### Sample Kimonos and Negligees

Special Purchase From New York Makers and Importers

We purchased these most exquisite garments at a remarkable concession, and right after we bought them, the wholesale market advanced this class of merchandise 20% or more—making the prices we offer these at today, doubly attractive.

Some of these were made in this country, and others come direct from Japan—and with one or two exceptions, they are all different—for that reason we would advise that you come to the store at 8:30 prompt on Saturday.

Two prices on these simply exquisite garments:

At \$5.98—About 110 Kimonos and Negligees, of beautiful Brocaded Satin, Crepe de Chine, Plain Satin, Georgette Crepe and Pongee, in all the colors of the rainbow, and just as dainty and fine as they can be. "Pullmans" made with bag attached, one of the most practical garments for traveling, are to be found in this assortment—and the decorations and beautiful making and finishing are almost beyond type to describe.

At \$10.00—About 100 Kimonos, Sacques and Negligees, some of the most beautiful we have ever seen. The heavily gold embroidered affairs from the Orient, with the splendid work of the Japanese evident in every way.
