The victory of the Giants in the fourth game was the most impressive of the struggle to date, for the National league color-bearers excelled both in pitching and with the bat. While the Chicago combination threatened severa! times, they never got a runner beyond third base, and the American league team left for the shores of Lake Michigan without crossing the Polo Grounds home plate in eighteen innings.

Every boy or girl with civilized parents can answer that question. It is not to be answered by "yes'

If we say "yes," we admit at once that our old friends George Washington and U. S. Grant were depraved characters because they fought and then kept on fighting.

If Buffalo Bill once upon a time rode out across the plains and came upon a band of Indians attacking a settler's cabin and went dashing up with his scouts and killed a few redskins, is there any boy in the world who would go back on Buffalo Bill and pick out some quiet, elderly real estate dealer as a substitute hero?

It's too foolish to talk about. Suppose we say it is not wrong fight. Then we remove all blame from the Indians that Buffalo Bill killed and we find ourselves so mixed up that probably we had better back up and take a new start.
