Say Young Men Are Sacrificed by La Follette's Words

New York, Oct. 3.—Expulsion of Robert M. LaFollette from the United States senate today was depicted in a telegram sent today by Vice President Marshall, president of the senate, by the American Rights league. "Thousands of young Americans who might otherwise have been spared for years of service to their country," the telegram read, "may now be sacrificed as a result of the seditious and treasonable utterances of La Follette and his followers. In our own country, the futile, dangerous and contemptible policies recommended by the LaFollette group have encouraged other traitors to bolder opposition to the war and have re-energized the pacifist propaganda for a dishonorable and dangerous peace. These utterances have encouraged Germany to renewed endeavors."

The "Ladies from Hell," the Kilties' band, were entertained by the South Omaha Union Stock Yards company, at dinner in the exchange hall Tuesday noon. "Doc" Fry had a wonderful feed ready for the kilted laddies, and Everett Buckingham, vice president and general manager of the Union Stock Yards company radiated hospitality. After dinner the guests were shown over the stock yards and were taken to the Swine show, where they played a tune or two.

"Just a bit of music to honor Germany's most powerful enemy, the great American hog," remarked one of the laddies as he played a strain of "It's a Long, Long Way to Tipperary."

"Manly men," said Mr. Buckingham, as the guests were leaving, "it was a pleasure to entertain them. I'd like to have them come again."

REGALE SELECTS OF FIRST DISTRICT

National Army Men Guests of Honor at Brilliant Affair at Prettiest Mile Club.

Young men of the first district of Omaha who left today to join the selected army at Fort Riley were shown last night at the Prettiest Mile club that the district and city hold them in high honor.

This fact was demonstrated by a feast of good things served them in the dining room of the Prettiest Mile club house. The boys were the guests of the club and the exemption board of the first district.

The "eats" were served by women of the club in artistic style. The tables were handsomely decorated with flowers and flags. The young men who had been officially mustered into the service of their country at 2 o'clock in the afternoon were in charge of their temporary officers, the members of the first district board—W. G. Ure, Dr. C. C. Morrison and Henry F. Myers.

As though this weight of dignity were not enough, the Commercial club was there with Commissioner Manley and other men.

Edward R. Burke acted as toastmaster. He made a great hit with his first speech, which came just before dessert, when he arose and announced that Mr. Manley would distribute little tokens of the Commercial club's good will to the soldier boys. Mr. Manley distributed packages of cigars and cigarettes amid great "eclat."

Then came a feast of music and literary entertainment, arranged by Prof. L. G. Kratz. The West sisters played on stringed instruments. G. P. Swanson sang a blues solo, "Invictus." Miss Winifred Travis recited a daisy dialect piece, "De Prigral Son." Madge West sang a Venetian song.

Interspersed in the program were bits of oratory. Edward R. Burke, toastmaster, made the opening address. Later he called on R. B. Howell, who spoke on behalf of the Commercial club. Hugh Robertson, one of the selected men, made the response on behalf of the men.

The first two orators told the boys how proud Omaha is of them and Mr. Robertson declared that the boys are proud to have Omaha as their home and that they are going to do their best as soldiers.

While Mrs. Lahm has been spending the summer and fall in the west, Major Lahm has been in Ohio and other eastern states on business connected with the balloon school.

WEAK KIDNEYS MEAN A WEAK BODY

When you're fifty, your body begins to creak a little at the hinges. Motion is more slow and deliberate. Not so young as I used to be! In a frequent and unwelcome thought. Certain bodily functions upon which good health and good spirits so much depend, are impaired. The weak spot is generally the bladder. Unpleasant symptoms show themselves. Painful and annoying complications in other organs arise. This is particularly true with elderly people. If you only know how, this trouble can be obviated.

GRANDMA USED SAGE TEA TO DARKEN HAIR

She made up a mixture of Sage Tea and Sulphur to bring back color, gloss and youthfulness. Common garden sage brewed into a heavy tea with sulphur added will turn gray, streaked and faded hair beautifully dark and lustrant. Just a few applications will prove a revelation if your hair is falling, streaked or gray. Making the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 50-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients. While your hair is gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and lustrant. This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease—Adv.

EAT LESS MEAT AND TAKE SALTS IF KIDNEYS HURT

Says a Tablespoonful of Salts Flushes Kidneys, Stopping Backache. Meat Forms Uric Acid, Which Excites Kidneys and Weakens Bladder. Eating meat regularly eventually produces kidney trouble in some form or other, says a well known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation. The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.
