

Nebraska

ORGANIZE TO FIGHT DISEASES OF SWINE

Government Agent at Fremont Calls Meeting of Farmers Next Week to Talk Over Preventive Measures.

Fremont, Neb., Oct. 11.—(Special Telegram.)—Dr. H. L. Duell, who will have charge of the work of the United States Bureau of Animal Industry in co-operation with the Live Stock Sanitary board of the State Agricultural college, in the effort to eradicate hog cholera in Dodge, Douglas, Washington and Butler counties, has opened an office in the postoffice here.

The establishment of the office here is in furtherance of the plan adopted in 1913, when congress appropriated a fund to fight hog cholera and other swine diseases throughout the country.

Nine counties have already been organized for the work and it is the intention of the government, Dr. Duell says, to organize thirty or forty more this year. A meeting will be held in Fremont Saturday, October 20, when hog raisers will be asked to attend and assist in the organization of the precincts of the counties to fight the disease. Each precinct will be asked to elect a supervisor, who will direct the work under supervision of the government specialist.

Box Butte Potato Crop

Now Ready for Harvest

Hemingford, Neb., Oct. 11.—(Special.)—A severe freeze, coming Sunday night, has killed the potato vines and Box Butte county's big crop will now ripen.

At this time last year over seventy-five cars had been shipped, but the first loading for this year began today.

The price at the opening of the market to farmers is 65 to 75 cents, but this price very likely will advance as the stock becomes riper.

Indians from the Pine Ridge Indian reservation have been procured through the efforts of R. H. Thurston and George Gabus and are placed with the farmers through W. L. Clark, employment agent of the Hemingford Community club. They receive \$3 to \$3.25 per day and all the expenses they can eat. There are over 100 here and the crop is being harvested in much less time than ever before and will run to much larger proportions. The Bliss Triumph variety, all of which go to Texas and the southern states for seed, has opened up on contracts at \$1.30 per bushel with few contracting. It is expected that this variety will shortly be \$1.50 to \$2 per bushel. White potatoes are starting at 65 cents per bushel.

There have been over forty new cellars constructed this fall holding from 4,000 to 15,000 bushels and there have been over fifty new potato diggers sold here. The yield for the north end of the county is estimated at not less than 100 bushels per acre and the stock is much larger than ordinary, except the Triumphs which were planted thick in order to make size suitable for seed.

Talmage-Loomis company of Omaha and D. E. Ryan & Co. of Minneapolis have just finished the construction of two mammoth cellars at Berea, half way from Hemingford to Alliance. The former are growers and will fill their cellar with their own produce. Ryan & Co. buy for the southern seed trade.

Three Injured in

Avoca Auto Accident

Avoca, Neb., Oct. 11.—(Special.)—Tuesday afternoon, Mr. and Mrs. George Rapp, of 3027 U street, Lincoln, and Edna Cass of Seward, were all injured in an auto accident seven miles west of Avoca, when their car turned over, as an effort was made to turn the car out of a rut in the road. They were pinned under the car. Mr. Rapp received a bad cut across the knee, requiring a number of stitches, also bruises on the body. Mrs. Rapp received a broken finger and other bruises. They were on their way to this city for a visit at the Henry Kuhnemann home when the accident happened. Dr. Klein of Weeping Water, who chanced to come along in his car, brought the injured to this city, where they were given medical treatment at the Kuhnemann home.

Dedicate New Hall for

I. O. F. at Humboldt

Humboldt, Neb., Oct. 11.—(Special.)—Two hundred and fifty members of the Independent Order of Odd Fellows lodges of Falls City, Salem, Verdun, Stella, Shubert, Dawson, Rulo and Table Rock attended the meeting of the Richardson County Odd Fellows association. After a parade in which the delegates participated the new hall, replacing the one destroyed by fire, was dedicated. The Falls City team exemplified the first degree in the evening. The following officers were elected for the ensuing year: C. P. Veach, Verdun, president; O. E. Look, Humboldt, vice president; R. B. Houshau, Salem, secretary; C. J. Hiber, Rulo, treasurer.

Small Boy Run Over by

Wagon May Recover

Avoca, Neb., Oct. 11.—(Special.)—Edwin, the 7-year-old son of Mr. and Mrs. Jack Roddy, well known residents of Union, Neb., is in a very serious condition at his home in that city, as a result of being run over by a wagon a few days ago. The little fellow received a dislocated hip and five broken ribs. The attending physician has hopes for his recovery.

High Price for Land

Fremont, Neb., Oct. 11.—(Special Telegram.)—A forty-acre tract of farm land two miles northwest of Fremont sold for \$250 an acre. W. J. McKennon of Brainerd, purchasing the place for a home. Three months ago the land sold for \$200 an acre.

Farmer Injured by Bull

Fremont, Neb., Oct. 11.—(Special Telegram.)—John Stamp, a farmer of the Yutan vicinity, was severely injured when he was gored by an angry bull at his home.

Delegates to Methodist Women's Foreign Missionary Convention

Officers and department heads of the Methodist Women's Foreign Missionary Federation now in annual convention session at the First Methodist church, arrived ahead of the delegation of 500 women for a workers' conference. This was held Wednesday at 3 o'clock in the church parlors. Among them were Mrs. J. F. Fisher of Cleveland, jubilee commissioner and the following: president, Mrs. J. P. Boye, Lincoln; vice presidents, Mrs. R. M. Platt, Wichita, Kan.; Mrs. Homer C. Stuntz, Omaha; corresponding secretary, Miss Ella M. Watson, Lincoln; associate secretary, Mrs. J. A. Stavelly, Parsons, Kan.; recording secretary, Mrs. W. H. Richter, Topeka, Kan.; treasurer, Mrs. Benjamin M. Davies, Topeka, Kan.; superintendent of young people's work, Miss Ada G. Heaton, Lincoln; superintendent of children's work, Mrs. George S. Dively, Green Mountain, Colo.; superintendent of literature, Mrs. F. R. Hollenback, Denver, Colo.; secretary of special work, Mrs. Lydia K. Andrew, Table Rock; college secretary, Mrs. F. J. McConnell, Denver, Colo.; extension secretary, Mrs. R. S. Freeman, Kansas City, Kan.; editor of "Quarterly" and "Branch Herald," Mrs. George W. Isham, Kearney; jubilee supervisor, Mrs. Joseph Thompson, Wichita, Kan.; agent of supplies, Miss M. D. Thackara, Lincoln; field secretary, Miss Ary J. Holland, Abilene, Kan. To Study Africa.

The "1869 Faith, Plus 1919 Business Methods," was the subject of much discussion Thursday morning when approximately 300 members of the Women's Foreign Missionary society met at the First Methodist Episcopal church. It is the thirty-fourth annual meeting of the Topeka branch and many vital points were brought out pertaining to the training of secretaries and young members. "Africa" is to be the subject of study for the coming year in all branches of the Women's Foreign Missionary society, and it is the intention of the organization to enlist the aid of all the colored Methodist churches and colored individuals possible. Already some work along this line has been done, and those who have been working report splendid success.

Luncheon was served jointly by the First Methodist, McCabe Methodist, Leifer Memorial Methodist, Dietz Memorial Methodist and Oak Street Methodist churches in the banquet room of the First Methodist church to all delegates and with the executive officers as guests.

STATE SOCIETY TO TALK OF FARMERS

Historical Organization Will Discuss Rise and Disappearance of Various Movements in State of Nebraska.

(From a Staff Correspondent.)
Lincoln, Oct. 11.—(Special.)—The executive board of the Nebraska State Historical society today approved a plan for the program at the annual meeting, January 15 and 16. The report of the program committee consisting of Messrs. Love, Harvey and Sheldon was adopted. The subject of the program will be the topic "Farmer Movements in Nebraska," covering the period from the organization of the first grange in 1873 to the appearance of the nonpartisan league in 1917. It is the plan to have papers and addresses from leading participants in these farmer movements, condensing the history of the movements from their beginning.

It was voted that the society send a set of its publications to each of the training camps where Nebraska soldiers are now in preparation for the war.

The subjects will include the grane, 1873-1890; anti-monopoly movement, 1878-1889; farmers' alliance, 1880-1886; co-operative buying and selling, 1898-1917; mutual insurance, 1893-1917; Farmers' Co-operative and Industrial union, 1910-1917; Equity society, 1912- nonpartisan league, 1917.

Much Winter Wheat

Remains to Be Planted

Fremont, Neb., Oct. 11.—(Special Telegram.)—While many fields of winter wheat in this section of country are green and making fine growth, hundreds of acres remain to be planted. The dry weather of the last month has resulted in many farmers holding off with their seeding, preferring to wait until a rain puts the ground in better condition. The acreage is not as large as usual, owing to a big per cent of the land planted to winter wheat last fall being winter killed and corn planted in its place. Corn husking will begin within the next week.

Two Accidents Near Fremont

Fremont, Neb., Oct. 11.—(Special Telegram.)—While returning home after bidding his sister goodbye before he left for the training camp with the draft soldiers, Will Reese of Yutan, was quite badly shaken when his auto collided with one driven by W. C. Miller. Both machines were wrecked, the drivers escaping with no serious hurts.

John Miller of the Mead neighborhood, sustained a broken leg when the team he was driving backed into the ditch by the roadside and upset a load of hay. Mr. Miller was injured in jumping from the top of the load.

The Japanese Way to Remove Corns Don't Hurt a Bit—Easy and Simple

The Magic Touch of Ice-Mint Does It. Just a Touch Stops Soreness. Then the Corn or Callous Shrivels and Lifts Off. Try it. Your Feet Will Feel Cool and Fine.

Just a touch of Ice-mint and "Oh" what relief. Corns and callouses vanish, soreness disappears and you can dance all night or walk all day and your corns won't hurt a bit. No matter what you have tried or how many times you have been disappointed here is a real help for you at last. From the very second that Ice-mint touches that sore second corn, your poor tired, aching feet will feel so cool, easy and comfortable that you will just wish with relief, "Think of it; just a little touch of that delightful, cooling Ice-mint and relief is yours. No matter how old or tough your pet corn is he will shrivel right up and you can pick him out after a touch of Ice-mint. No pain, not a bit of soreness, either when applying it or afterwards, and it doesn't even irritate the skin.

Ice-mint is the real Japanese secret of fine, healthy, little feet. Prevents foot odors and keeps them cool, sweet and comfortable. It is now selling like wildfire here.

Just ask in any drug store for a little Ice-mint and give your poor suffering, tired feet the treat of their lives. There is nothing better, nor nothing "just as good."

MISSIONARIES HERE FOR ANNUAL MEET

Convention of Women's Foreign Society of Methodist Episcopal Church Opens With Big Attendance.

(From a Staff Correspondent.)
Lincoln, Oct. 11.—(Special.)—The forty-eighth annual convention of the Women's Foreign Missionary society of the Methodist Episcopal church opened yesterday morning at the First Methodist church. More than 400 delegates, representing eight states, comprising the Topeka branch of the society, are in Omaha to attend the convention.

An executive session and the election of branch managers and district secretaries were held in the morning. The afternoon session opened with a devotional message by Rev. Charles L. Mead of Trinity church, Denver, Colo.

The treasurer's report showed that \$103,000 have been raised during the past year for foreign missionary work by this branch of the society, which includes New Mexico, Montana, Colorado, Utah, Kansas, Nebraska, South Dakota and Oklahoma. Nine young women who already have served one or more terms as missionaries in India, China, Japan and Malaya were introduced to the delegates. These young ladies are home on furloughs and will soon return to the far east to take up their work of bringing to the heathen a knowledge of christianity.

One of the unique features of the afternoon meeting was the singing of a group of Indian songs in Hindustani by two of the missionaries, Miss Whiting and Miss Perill.

News Notes From Beatrice And Gage County

Beatrice, Neb., Oct. 11.—(Special.)—The annual meeting of the Gage County Independent Telephone company at Blue Springs was held yesterday with 206 stockholders in attendance. A dividend of 10 per cent was declared, and the company will start on another year's business with \$3,821 in the treasury. The company has 61 stockholders and is one of the largest independent telephone concerns in the state. The following officers were elected: President, J. H. McPherson; treasurer, F. C. Patton; secretary and manager, S. F. Rodrick; auditor, Virgil Trump.

High School Boys Going To Pick Richardson Apples

(From a Staff Correspondent.)
Lincoln, Neb., Oct. 11.—(Special.)—Arrangements have been made by the government labor representative in Lincoln to send boys from the University Place, high school in charge of a competent man to pick apples at Shubert, in Richardson county.

Nance County Is Unit For Larger School Districts

(From a Staff Correspondent.)
Lincoln, Neb., Oct. 11.—(Special.)—Nance county is unanimous for larger units in school government, according to State Superintendent W. H. Clemmons, who returned yesterday from Fullerton, where he attended a meeting of county school district officers of that county. Consolidation of school districts was voted for unanimously in an expression taken during the meeting.

Jefferson Fair Is On

Fairbury, Neb., Oct. 11.—(Special Telegram.)—The fifth annual Jefferson county live stock show and agricultural display opened here today.

The number and character of exhibits exceeds that of any other fair in the history of the association. While the agricultural display is not large, it evidences the fact that some mighty good grain and vegetables were raised here this year. A seventy-five-pound pumpkin raised by Klass Fritzen is one of the interesting exhibits. John P. Thiessen of Jansen is president of the association.

Solicit Firemen's Fund

Fremont, Neb., Oct. 11.—(Special Telegram.)—Fremont firemen will solicit business men of the city for a fund of \$1,500 to be used in entertaining Nebraska volunteer firemen who come to Fremont next February to attend the state convention. A banquet, musical comedy, vaudeville acts and other entertainment are planned. Seven hundred delegates and firemen will be in attendance. Harry J. Hauser of Fremont, is president of the association.

ASKS REPORTS ON WHEAT ACREAGE

State Council of Defense Carries Out Request of National Body and Calls for Information.

(From a Staff Correspondent.)
Lincoln, Oct. 11.—(Special.)—The State Council of Defense, carrying out the request of the national council, is sending out letters to county councils, asking that the acreage of winter wheat in each county be obtained and reported to the state council, in order that an estimate may be given on the number of acres which will be required for spring wheat planting, in order that the seed may be kept and not put on the market.

According to Vice Chairman Cupland of the state council, it will require a big acreage of spring wheat to be sowed next spring and sufficient seed must be kept on hand in order to meet the demand.

Fremont Gardeners Get Big Yields From Lots

Fremont, Neb., Oct. 11.—(Special Telegram.)—Reports from the thirty-six members of the Fremont Community Garden club show that the production of garden vegetables was very materially increased as a result of the work of the amateur gardeners, many of whom took up the work for the first time this season. Seventy-six lots were farmed by the members, potatoes being the principal crop. Clarence Lucas and Claude Douglas claim the potato-growing championship, with forty-two bushels from a lot 40x180 feet in size.

Fremont Gardeners Get Big Yields From Lots

Washing Won't Rid Head of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most, if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft; and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work—Adv.

SUCCESS REQUIRES MORAL COURAGE

Many Men Who Would Resent a Blow, Cringe before a Sneer.

The sneer is the coward's weapon. It is nine parts envy and one part hatred—yet it carries fear and dread to the heart of the average man and if there be a streak of yellow in his make up it comes to the surface at the mere thought of being snubbed or laughed at.

I realize that when competition is keen—some men lose their heads and in so doing lose their pride and eventually the race.

I realize that even an Indian resents the encroachment of civilization upon what he considers his own reservation.

I am therefore neither surprised nor alarmed that opposition has developed to myself and my methods—by some very high—but narrow-minded gentlemen who see in my system of Specialized Dentistry—the end of exorbitant dental prices. The same thing has happened elsewhere—and my bitter critics of former days are now among my warmest friends and staunch advocates.

It will happen again in Omaha—because time will prove my sincerity—and the correctness of my theories that—

Systematizing, Specializing and Advertising, invariably tends to bring the cost of Dental services within the reach of all the people—and at the same time raises the standard of dental services to a higher plane than would be possible otherwise.

My success since coming to Omaha has been gratifying—Be sure it will not be delayed because of the disapproval of those who do NOT understand me—nor of those who DO.
