## "DANDY SIXTH" NEBRASKA REGIMENT SPLIT; ARGENTINA TO DECLARE WAR ON GERMANY

### PRESIDENT PLANS UNITED ACTION BY SOUTH AMERICAN REPUBLICS TO BACK ALLIES

Bill Introduced in Congress for Conference at Buenos Aires; Luxemburg to be Taken to Germany as Prisoner Aboard an Argentina War Ship, As Punishment for Diplomat.

Buenos Aires, Sept. 30.—Declaration of war by Argentina against Germany as a result of the Luxemburg incident is expected to immediately follow breaking off of diplomatic relations. President Irigoyen is making a renewed effort to bring about a congress of the South American republics to consider international affairs.

Deputy Castellanos has introduced in the Chamber of Deputies the administration's bill approving the proposal of the president to invite the sister republics to meet at Buenos Aires and to adopt a joint policy in regard to the world conflict. President Irigoyen's program is for the American republics jointly to demand that Germany end the war or else suffer a solid South American boycott and a declaration in favor of the entente allies.

Persons in the confidence of the president declare that he wishes to lead the South American republics against Germany rather than to appear as if they had been pushed into the conflict by the United States. Deputy Castellanos in presenting his bill to the chamber said that Argentina should send Von Luxburg to Germany as a prisoner on board an Argentine warship.

The deputy added that Germany's explanation of the Luxemburg incident was insufficient because it failed to express an intention to punish the diplomat.

In conclusion, the deputy declared that neutrality was impossible, but belligerency must follow a formal declaration and should be based on the economic assistance of the entente.

The Bee's Special Edition For Ak-Sar-Ben Makes a Hit  
Comments galore were elicited by The Bee's magnificent special Ak-Sar-Ben edition, one of the biggest ever put out by an Omaha newspaper. The paper consisted of nine sections aggregating eighty-six pages, two more than double the usual Sunday issue.

Each complete newspaper weighed a trifle over one and one-fourth pounds and the total of print paper required for the edition was an excess of thirty-three tons. Had it all gone to subscribers through the mails the postage on it at the second class rate of 1 cent a pound would have been close to \$675.

As it was the local distribution made it necessary to send the issue out to The Bee's branch city offices in sections and most of the carrier boys had to make two or three trips to deliver their routes.

Thinks Wilber Station Agent Attempted Suicide  
Beatrice, Neb., Sept. 30.—(Special Telegram.)—Officers today found a revolver and bloody knife in the freight depot at Wilber, where Sam Wilber, station agent, was found this morning in a dying condition with his throat cut. They are of the opinion that Diller attempted suicide. About \$150 was found on the desk untouched.

Gets Seventeen Years for Dynamiting Water Works  
Henrietta, Okl., Sept. 30.—Mike Brashers, alleged organizer of the Working Class union, was found guilty today in the state district court of having dynamited the water works system at Dewar, near here, June 2, and was sentenced to seventeen years imprisonment. A motion for a new trial was denied.

Four other defendants with Brashers were granted continuances, their cases to be heard in December.
