yet clear on the status of Greece as a belligerent. Officially the Greek

authorities are proceeding on a war

basis; the army is doing its share of

fighting on the Saloniki front; the navy is chasing Austro-German sub-

marines; all diplomatic relations with

Berlin and the other allied capitals

ondition of war but whether it is

war in the sense defined by interna-

wal law is still open to question.

technical one, but it is of much im-

portance whether a country is, or is

to it, as at war, or not at war. Its

soldiers and sailors, if taken prisoners

by the enemy, are in much different

relation if the country is at war, than

mental view, the existing Greek regime is at war because it is the

regime which Venizelos brought from

aloniki. As Venizelos iad formally

declared war at Saloniki, this state

of war continues now that he has

that the Greek constitution says the

king is the only one who shall de-

clare war. To meet this requirement,

King Alexander made a reference to

the war in his speech from the

throne, but the issue still remains as

to whether this was a declaration of

war, or of a state of war, with all

that formally which places Greece

the technical question, by carrying

on de facto warfare the same as any

of the other fighting nations, and

most of the allied governments have

recognized it as a helligerent. A law just submitted to the chamber

by the minister of war formally
