

# **AK-SAR-BEN VISITORS**

## **And Citizens of Omaha and Vicinity**

THE Union Stock Yards Company of Omaha calls the attention of all concerned to the ***Second Annual National Swine Show***, to be held in the big new horse barn at the Stock Yards, South Omaha, October 3d to 10th inclusive.

This will be the biggest and best display of valuable swine of the different breeds ever held. The value of this display will probably exceed three quarters of a million dollars, and there will be individual animals worth over \$10,000.00.

There is no animal of more value to daily life than the hog, and everyone should encourage the breeders and raisers by visiting their display.

Incidentally, the stock yards, itself, presents the appearance of an animal fair during the fall, and it is well worth seeing. The Company invites citizens of Omaha, as well as Ak-Sar-Ben visitors, to make it a visit.
