politics just so far as getting the  
right man into office, but it reserves  
its privilege of selecting the men from  
the nominations made by the political  
parties. Should neither of the can-  
didates for an office be acceptable, the  
union might then select a man, but  
that would be looked upon as a sort  
of emergency proposition.

The nonpartisan movement in the  
Dakotas has not panned out in the  
way its promoters desired it in that  
a legislature elected and controlled  
by the nonpartisan party was unable  
to do anything. Many of the laws  
passed were unworkable and one of  
the most important laws passed by  
one of the legislatures of those states  
was so crude and impossible that a  
governor elected as a nonpartisan  
candidate was forced in the interests  
of the state to veto the bill.

Request to Equip Guards  
Brings Storm of Protest

Columbus, Neb., Sept. 25.—(Spe-  
cial).—The county board and the city  
council have been asked to make an  
appropriation to assist in equipping  
the home guards. As a result the  
proposition has met with a storm of  
protest from Red Cross leaders in  
Columbus. Their disapproval is so  
great that a committee of Red Cross  
workers have called upon Mayor Ker-  
senbrock and other city officials re-  
monstrating against this action on the  
part of the city. They also state  
their intention of making a like pro-  
test to the county board.

"If Platte county and the city of  
Columbus have any extra money, let  
them make an appropriation to the  
Red Cross where it will do the most  
good," said a prominent Red Cross  
worker today. "Appropriating money  
for equipping the home guards is a  
useless expenditure of money and in  
extremely bad taste in view of the  
recent appeals from the state and gov-  
ernment for conservation," she con-  
tinued. "In order to provide for the  
comfort of our own boys who will  
soon be in the trenches, Red Cross  
workers throughout the county have  
been forced to the necessity of ac-  
cepting dimes and nickels. In order  
to raise money for the yarn fund,  
Columbus workers were recently  
forced to give a pavement dance. Pos-  
sibly, the dance was not the proper  
thing, but under the circumstances,  
what are we to do? The money must  
be raised, and raised at once."

"Besides, what is the use of equip-  
ping the home guards with uniforms  
and guns?" she asked. "It is the  
rankest kind of foolishness and we  
protest against such a useless expen-  
diture of money. The Red Cross  
needs money far more than the home  
guards need uniforms."

Deputy Ayres Won't O. K.  
Bill for Making Transcript

(From a Staff Correspondent.)  
Lincoln, Sept. 25.—(Special).—It  
"ain't no use" trying to put anything  
over when Deputy State Auditor Fred  
Ayers is on the job. Deputy Fred  
slipped off for a few days' vacation a  
few days ago, but he is back on the  
job and John Taggart of Omaha, who  
is a district court reporter, will have  
cause to remember when his mail  
is delivered to him in a day or so.  
Mr. Taggart prepared a transcript  
in connection with the application for  
a change of venue in the recent con-  
troversy between the Business Men's  
association of Omaha and the striking  
union workmen. He sent in a bill  
for \$11.20. Deputy Ayers says that Mr.  
Taggart is drawing down one salary  
from the state as a court reporter,  
and "by gosh, that's enough," and  
he promptly reached over into his  
desk, picked up a little rubber stamp,  
and placed the placid hand of disap-  
proval upon the voucher.

Wife of Chicago Millionaire is  
Mysteriously Murdered in Woods

Chicago, Sept. 25.—Mrs. Maude A.  
King, widow of James C. King, the  
Chicago millionaire, met her death un-  
der mysterious circumstances in a  
wood near Concord, N. C.

Mrs. King was killed by a bullet  
which entered the back of her head  
near the ear. With her at the time  
was her secretary, Gaston B. Means.  
Means for some time worked with  
the Burns Detective agency, but of  
late held a position as manager of  
Mrs. King's large estate.

The verdict brought in at the first  
inquest attributed her death to acci-  
dental causes. An examination of the  
body, just made by the coroner's  
physician, gives rise to the opinion  
that the woman was slain.

The exhumation of the body was  
made at midnight on order of a judge  
of the criminal circuit court, Chicago,  
where the body had been brought for  
burial. Dr. William Burneister, pathol-  
ogist of Northwestern university and  
coroner's physician, performed the  
autopsy and on his finding is  
based the opinion that Mrs. King was  
murdered.

HARRY DAVIS WINS  
FREEDOM IN OMAHA

Morris Meyer, Alleged Partner,  
Loses Fight Against Extradition  
and Goes Back to  
Iowa Authorities.

Morris Meyer lost his fight against  
extradition to Iowa and Harry Davis  
won his freedom in a two days' habeas  
corpus hearing before Judge Sears,  
sitting in criminal court. Meyer and  
Davis, held by Omaha police, fought  
extradition to Monona county, Iowa,  
where they were wanted at Onawa  
on a charge of breaking and entering.

After hearing the evidence Judge  
Sears ordered Meyer turned over to  
the Iowa authorities, ruled there was  
not enough evidence to warrant hold-  
ing Davis.

A clothing store at Onawa was  
robbed of more than 300 suits of  
clothing. Meyer was identified by a  
toll man on the Douglas street bridge  
as the man who drove a truck into  
Nebraska heavily laden with some-  
thing hidden under a canvas. Onawa  
authorities were not positive about  
their identification of Davis.

Board of Agriculture  
Plans New Hog Barn

(From a Staff Correspondent.)  
Lincoln, Sept. 25.—(Special).—The  
State Board of Agriculture completed  
plans at its meeting yesterday for the  
building of the new hog barn. Archi-  
tect J. H. Craddock met with the  
board and submitted plans for the  
building made under the direction of  
the board.

The barn will be 264 feet long east  
and west and 310 feet long north and  
south. Instead of being of steel, it will  
be concrete and cement. The contract  
will be let in two parts, one for the  
foundation and the other for the bal-  
ance of the building.

Creighton, Neb., Sept. 25.—(Spe-  
cial).—Citizens of Knox county hon-  
ored the men of the second contin-  
gent of the new national army from  
Knox at a banquet and reception in  
Creighton Saturday evening. Early  
in the afternoon a large crowd from  
all over the county gathered, the town  
of Wausa alone coming in 150 autos.  
Patriotic music was furnished by the

MRS. MAUDE A. KING

Wausa and Creighton bands. The  
banquet, tendered the soldiers took  
place on the main floor of the Muni-  
cipal building. A cafeteria lunch was  
served to citizens in the basement.  
Owing to the large throng in attend-  
ance it was found necessary to repeat  
the patriotic program. Over 800 tick-  
ets were sold for the dance for which  
two floors of the Municipal building  
and Rothenburger's hall were used.  
The proceeds will be turned into a  
tobacco fund for the soldier boys.

The largest gathering of Knox  
county people ever congregated was  
present.

On Sunday morning special church  
services were held for the boys, after  
which they formed in the parade and  
marched to the depot. Seventy-one  
soldiers left on a special train for Fort  
Riley.
